

**As we go through life, we may travel many different roads and paths, each being an important part of our journey. The highways we travel will be busy and hectic. City streets will often be crowded and narrow. Peace and tranquillity will be ours when we travel down country roads. All of these paths we take will lead us into new experiences. Each one will help us find our direction in life.**

Our education is one of the first stops we make on this journey. As we travel further down this road we take on more and more responsibilities: our first lockers, getting to class on time, homework, library fines, exams. Each day we make new discoveries. We learn to form and apply new ideas. We learn to cope with our problems and to solve them as best we can. We find happiness and pleasure through the activities in which we participate.

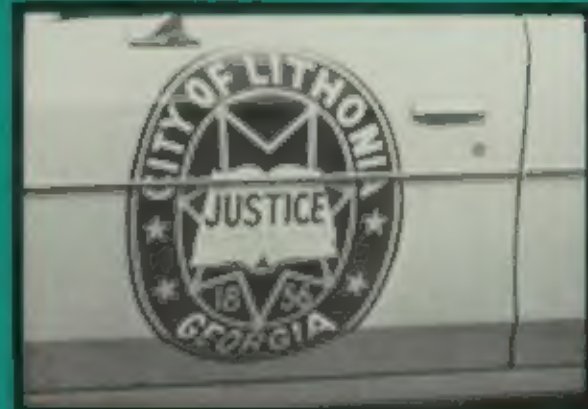

**Along this path  
we encounter  
many different  
experiences.  
This is  
the time we  
examine our  
beliefs and  
sort out  
our problems.  
We enjoy  
life, each in  
our own  
individual way.  
We grow to  
be better  
and stronger  
people, more  
aware of  
today and what  
tomorrow  
holds.**

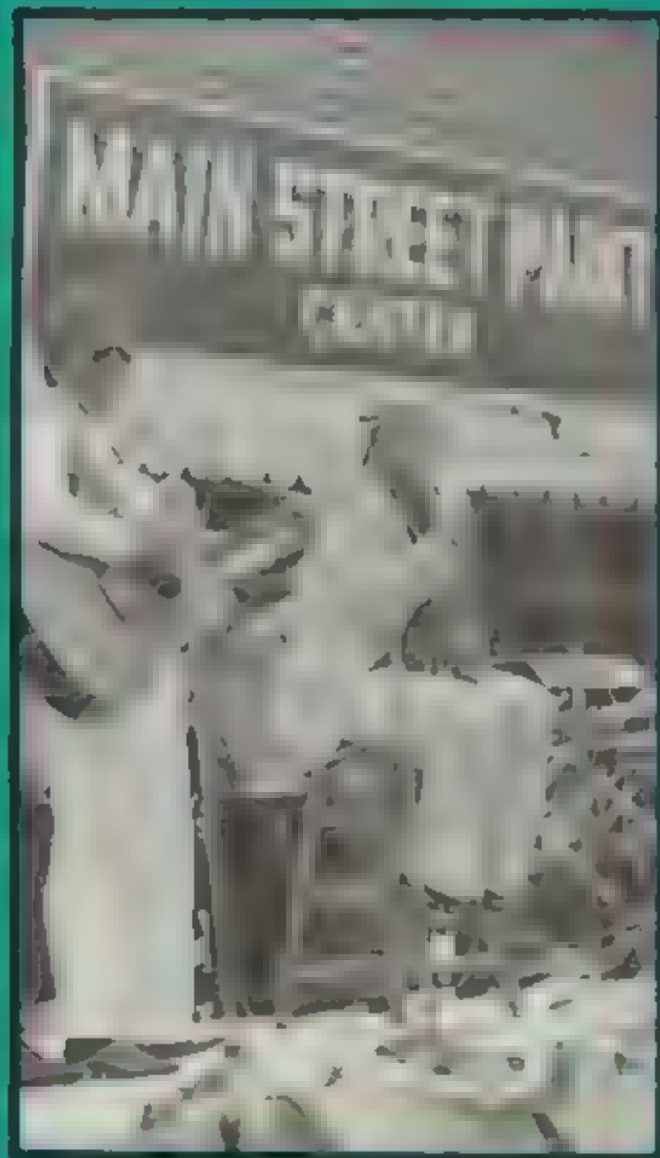

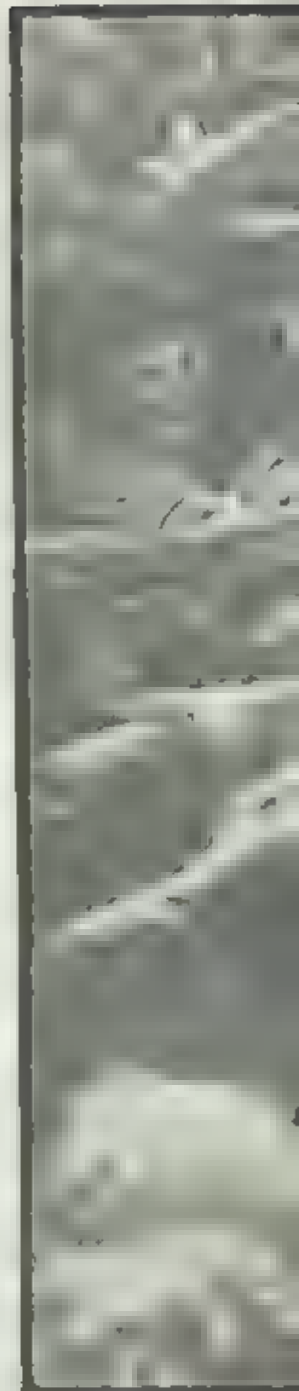

**The Lithonia community reflects our lives, our beliefs, and our feelings. Here we learn to understand and accept our fellow men — those who are different yet who all have one common element, those who share and join hands with us towards a better society. Here we venture one step further towards our destination.**

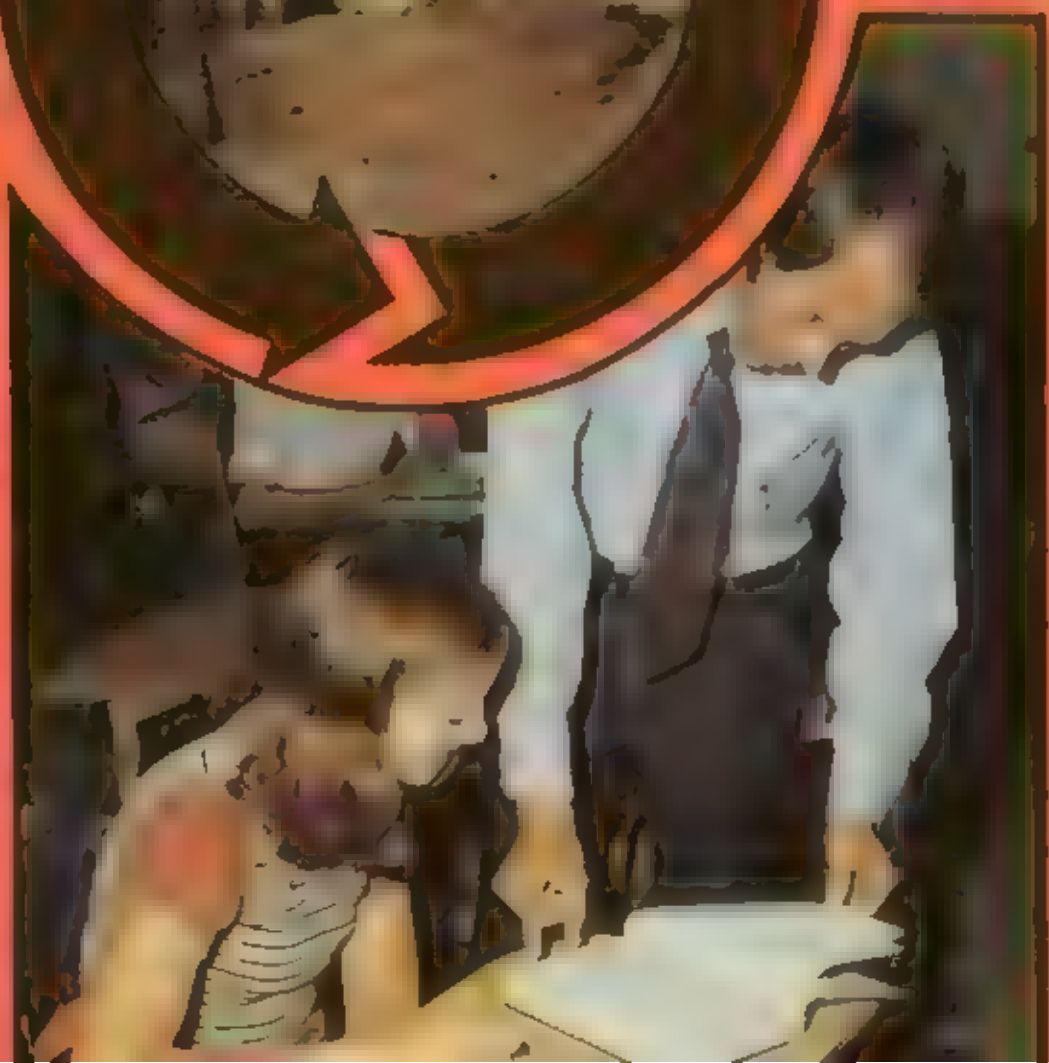

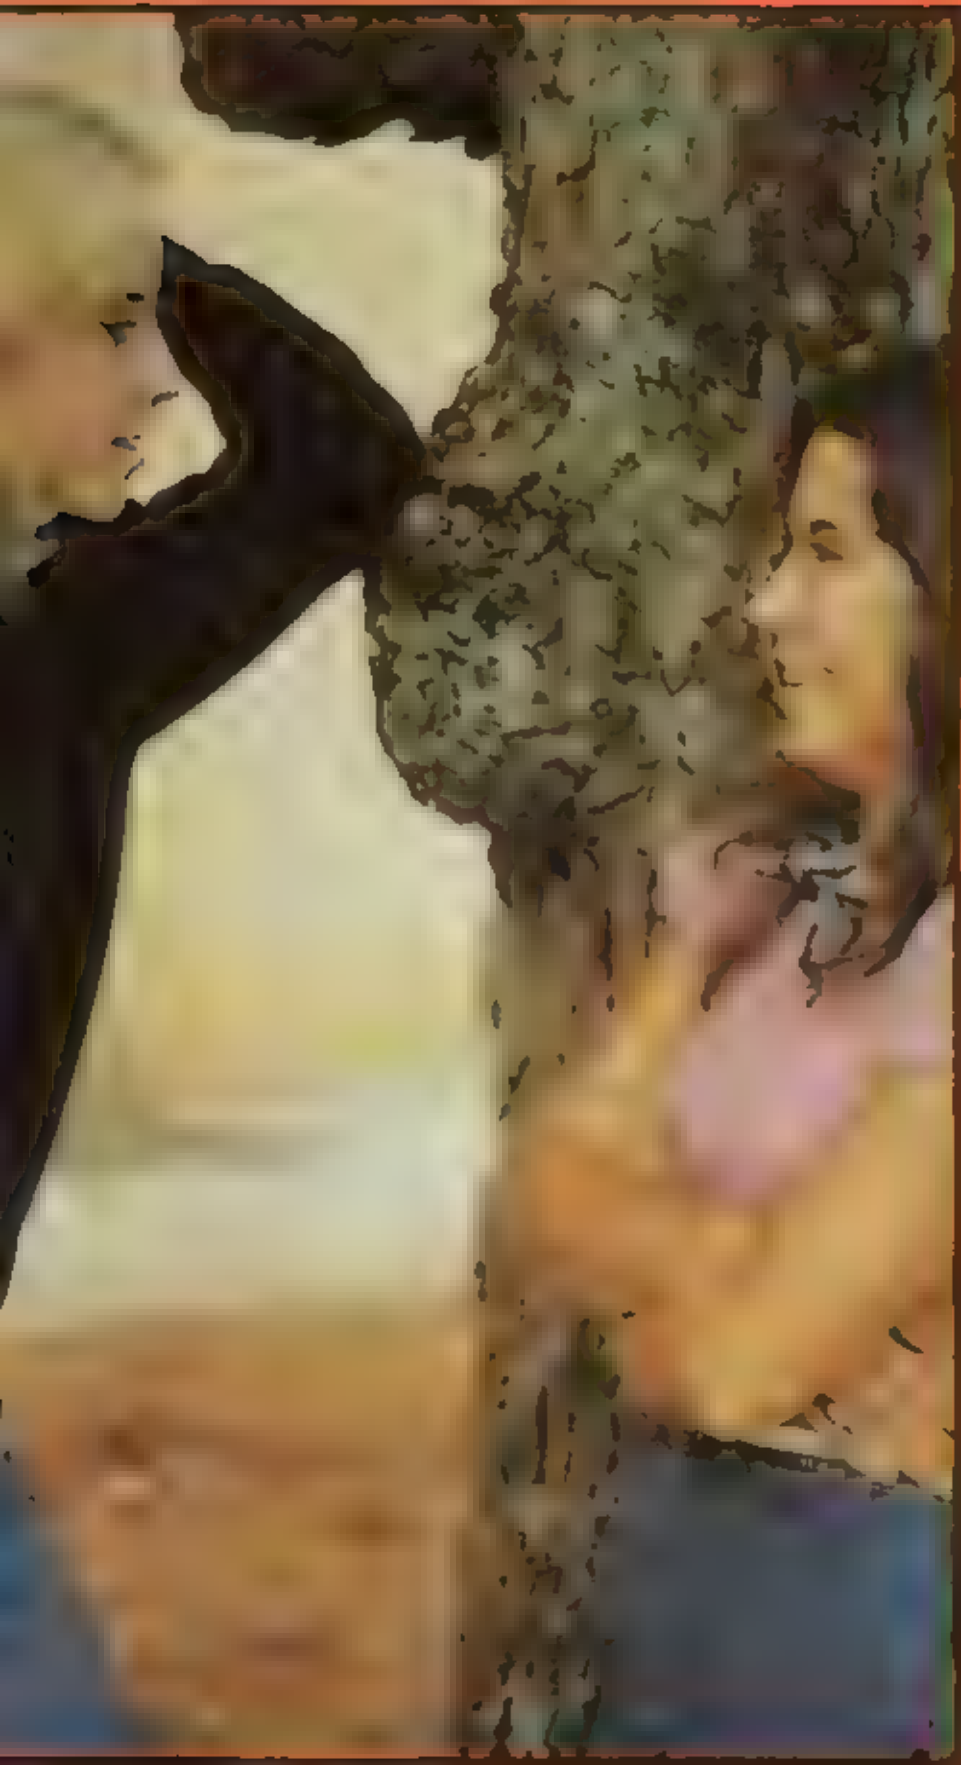

**Our environment plays an important role in our every day lives. The world is a revolving display of the many problems, decisions, and struggles which make up our lives. Each minute of every day an important event is taking place. The kidnapping of James Hoffa, the Patty Hearst story, a new life for Nixon, the arrival of Vietnamese refugees, assassination attempts on President Ford's life — these are only a few of the events which have occurred across the nation.**

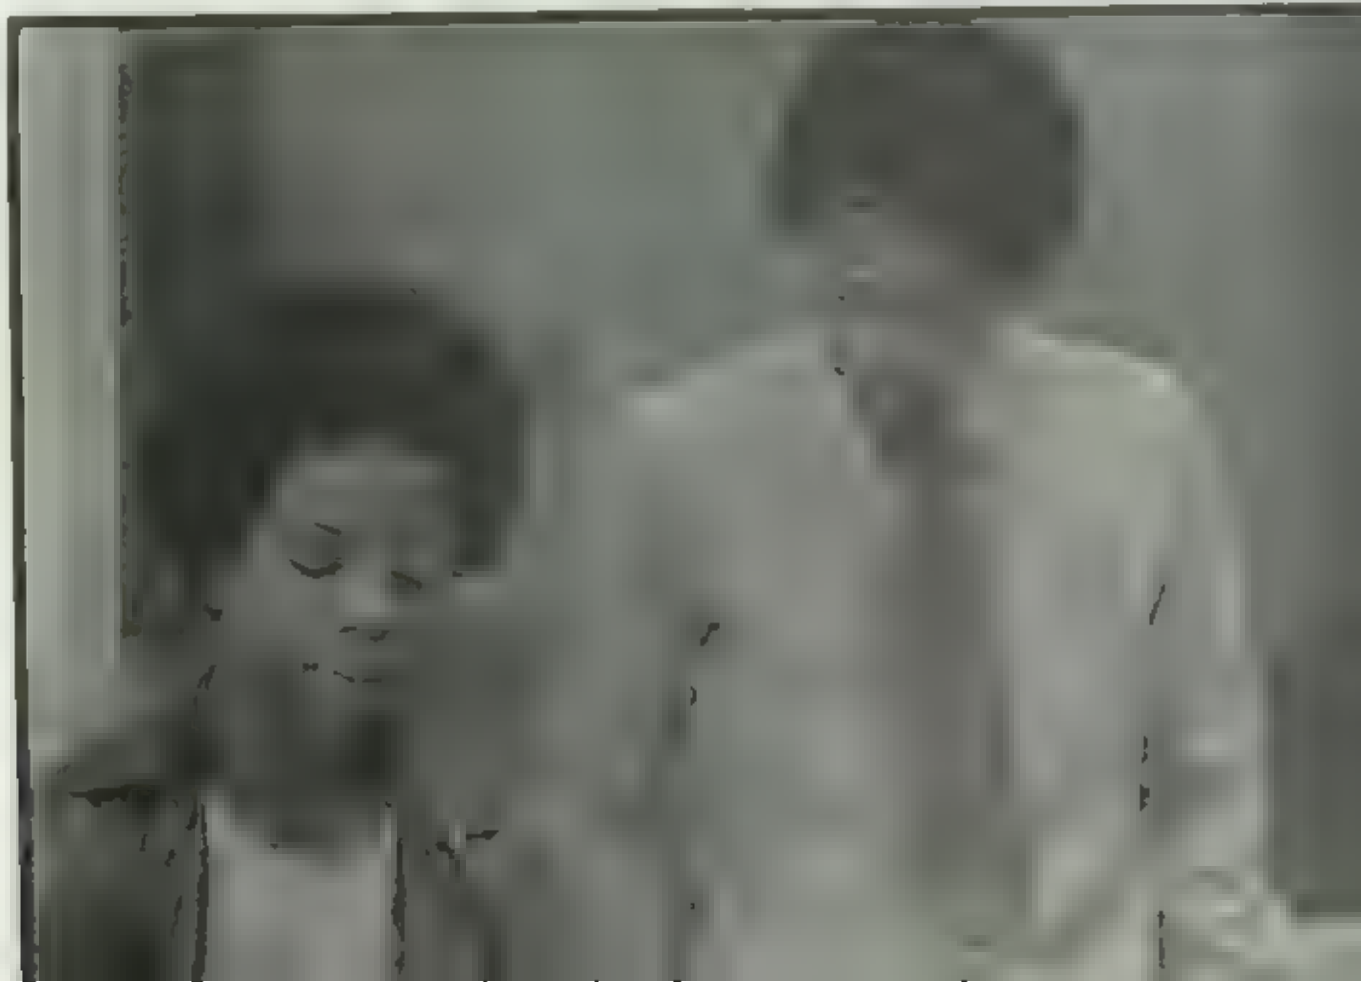

It is almost impossible to travel this road without friends along the way. We are all individuals, yet we are striving for a common goal. As students we relate to our teachers through the education we receive. We relate to other students through clubs, teams, classes, and L.H.S. Relationships grow, and with them we give a part of ourselves.

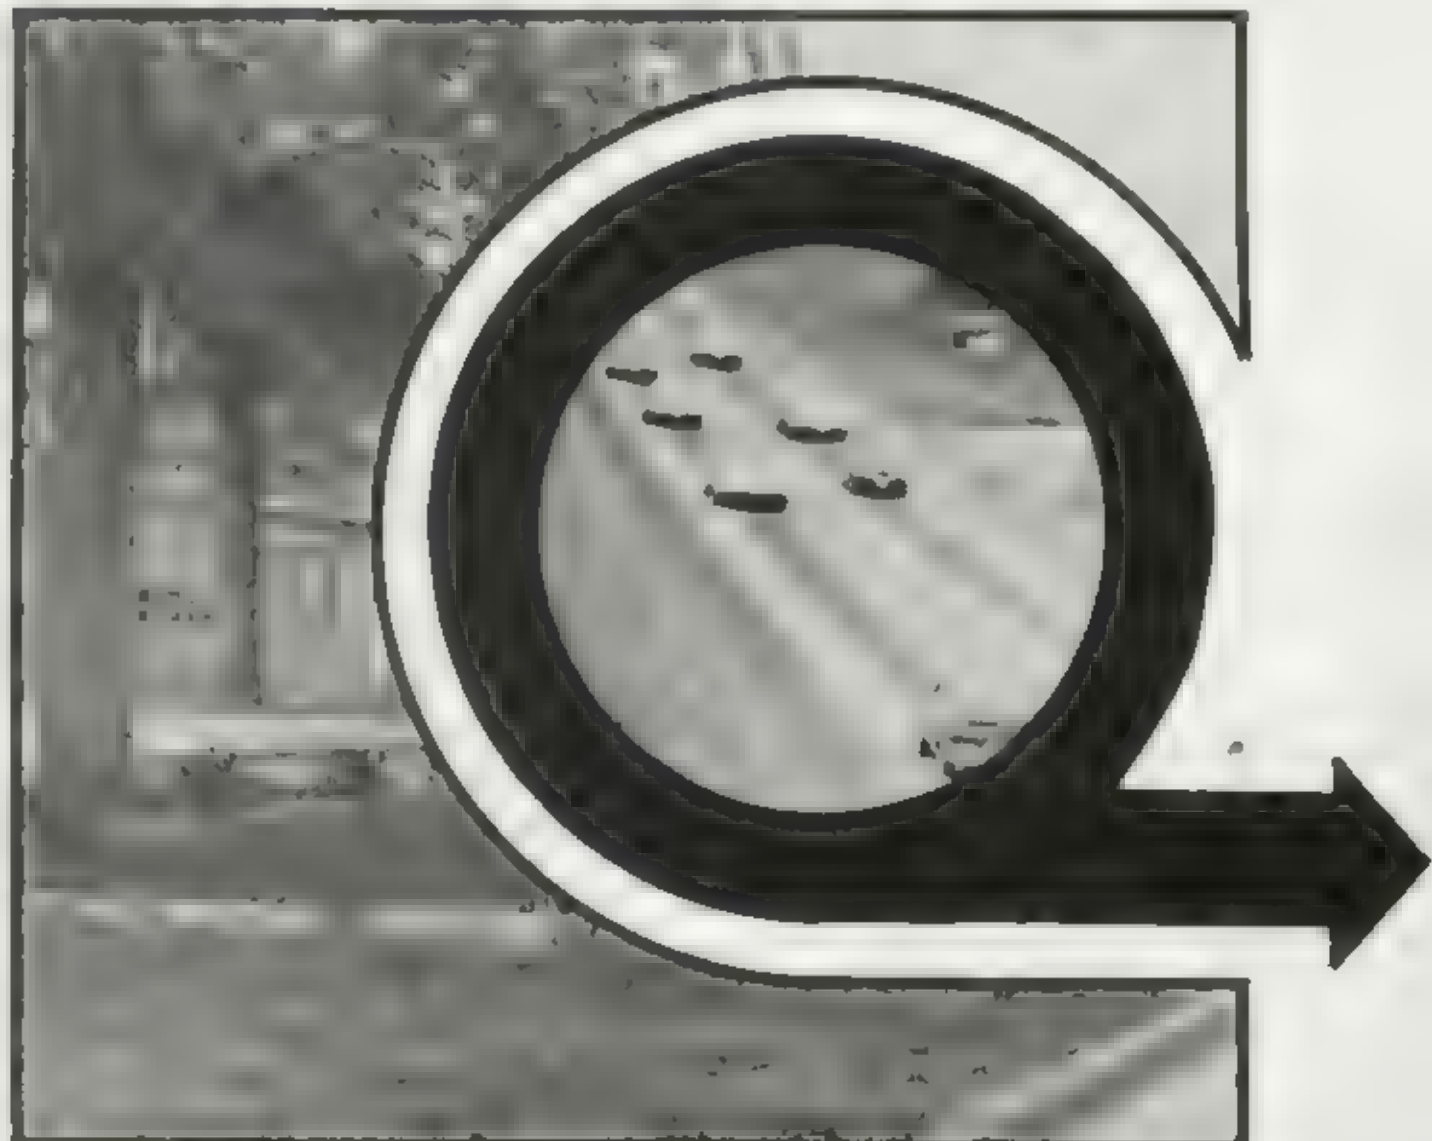

**We may wander off  
at times along  
this road we  
lead, but only  
to find friends to  
pull us back up.  
Our road may  
form valleys, hills,  
rocks and holes  
but we still look  
forward. We  
appreciate the  
good times  
because we do  
experience the  
bad. We learn  
to love because  
we have seen  
hate. We  
pull together  
because we care.  
Unable to change  
yesterday and  
hoping for a  
better today  
we travel on  
until the  
journey's end.**

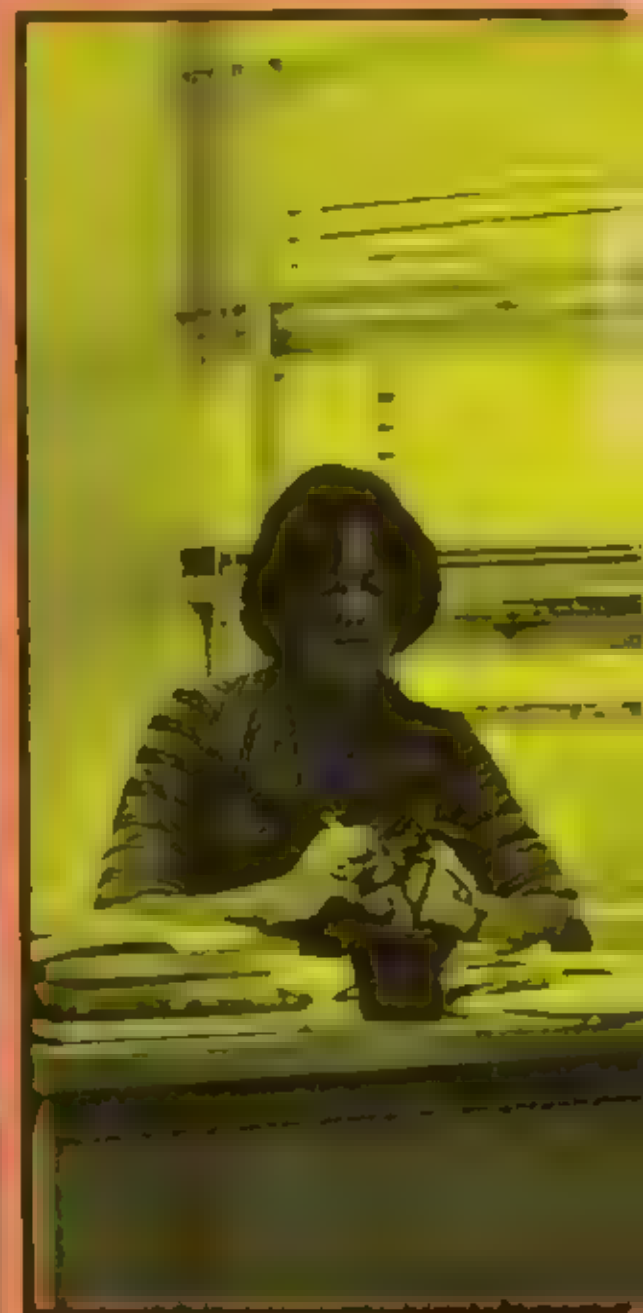

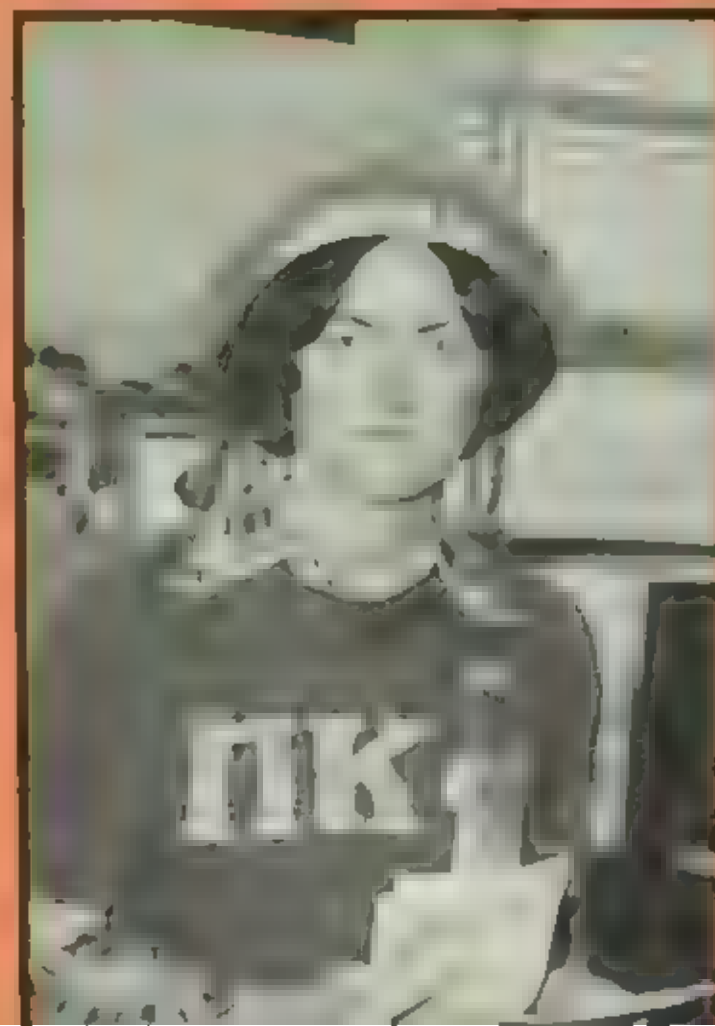

How can we  
repay the concern  
that she has  
shown?

How can we  
return a smile  
that has helped  
us journey on?

How can we  
lend a hand to  
one that is  
always there?

How can we  
say "thank-you"  
for all the time  
she has shared?

Because she  
has influenced  
our road and  
helped us carry  
on, we the  
Senior Class of  
1975-1976  
proudly dedicate  
BULLDOG '76 to  
MRS. THERESA FELL

# ADMINISTRATION

## Principal — Thomas J. O'Rourke

THOMAS J. O'ROURKE, Lithonia High's past Assistant Principal, now has a new job, a job that he has more than satisfactorily filled. His new job is the Principal of Lithonia High School. After graduating in 1967 from Morehead State University in Kentucky, Mr. O'Rourke continued his education by obtaining his Master's Degree from Xavier College in Cincinnati, Ohio. From there, he received a Six Year Certificate from the University of Georgia. Since moving to Georgia, Mr. O'Rourke has worked in the DeKalb County School System for seven years: one year at Gordon, one year at Walker, and five years here at L.H.S.

Concerning his new position, Mr. O'Rourke had many interesting things to say. "There's a lot more responsibility to the position," he said. He also commented that when he was Assistant Principal, he always had to answer to the Principal, but now, it is his concern and responsibility to answer to himself.

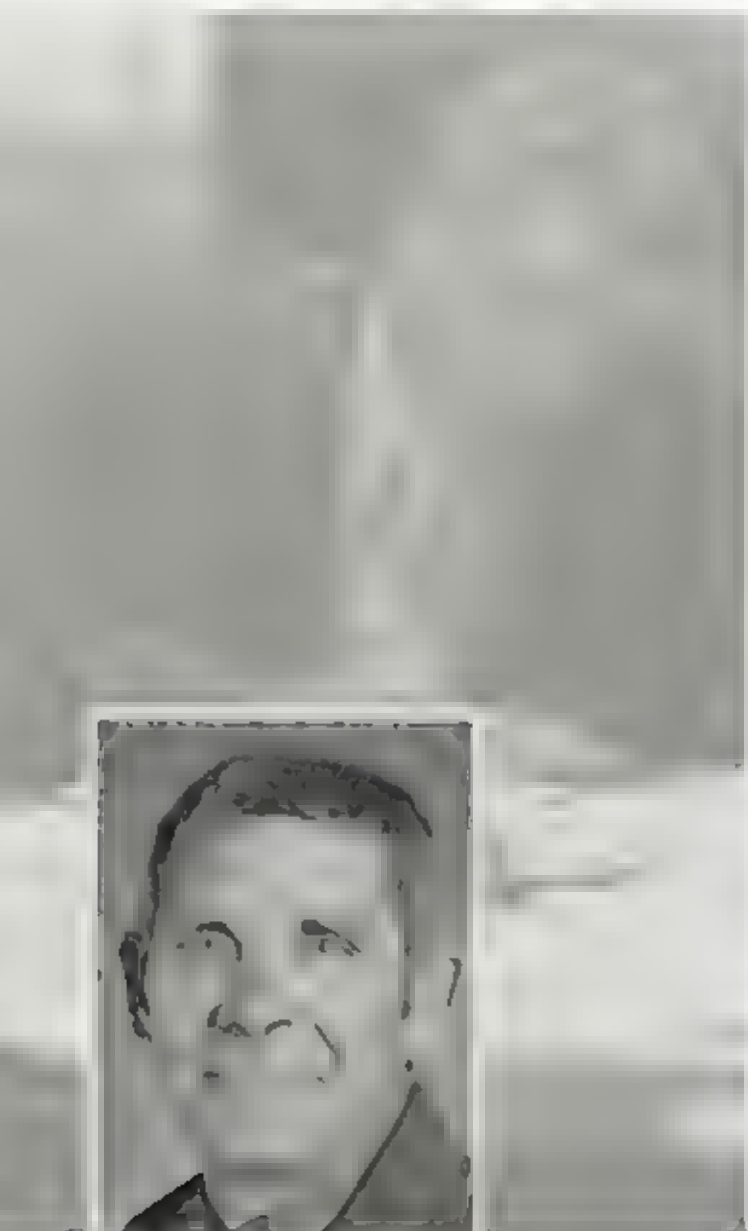

When asked what had been done to make the school better, he replied, "Well, I made Mr. Bailey my Assistant Principal, and in the area of discipline he has certainly been a help." Equally important, he said, "I've appointed Mr. Mason Assistant Principal in charge of instruction, and we've made a lot of efforts to improve our instructional program. Mr. Mason has done a lot of work in this area." Also in the area of betterment to the school, Mr. O'Rourke said, "This year we have had the best Band, Drill Team, and Cheerleaders that we've ever had at L.H.S."

Mr. O'Rourke stated, "I think the student body at L.H.S. is one of the best student bodies in DeKalb County. I have been disappointed sometimes, but most of the time I am very pleased with the students here and I look forward to having continued success."

Mr. O'Rourke's favorite forms of entertainment include going to football and basketball games, playing golf and running. His three children, two daughters and a son, take up much of his time. He also enjoys dancing and listening to music.

We, the students of L.H.S., wish to give thanks to Mr. O'Rourke for being the great Principal he is, and to sincerely hope that he has continued success.

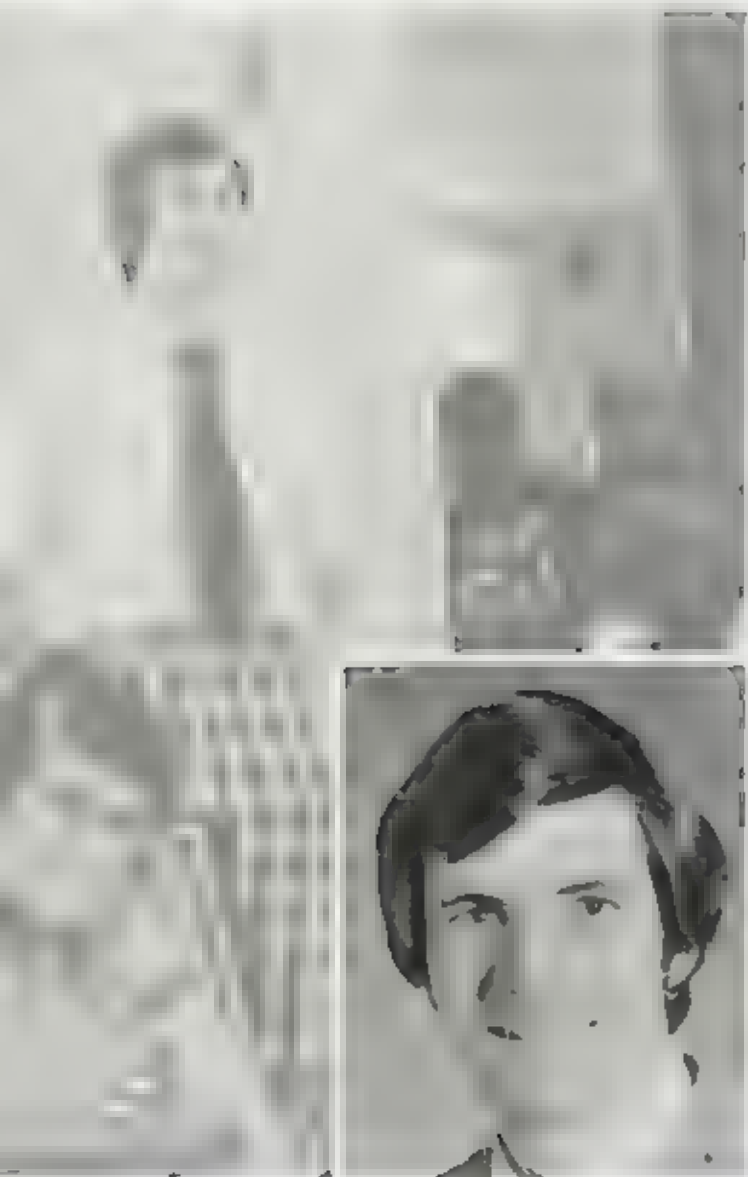

MR. ROY BAILEY, Assistant Principal of Discipline and Maintenance here at L.H.S., has been working with the DeKalb County School System for eighteen years, all of which have been spent at L.H.S. After graduating from Hewitt High School, he went on to obtain his B.S. Degree from Jacksonville State University and his M.Ed. Degree from West Georgia College. After coming to Lithonia, Mr. Bailey did further graduate work at University of Georgia, Oglethorpe University and Georgia State University.

During Mr. Bailey's high school days, while he was playing football, his coach gave him the nickname "Bull." This name has lingered with Mr. Bailey since that time. His friends still call him Bull Bailey because some say he "shoots the breeze."

Mr. Bailey's new job deals mainly with discipline of the students. He does not enjoy giving disciplinary action at all, but he states that it's a necessary evil.

When not at school, Mr. Bailey spends his spare time enjoying outdoor activities such as fishing, camping, and skiing. He also enjoys watching T.V. and good movies.

Mr. Bailey has a high opinion of the student body and says he enjoys working with them. He seems to be first-rate in his new position.

MR. CHARLES MASON is Lithonia High's new Assistant Principal of Instruction and Attendance. He obtained his A.B. Degree from Western Kentucky University and his M.A.T. Degree from Vanderbilt University. Mr. Mason has also taken Administrative courses through the University of Georgia. He has been associated with the DeKalb County School System for five years, four of which he spent teaching English here at Lithonia High.

Mr. Mason's new job consists of working with the teachers to improve the quality of instruction in the classroom and of being in charge of the attendance office. Working with Mr. Bailey on some matters, Mr. Mason handles skipping which, he says, is a minor problem here at Lithonia.

Many extracurricular activities which hold his interests are reading novels, playing tennis, and especially studying politics, which happens to hold a tremendous interest in his life.

Finally, when asked what he did with his spare time, Mr. Mason replied, "What you're doing is not as important as who you're with."

As time goes on, we sincerely hope that Mr. Mason's philosophy continues to hold true, and that his new job as Assistant Principal of Instruction will prove beneficial to the students of L.H.S.

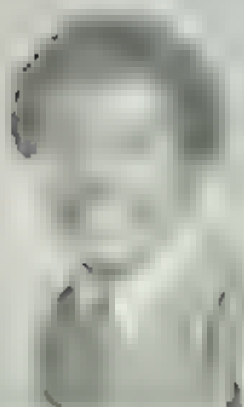

# Counselors

Mrs. Cole, Mr. Brown and Mrs. Overton are the hard working counselors of Lithonia High School. They are concerned with the placement of students so the students can have adequate preparation for whatever lies ahead. The counselors are always available to help students discover their talents and their abilities and are there to discuss the student's problems. These counselors contribute much to a student's success.

# Secretaries

The secretaries are an integral part of LHS. Without them the school could not be operated smoothly. These secretaries answer the telephone, take dictation, take messages, type letters, make appointments, help the administration, and much, much more.

The Para-Professionals are also some of the hardest working people of LHS. They are qualified to do many things and help to make LHS a more efficient place. Much of their time is spent in the attendance office checking students out and in the workroom helping teachers. If it were not for them LHS could not operate.

THE CAFETERIA STAFF at L.H.S. consists of fourteen dedicated people who take on many responsibilities each and every day. They perform the important task of preparing well balanced lunches for the school. Most of the thanks goes to Mrs. Lois Kelley who is the dietician of the staff. The students of L.H.S. wish to show our gratitude by thanking Mrs. Kelley along with Ms. Theresa Gunn, Ms. Willa Mae Johnson, Ms. Mary Pierce, Ms. Carrie Smith, Ms. Ethelene Smith, Ms. Minnie Williams, Ms. Opal Broach, Ms. Tommie Butterworth, Ms. Willie Lois Minor, Ms. Edith Reid, Ms. Gail Lowe, Ms. Ina Kelley, and Ms. Betty Henderson for their performance in the kitchen.

THE CUSTODIAL STAFF of Lithonia High often goes unnoticed for their hard work. They work with timed efficiency and sheer determination; They know their jobs, and they do them well. Everyone at L.H.S. owes his appreciation to: Mrs. Lavonia Banks, Mr. Harvey Brown, Mr. Frank Champion, Mr. Roger Epps, Mr. Sam Hilsman, Mr. Percy Paige, Mr. R.T. Sheppard, Mr. Emanuel Smith, Mr. Tommy Smith, and Mrs. Kate Thomas for maintaining the cleanliness of our school.

## Media Center

1975-1976 is the first entire school year the Media Center has operated at Lithonia. It is a very roomy place, contains many interesting Fiction and Non-Fiction books, and has a great variety of magazines ranging from POPULAR MECHANICS to EBONY to NEWSWEEK.

Studying is easier with the aid of the working tables and the carrels. The wide selection of reference materials also aids in one's assignments. All in all, the Media Center offers something to everyone, whether it be magazines, books, or resting one's mind.

## Reading Lab

In its fourth year, the Lithonia High Reading Lab continues to aid a wide variety of students, those who have poor reading habits, as well as those who want to increase their reading skills. Through its individualized programs, students may develop faster reading rates, increased vocabulary, better comprehension, and overall improved study habits. We, the students here at L.H.S., would like to thank the Reading Lab teachers for teaching us and for aiding us in developing our reading habits, which will help us to face the outside world with greater courage.

## English

The English Department of L.H.S., the largest and sometimes the most rewarding, is greatly appreciated. Consisting of twelve teachers, the English Department is very busy teaching and guiding students along the road of life in grammar, composition, speech, American and English Literature, World Literature, drama and journalism. Every student at Lithonia is given the opportunity through various programs in the English Department to become well educated in all areas of communicative skills. Mastering the Art of Communication is a necessity, and the students of Lithonia High School would like to thank the English Department for being concerned with our future and with our plans to further our education.

"The hardest language in the World."

Ronald Wilburn

What is the best atmosphere for studying  
English?

"Foggy!"

David Billings

" . . . old-fashioned atmosphere . . . "

Mary Plunkett

# FOREIGN LANGUAGE

The students of Lithonia not only speak English but they also enjoy learning the languages of other countries. The Foreign Language courses offered are German, French, Latin, and Spanish. Aside from learning the spoken and written language, the students learn the culture, customs, and folklore of the various countries. The teachers are aided by language carrels which are equipped with earphones, tapes, recorders and records. We, the students of LHS, appreciate the time and effort the Foreign Language teachers have put forth to help us communicate in a foreign language.

## SUPPORTIVE SERVICES

Special people need special attention, and the special people at L.H.S. make no exceptions. Here at Lithonia, our supportive services are taken very seriously and are given much time and effort. Every day of the week, our "special" teachers guide and direct many students at Lithonia. The students are taught math, science, social studies, and English. Our teachers in Supportive Services are specially trained to develop varied and interesting activities for the hard-working students. Thanks goes to these "special" teachers for their time, effort, and caring.

# Social Studies

Although some students may think that Social Studies is unimportant, much of our lives is occupied in some way or another by this subject. A student spends almost as many years studying Social Studies as he does English. Much can be gained from history, geography, economics, political science, and sociology, all part of the Social Studies department of LHS. The Social Studies teachers have helped us to understand better the past and the present, and they have helped to direct us in making our decisions for the future.

# Science

Science here at LHS is meaningful to every student that has taken it. There are two ways to look at the Science Department. On one hand, science means hard work, long, complicated tests, and memorization. On the other hand, science means the excitement of experimentation in labs, of biological dissection, of learning how to operate new scientific equipment, and of studying the history and physiology of the human anatomy. Most students prefer to enjoy science rather than to dislike it. So, it is for this reason that we, the students of LHS, wish to thank all the science teachers for their time and especially for their efforts.

Does CHEMISTRY blow up your mind?

"All depends on whose Chemistry it is."

Stacy Swenck

"Yes, by adding  $\text{Na} + \text{H}_2\text{O} = \text{EXPLOSION.}$ "

Ricky Newman

How do you think science will benefit you later in life?

" . . . greatly since my proposed occupation is in the scientific field -- Medicine."

Lori Ingall

" . . . help you understand how nature works."

Chester Wilkins

# MATH

"Math!" When we hear the word Math we think of addition, subtraction, multiplication, or division. We often forget that Math is much more than that. Why, its lines, rays, angles, formulas, theorems, postulates, equations, sets, etc. From the time of Copernicus many people have thought that Math was fun and challenging. Here at Lithonia High we have everything from General Math to Trigonometry including Pre-Algebra, Algebra I & II, and Geometry. Whether you like spheres and triangles, or formulas and theorems, or just plain multiplication and division, you can take it here.

Good Grade."

Tim Reynolds

Do fractions make you feel  
like a  $1/2$ -wit?

"Yes,  $1/2$ -wit numerator  
&  $1/2$ -wit  
denominator!"

Terry Wheless

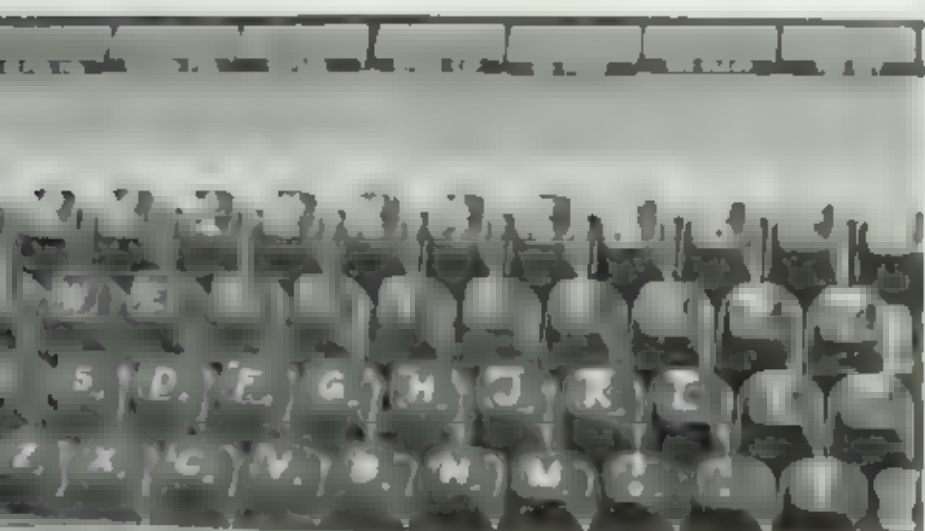

"No, with fractions,  
just as with  
any other kind  
of number, I  
feel like a  
whole wit. . ."

Ms. Neison

# BUSINESS

To help prepare us for our associations with the business world, L.H.S. offers fine business courses consisting of shorthand, typing, accounting, and business law. The business courses help students to get ready for college or even to start a job immediately after graduation. The high standards of our business department insures both efficiency and punctuality of the students. The teachers and students of this department perform an essential service to Lithonia High School by duplicating and typing instructional material.

# VOCATIONAL

The purpose of the Vocational Department at Lithonia High is to open the eyes of the students to the harsh realities of the working world. In order to do this, students are familiarized with the different occupations which might fit their personalities and special needs. Sometimes special trips are made to different companies and business enterprises so the student can see first hand how a job is actually done.

The Vocational Department offers four courses including Coordinated Vocational Academic Education, Diversified Cooperative Training, Program of Education and Career Exploration, and Vocational Office Training. The people in this department do a great job in placing students in working positions and in helping them to understand how to succeed in the working world.

# Art

Lithonia's Art Department is busy these days. Working through programs of Industrial Arts, mechanical drawing, drafting, pottery, painting and other such programs, students are given a chance to express their artistic talents and abilities. Sometimes our Art Department contributes by decorating the main hall for seasonal holidays. Keep up the good work, all you Michaelangelos!

## Home Ec

The Home Economics Department here at L.H.S. teaches many students the basic steps of homemaking. Programs such as sewing, cooking, economics and child care help to further prepare these students for their adult lives and for greater contributions in their future households. Bachelor Home Ec is now being offered to boys. Consequently, both sexes can experience the joys of homemaking. Hurrah to the Home Ec Department.

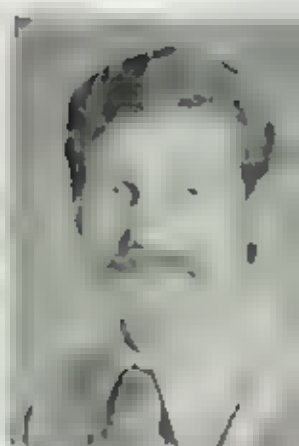

# PHYSICAL EDUCATION

Physical Education is an important part of any student's schooling because a body in good shape helps the mind to function better. The P.E. Department of L.H.S. shows us a wide scope of different types of sports ranging from football and basketball to archery and golf. Eighth and ninth grade students are required to take one quarter of health and two quarters of P.E. All through the year our P.E. Department is busy helping students develop their bodies along with their minds.

Folk Guitar,  
Chorus

## CHORUS

The Choral Department here at L.H.S. is enjoyed by a variety of students. Working every day, the students who are divided into various choirs perfected songs and musicals, which they performed throughout the year. While these chorus students worked hard, another class, newly formed at L.H.S. this year, was busy at work. The Folk Guitar class gives students the opportunity to express themselves by playing folk songs on the guitar. All of the students in the Choral Department deserve a pat on the back for their hard work. We are proud of all our future Streisands and Sinatras!

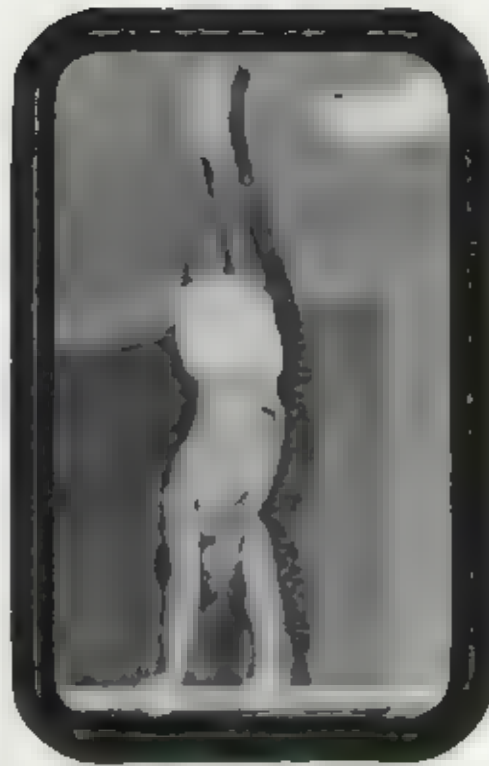

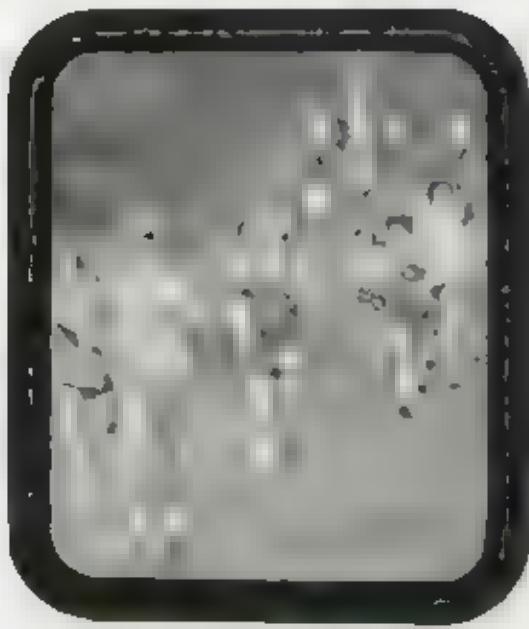

# BAND

Many people like to express themselves by playing a musical instrument or by composing music. These reasons explain why students here at LHS enjoy being a part of the band. The members of the band have a chance to participate in various activities such as arranging and performing half-time shows at football games, going to spring festivals, and performing concerts for the students and parents of the community. Also, at LHS this year, students have been given a chance to participate in a newly organized string instrument orchestra class. Our band is definitely the best; it is a band of '76.

That's the

## Varsity Football

### A Man's Game

Our Lithonia Bulldogs were a determined high spirited team throughout the 1975 season. Despite their scoreboard record, our team should be regarded highly for the way they pushed on through the losing season. We want to thank you, Bulldogs, for being our football team and for trying the outstanding way you did. Although not shown by game scores, many hours of hard work went into this year's season. We, the student body of Lithonia High School, look up to you, our Football Team, as an example of pride and school spirit of which both are a big part of our school.

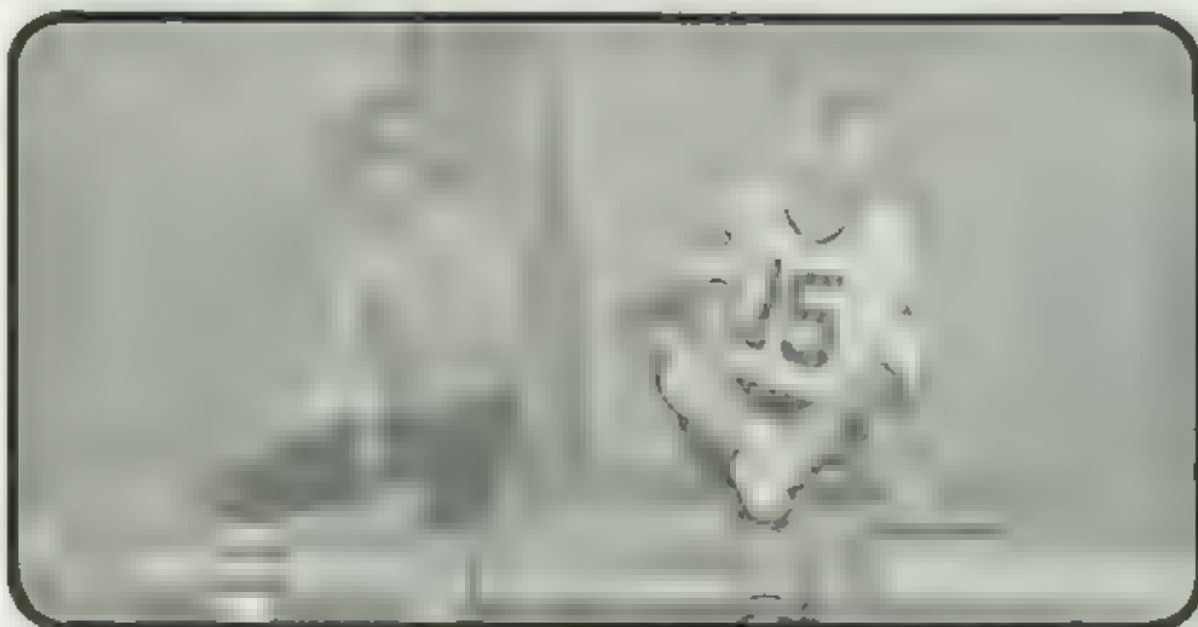

Cox on the carry

## In Preparation

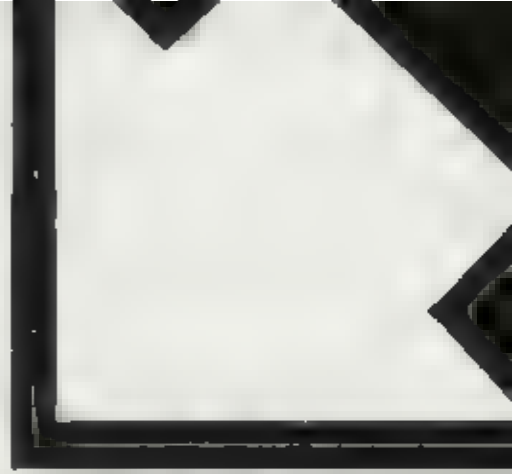

for each oncoming game the Bulldogs practiced hard. Before each game the team faced a long, hard week. They practiced three and often four days in full gear. On the day of the game they received a boost of spirit at the pep rally. They ate their meal together before going down stairs to get dressed and taped. They then simply relaxed and anticipated what the game had in store for them.

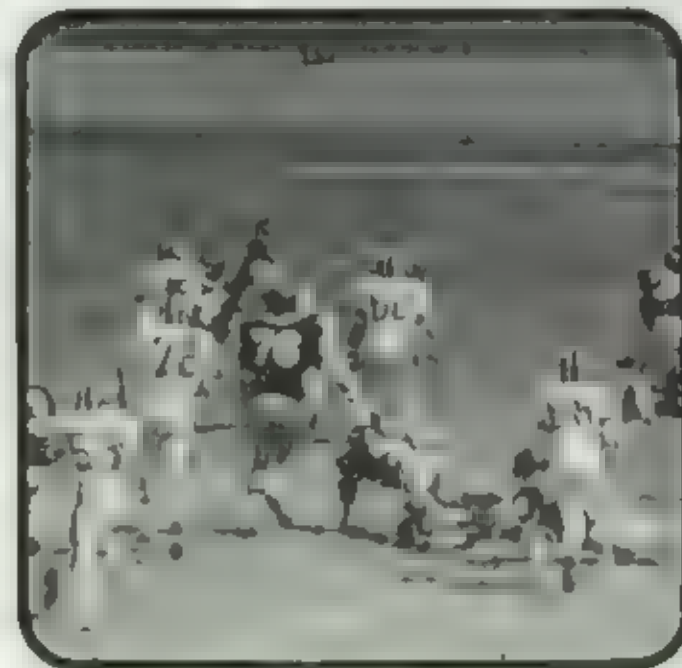

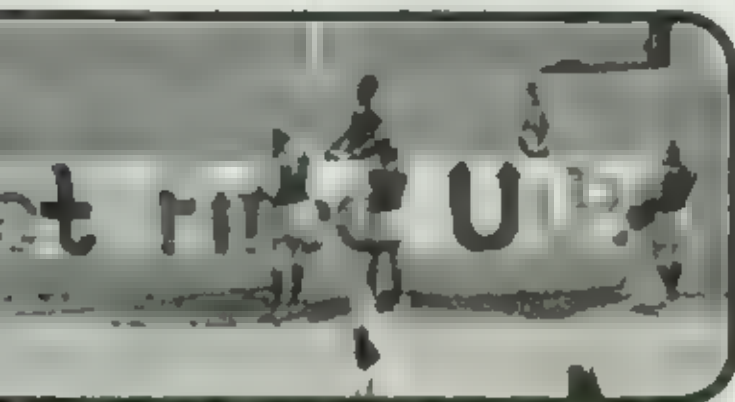

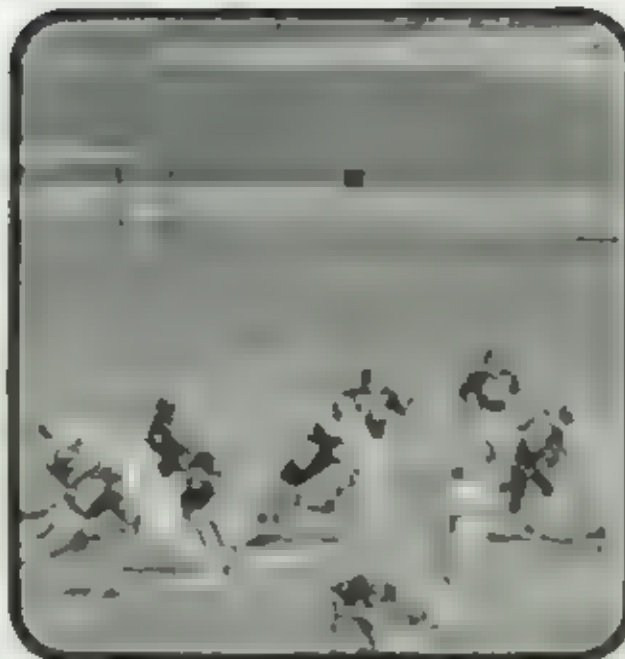

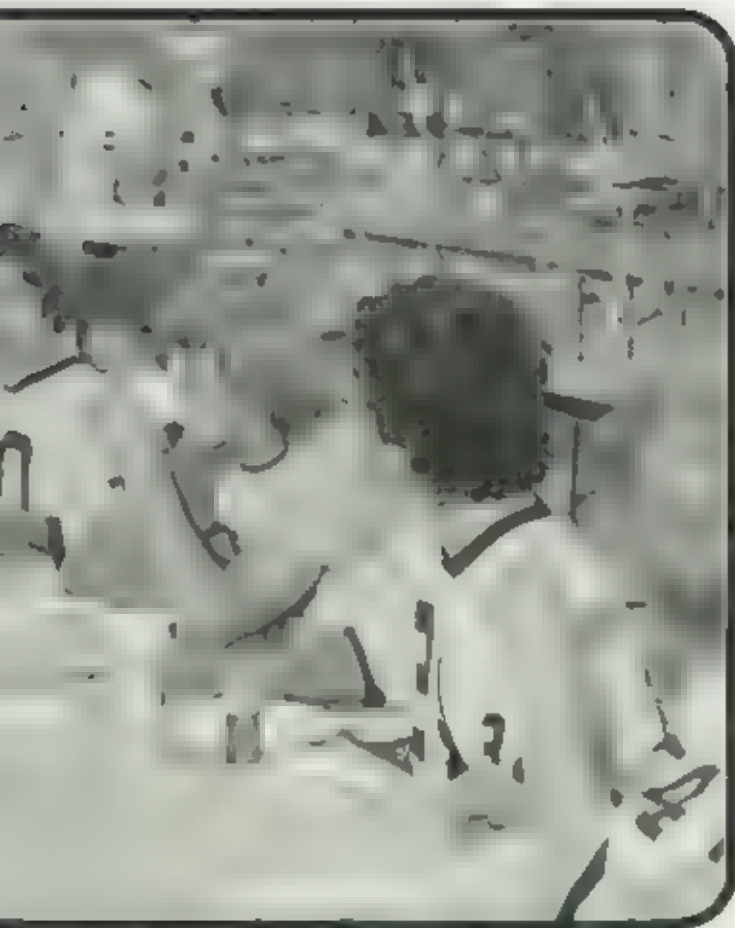

It was a rough season, but football is a rough sport. The record for this year was 2-8. This was the worst in seven years, but the dogs will be back next year. Although the '75 team is losing many seniors this year, there are many promising athletes coming up.

On behalf of the annual staff we commend the 1975 Varsity Football team!

Coach Crawford and Coach Wade have led this year's B- Team to a season of much experience. Practice and hard work, combined with time and patience have produced tough athletes with much potential. Our B-Team worked diligently on fundamentals and improving their skills. Each player prepared himself for the difficult years of Varsity football ahead.

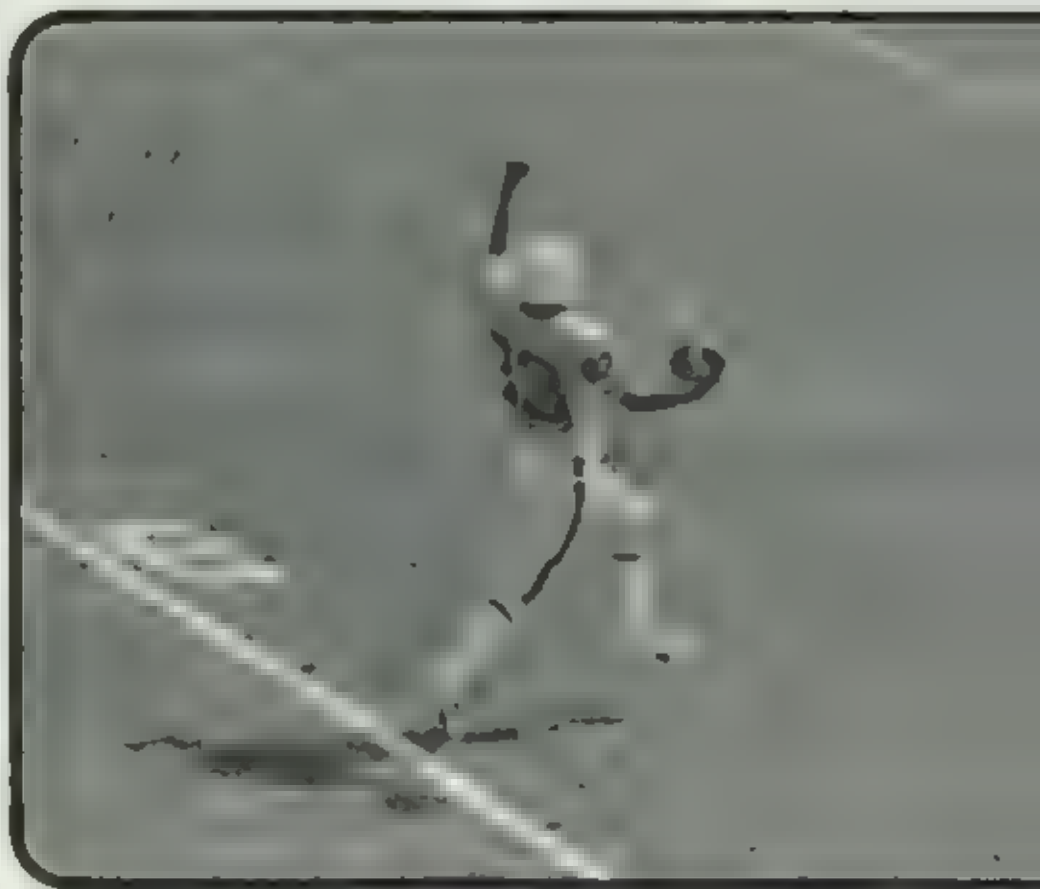

## B-Team Football Is . . .

Crawford, Coach Wade.

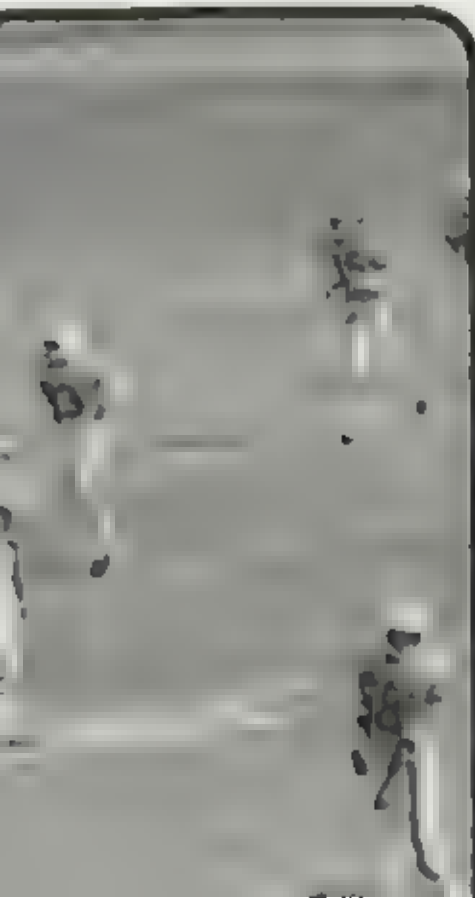

The eighth grade players showed outstanding athletic abilities this year. These dedicated young men created a 6-1 season out of what seemed to have been a hopeless one. While performing throughout the season, the players showed great enthusiasm. They are to be recognized for their determination, unity, and willingness to play as a team.

## 8th Grade Football

With Coaches Tony Wade and Hugh Barbee, these eighth grade men left the 1975 season with pride. Pictured, are: C. Abbott, V. Allen, R. Anderson, P. Barnett, T. Barnett, C. Benson, L. Bridgeman, H. Brown, S. Champion, A. Christian, L. Clements, S. Cook, S. Cross, W. Davis, A. Dobbs, T. Donahue, M. Dorsey, J. Dunn, H. Durden, S. Ferrell, R. Flanigan, L. Foxworth, W. Franklin, D. Gaffney, J. Gunnells, F. Guthrie, R. Hagadone, L. Hensley, D. Hicks, R. Hovis, E. Howard, D. Hughes, J. Inchaustequi, F. Johnson, R. Keith, C. Kelley, R. Long, B. Mitchell, T. Nunnally, P. Park, R. Parks, C. Wallace, M. Weaver, K. Wells, T. Whitehead, R. Whitley, J. Woods, R. Woods, T. Woods. Coaches: Coach Barbee, Coach Wade

# 1975 CROSS COUNTRY RUNNERS

The 1975 Cross Country Team members were as follows: FRONT TO BACK, LEFT TO RIGHT, J. Hudkins, M. Sheehan, B. Owens, R. Fowler, C. Southern, G. Hilbert, B. Darling, M. Passmore, R. Newman, M. Pope, G. Davis, Coach McReynolds.

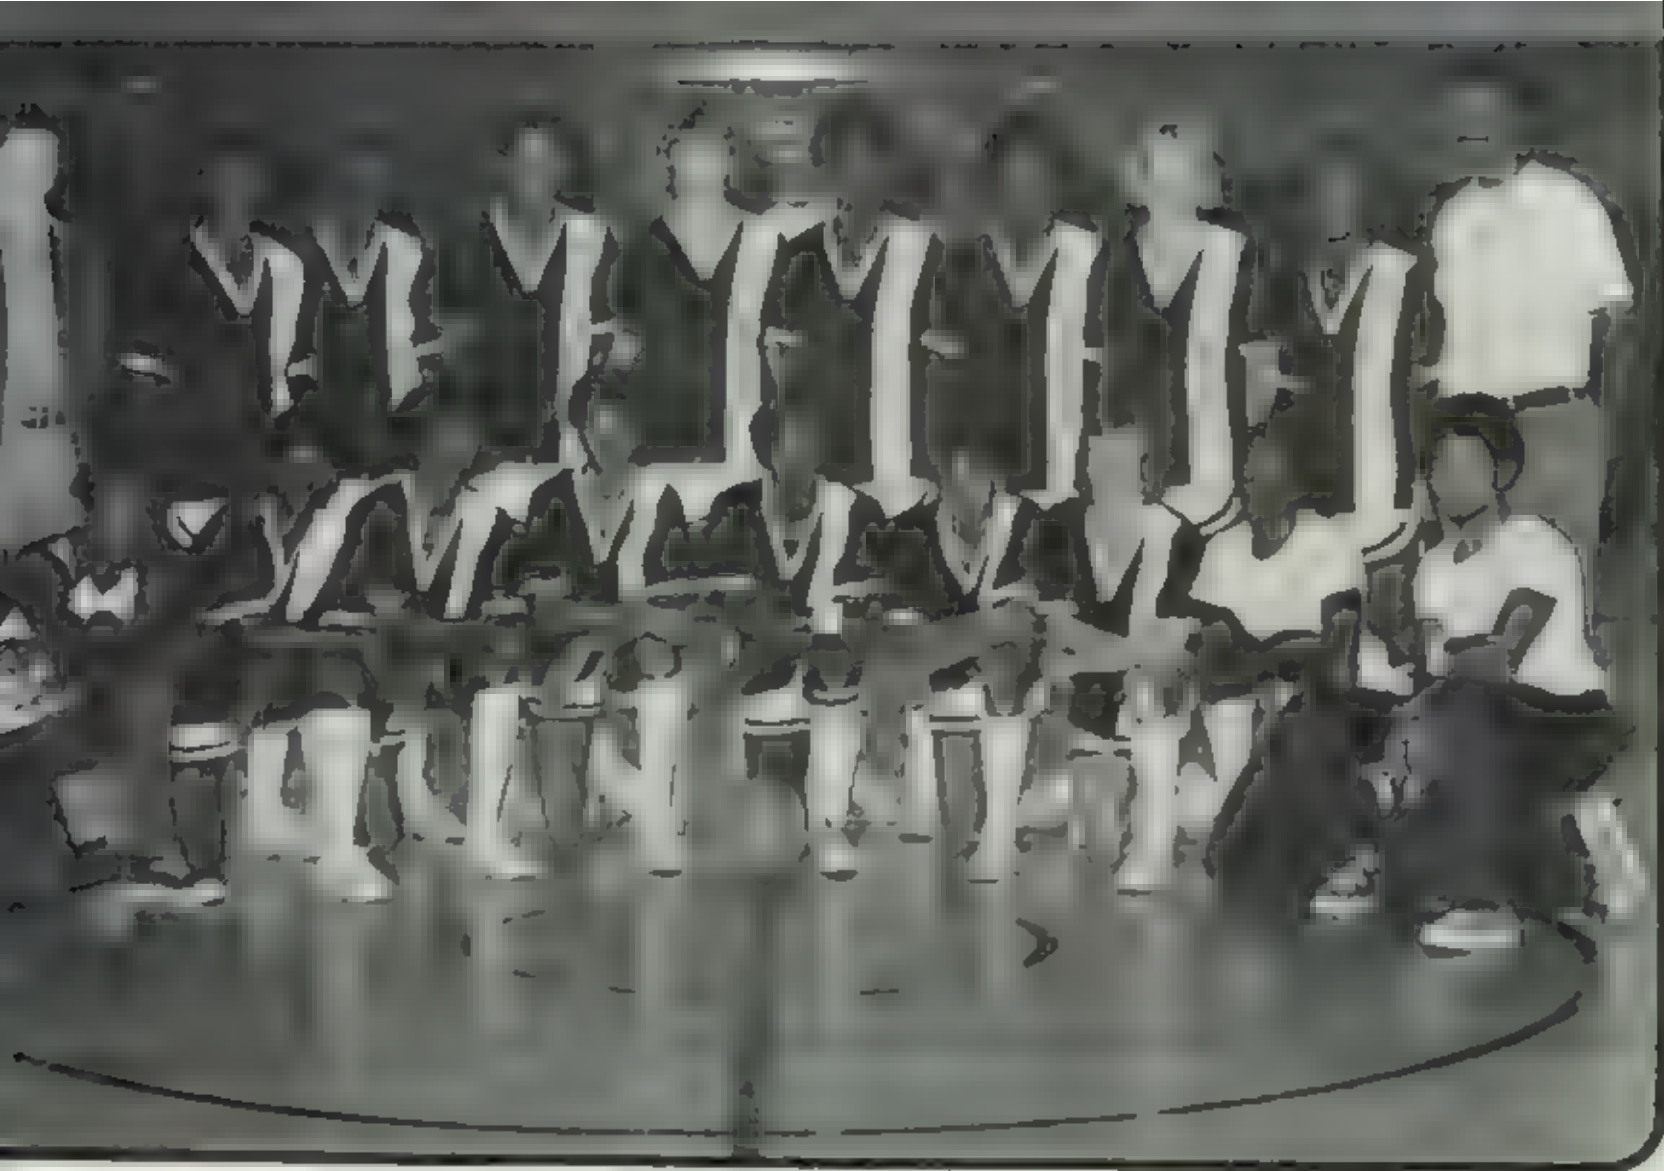

The 1975 B-Team Cross Country Team members were as follows: LEFT TO RIGHT, W. Ghee, B. Fulford, D. Wood, C. Fears, R. Scott, W. Scott, M. Duff.

Run, Run, Run, over hills, some mountains, through creeks, some rivers. The runners on our Cross Country Team here at Lithonia deserve a great big pat on the back and much praise along with it. They run with much pride for our school and in return we are proud of them and their many accomplishments. We thank you 1975-1976 Cross Country Runners for an outstanding season.

TOP TO BOTTOM, LEFT TO RIGHT: M. Daniels, P. Guthrie, T. Tuggle, L. Saddler, J. Bruce, A. L. Johnson, F. Champion, B. Correll, M. Broughton, Coach Atkins, D. Johnson, M. Hight, V. Harper, S. Fallen, R. Daughtery, L. Benefield, D. Jones, L. Carter, B. Guthrie

## Boy's Varsity Basketball

"Each team has its own personality and this Bulldog team is no exception", stated Coach Chat Atkins in reply to the question of the willingness to work and determination of the 1975-1976 Bulldogs.

"The boys to this time show signs of leadership, closeness among the players, and a one for all attitude.

'This is not a team of superstars but a team of average players who are determined to leave their name carved in the rich tradition of LHS basketball.'

This year's Varsity Basketball team was an exceptional team. After losing five of last year's starters, many were skeptical as to how the young team would perform. Their doubts vanished, however, as the 1975-1976 team dribbled their way through the season. They won the support of their Lithonia fans and closed the season with a successful record.

**GET THAT BALL**

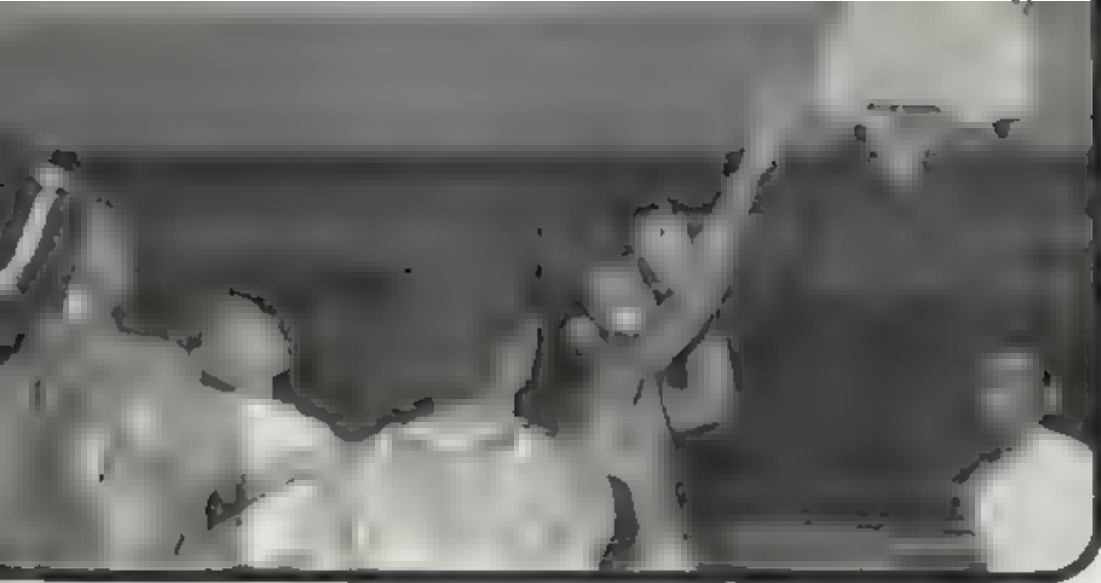

**YOU FOULED A MAN**

**LISTEN TO THE NETS**

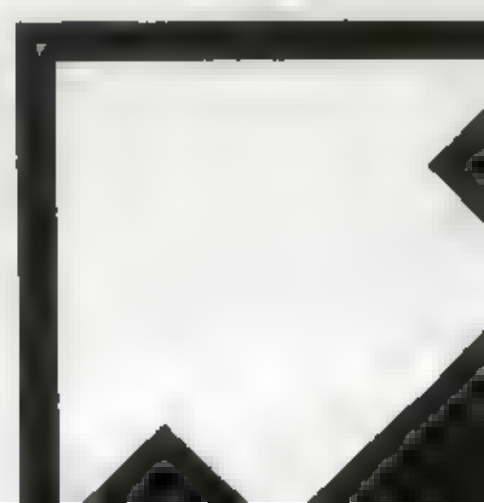

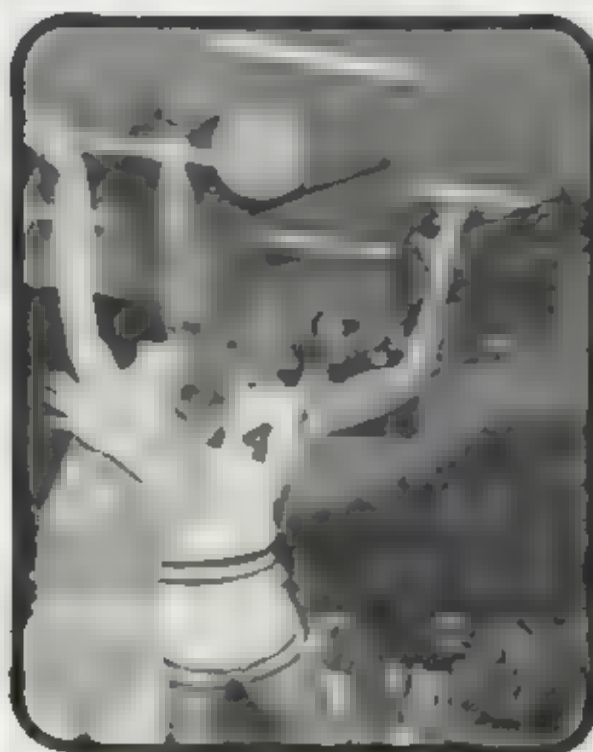

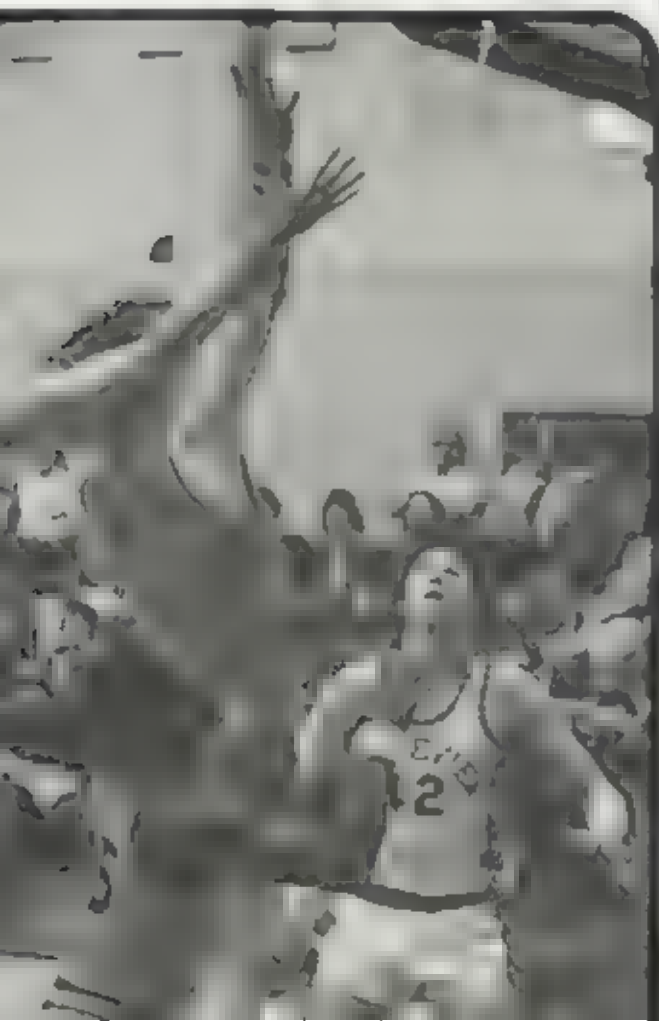

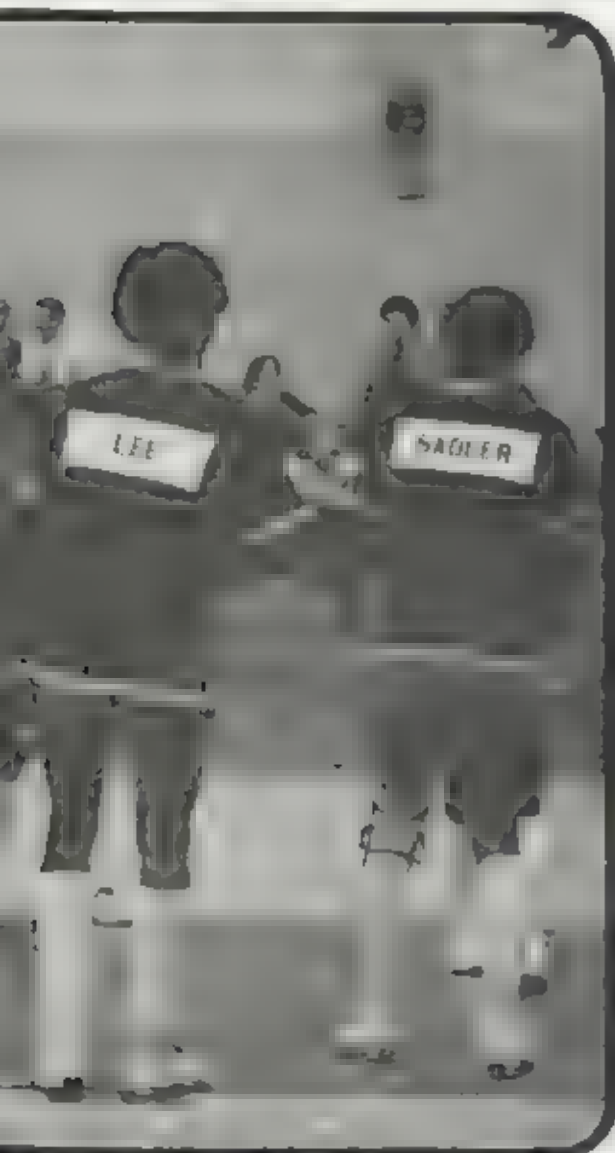

**WHOOSH!!**

Spirit and pride--those are what the 1975-1976 Bulldogs were made of. Although their season wasn't as was hoped it would be, they still came out on top of the charts. The highest scorer of the 1975-1976 season was Lorenzo Sadler. He averaged 23.6 points a game. The next highest scorer was Arthur Lee Johnson who averaged 10.1 points a game. Five young men graduated from the 1976 Bulldog team this year: Mark Broughton, Johnny Bruce, Frank Champion, Arthur Lee Johnson, and Lorenzo Saddler. The Annual Staff would like to congratulate the whole team for a tremendous job.

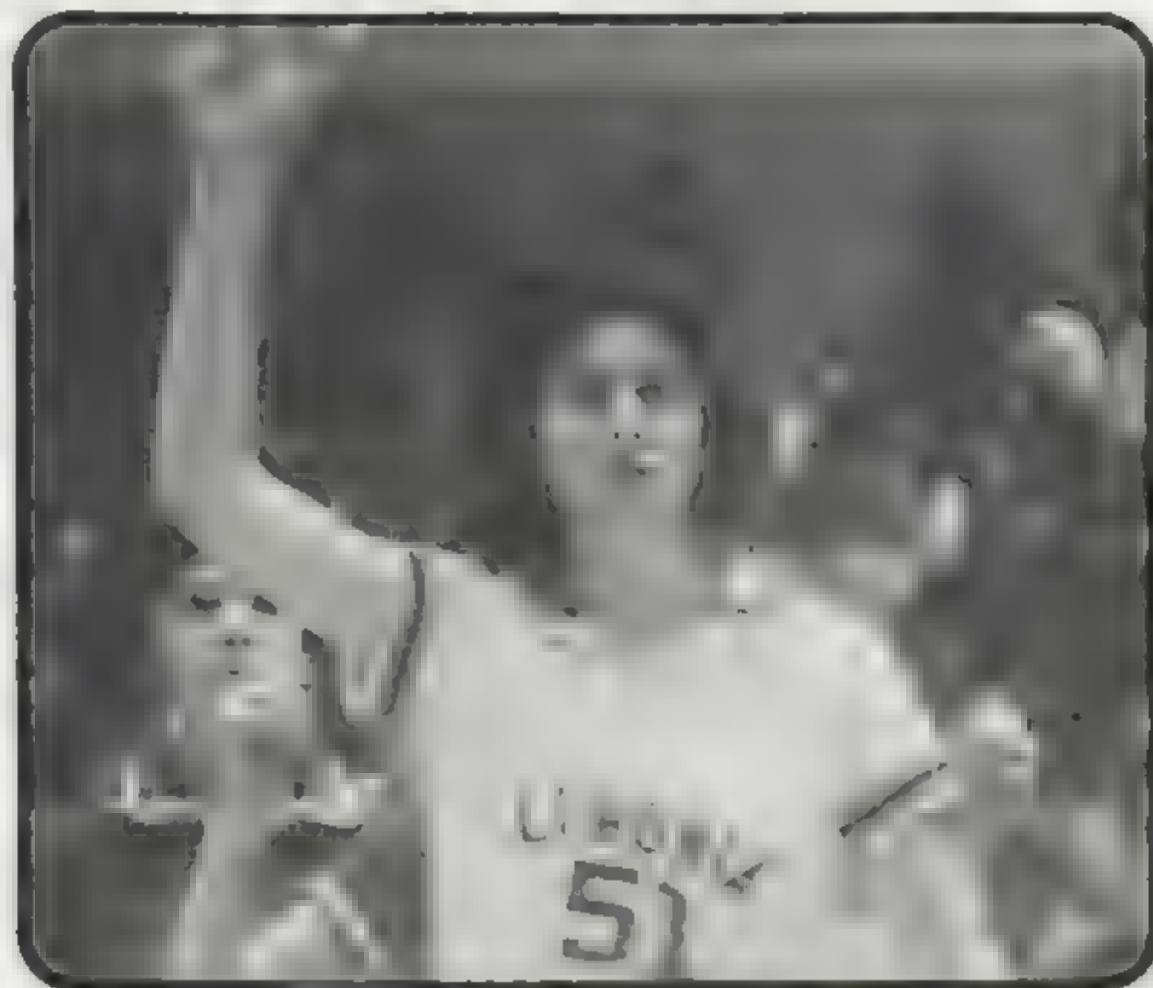

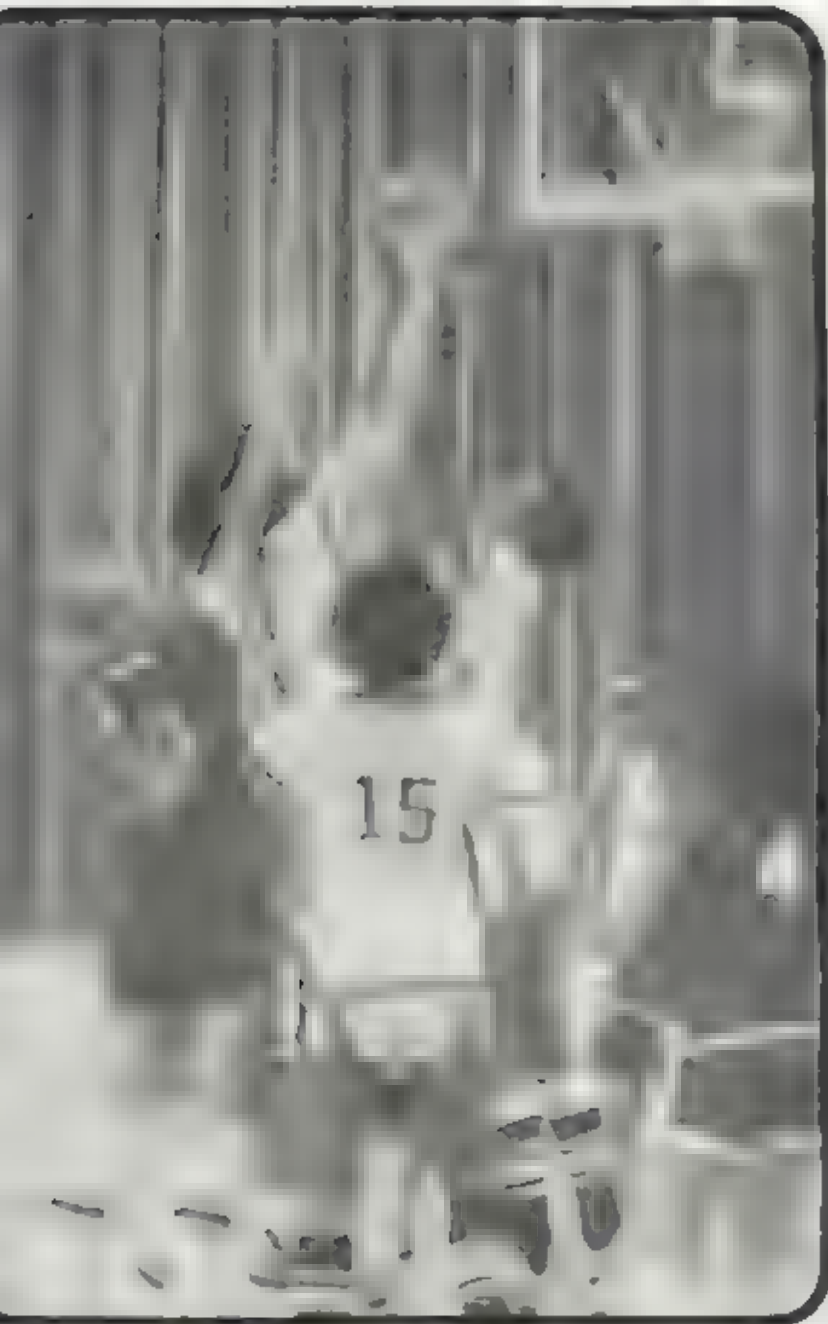

## 1975-1976 Girls' Varsity Basketball

FRONT TO BACK, LEFT TO RIGHT: P. Ghee, L. Fretwell, R. Norris, T. Cartledge, T. Fallon, G. Freeman, P. Shaw, Coach Roberts, R. Guthrie, G. Fallon, P. Ingram, A. Collins, L. Harris, G. Champion, A. Bryant, L. Patton.

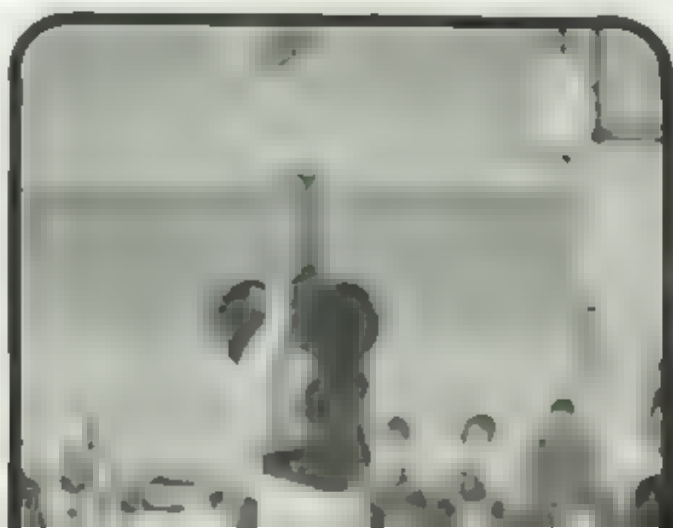

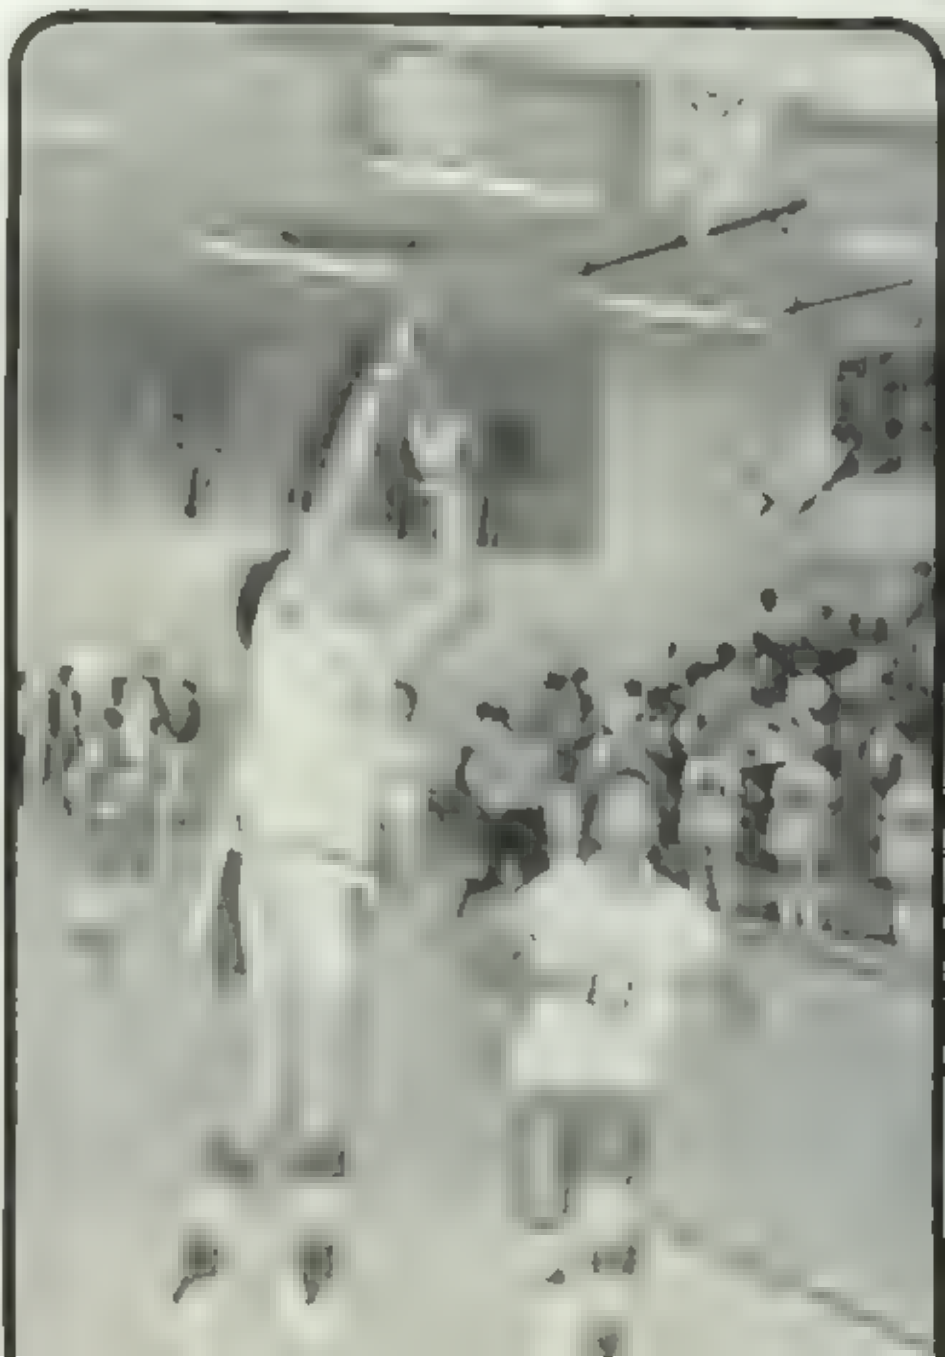

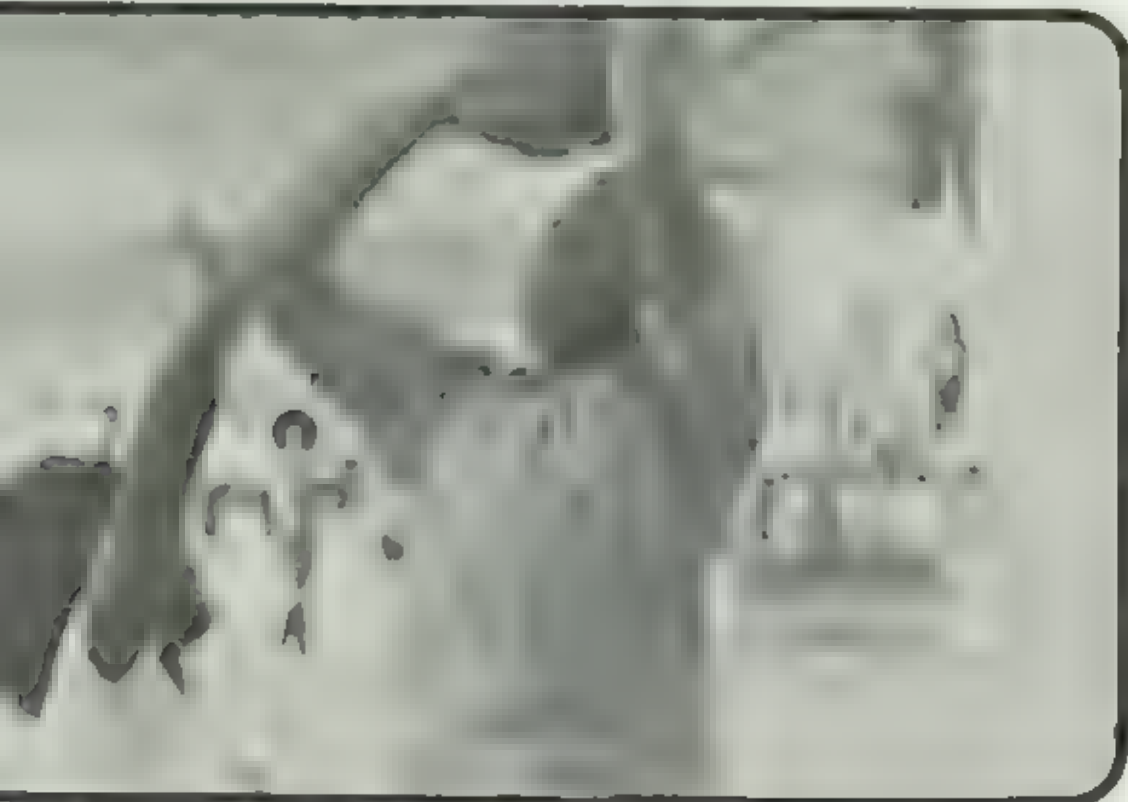

Region 5-A Champs

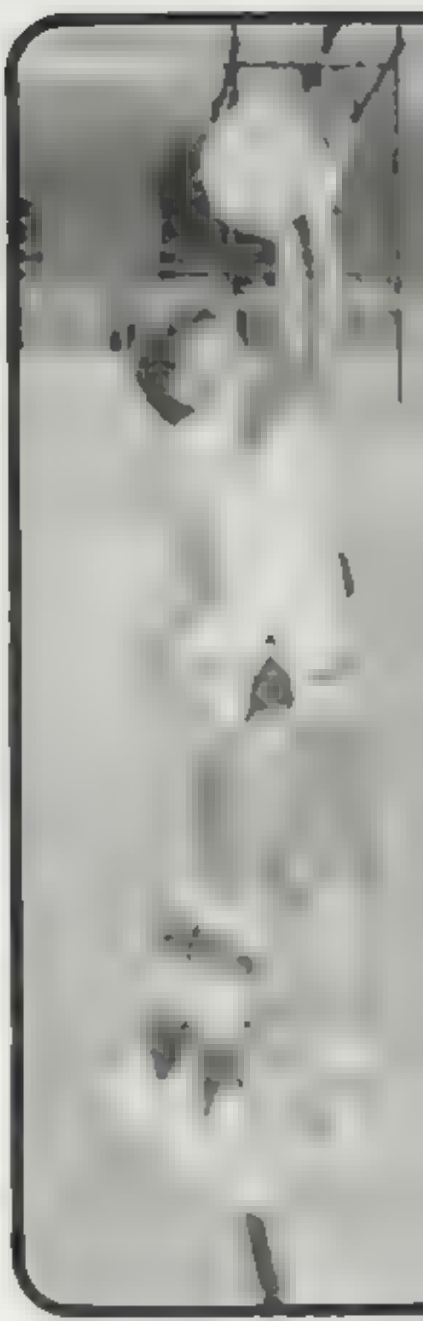

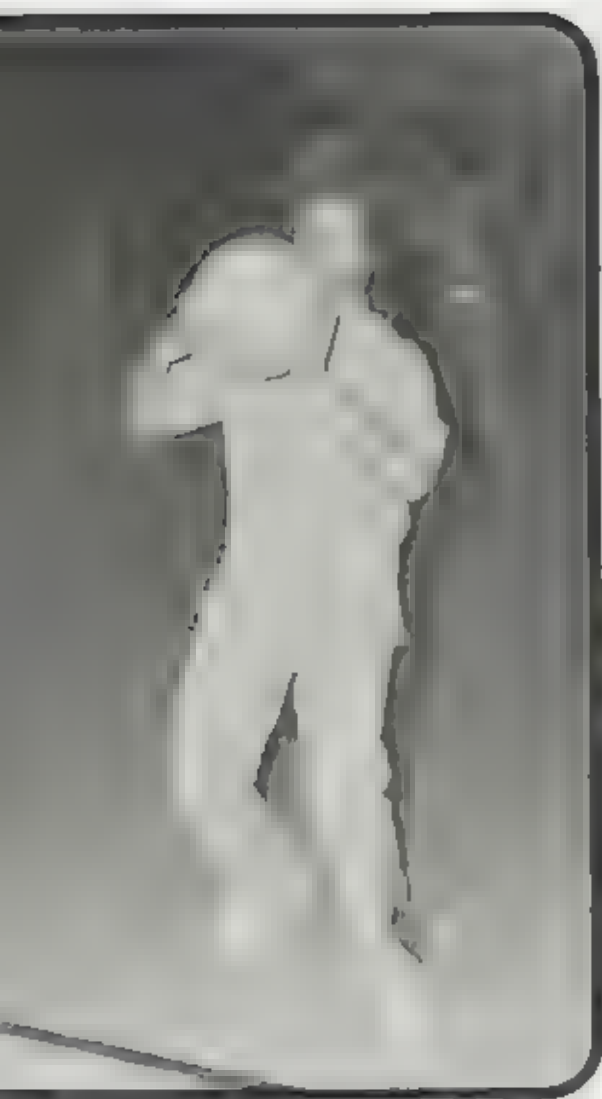

Every time you see Annie, Cynthia, Patricia, Lisa, Tarey, Connie, Ann, Tracey, Robin, Lori, Regina, and Gwen tell them All the Way to State!!

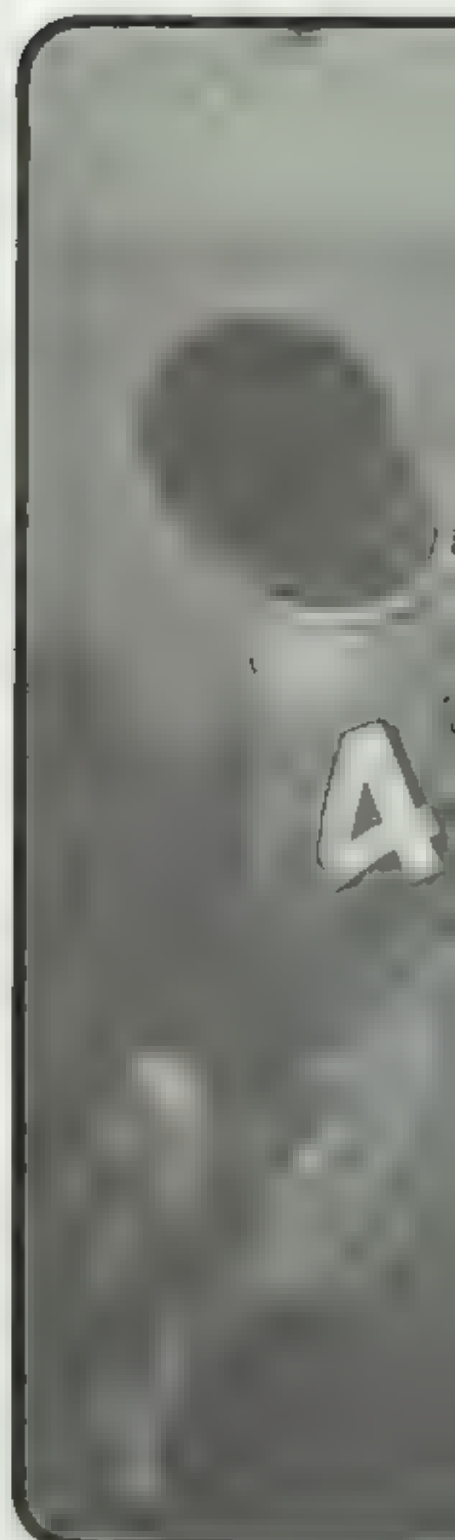

In earlier years girls have always been recognized as outstanding athletes. Much has changed since, especially at Lithonia. When describing the girls' Varsity Basketball at Lithonia school, the words determination, might, practice, more practice and in the end, victory, come to mind. Our girls work hard along with the leadership of Coach Billie Roberts. The 1975-1976 team showed much quality, as has been and will continue to be a tradition at Lithonia. Congratulations, girls, for an tremendous season.

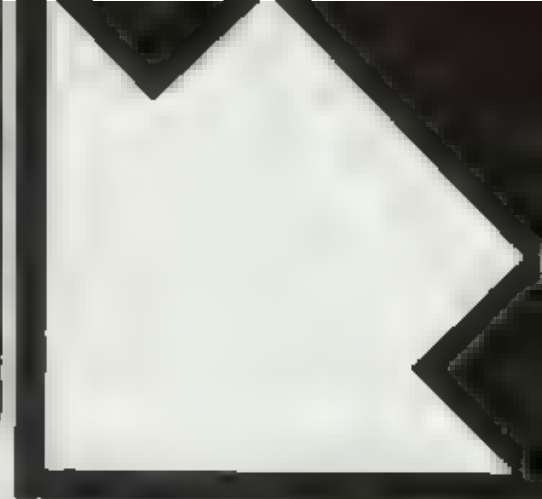

## B-Team Basketball

monds, G. Hammonds.

## The Boys,

under the leadership of Coach Dwight Fern, have had a successful season. These men have shown much team organization and spirit. Boy's B-Team Basketball this year could be summed up as quick and aggressive. Though lacking height, they made up for it with hustle and determination. Learning from each opponent they faced, the B-Team players grew closer to the image of the Varsity Bulldogs.

The dogs' season started off a little slow, but as the year progressed, it proved to be a season of much reward and learning. The team itself held a lot of potential and displayed its hard work by the results of the season. We would like to congratulate these players on their outstanding season this year!

# B-Team Basketball

## The Girls

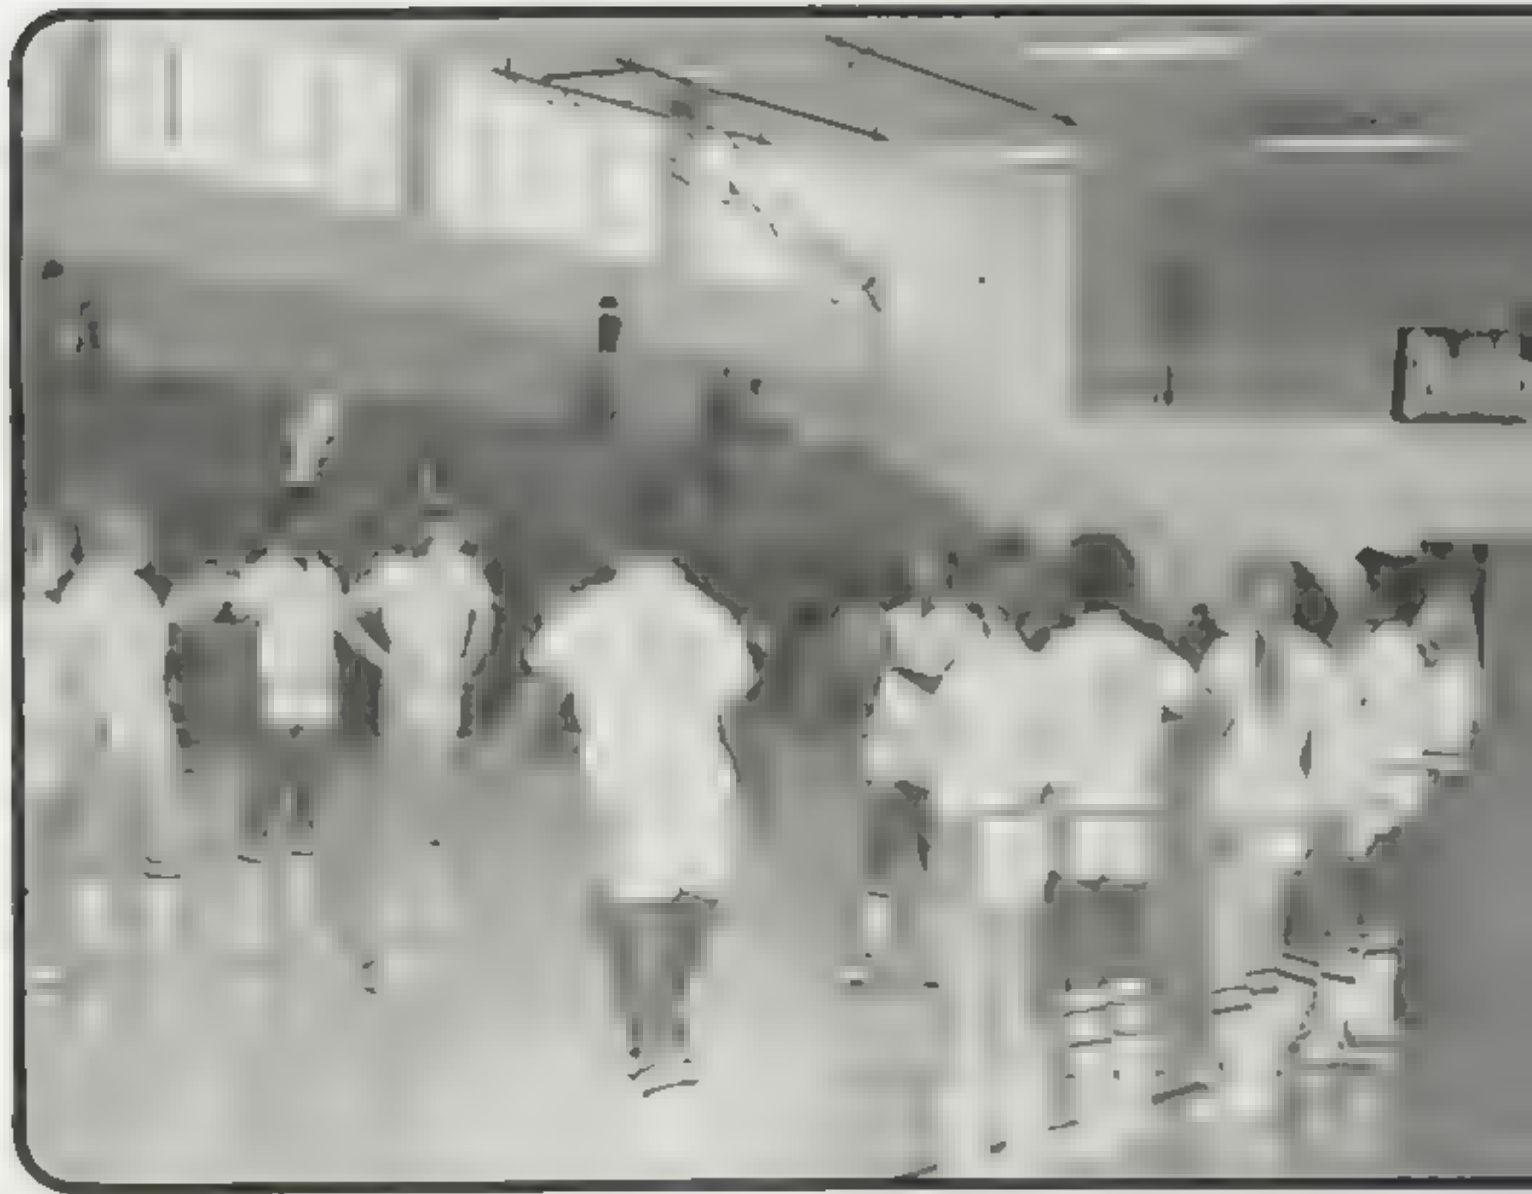

had a challenging season. New rule changes and a longer schedule made the season rough. The girls had to play under these conditions because they are the Varsity of tomorrow. These girls gained experience that will help them reach their goal as Varsity Basketball players. Scrimmaging against the Varsity made practice harder. Before the season got underway, the girls squared off against the Varsity girls for four, ten minute periods every Friday.

Under the new leadership of Coach Mullins the girls had a successful season. They deserve a pat on the back from us all.

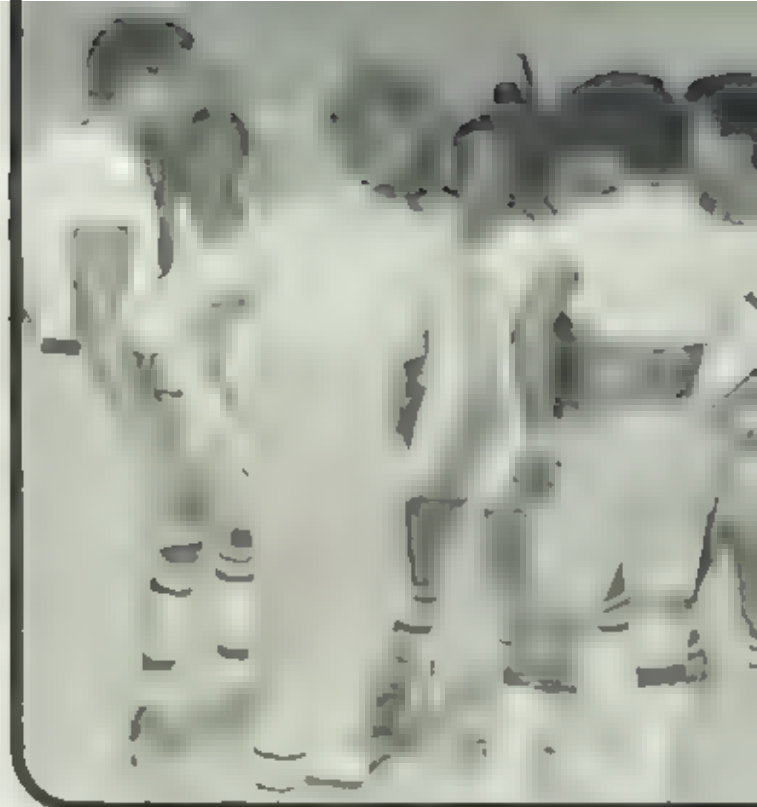

L.F. to RT. TOP TO BOTTOM: Coach Mullins, B. Lester, R. Meadows, M. Gauthier, P. Carter, D. Gutherie, L. Spinks, S. Cowan, L. Webb, C. Swanson, S. Reynolds, B. Broughton, C. Andrews, R. Chimney, A. Payne, A. Walter, S. Brown

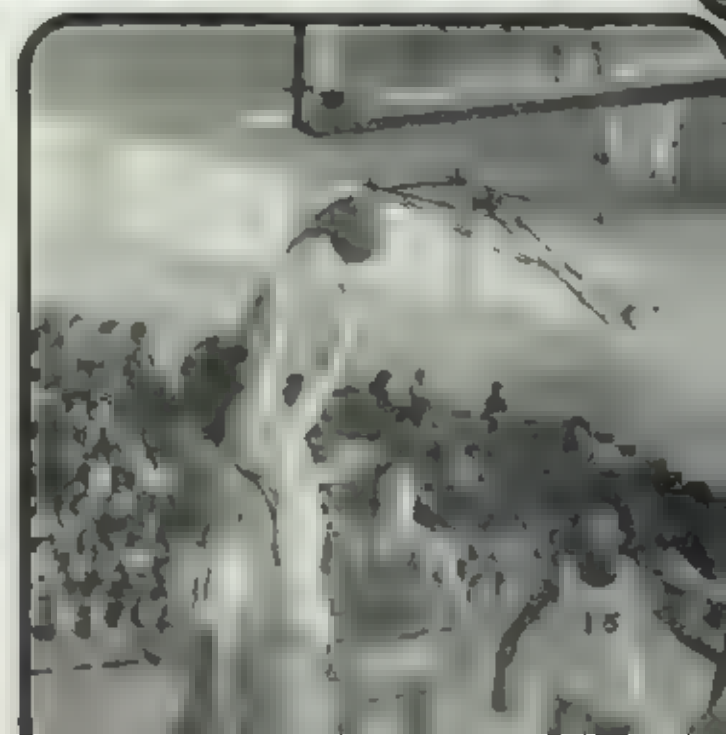

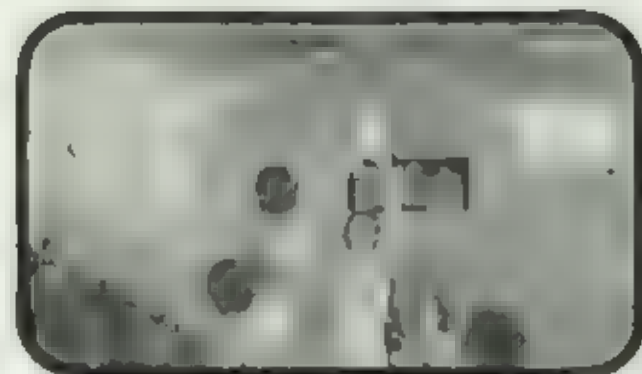

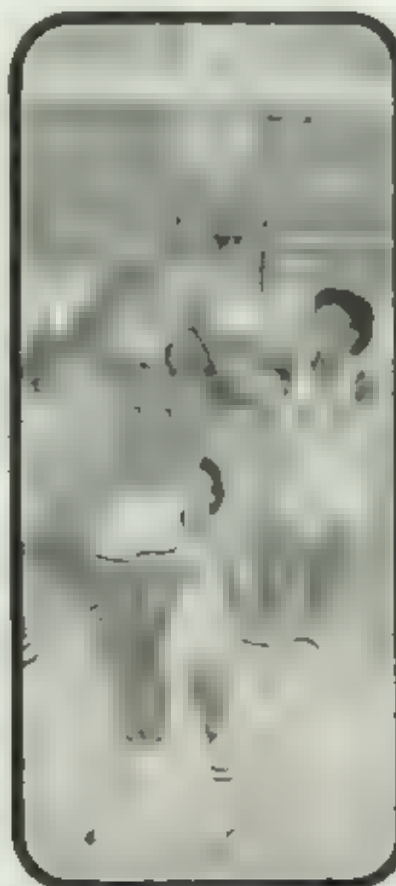

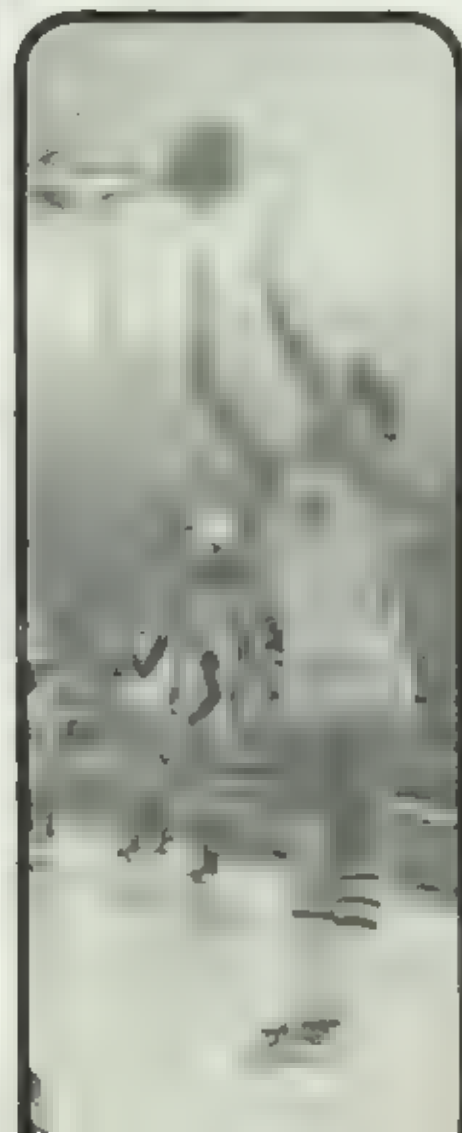

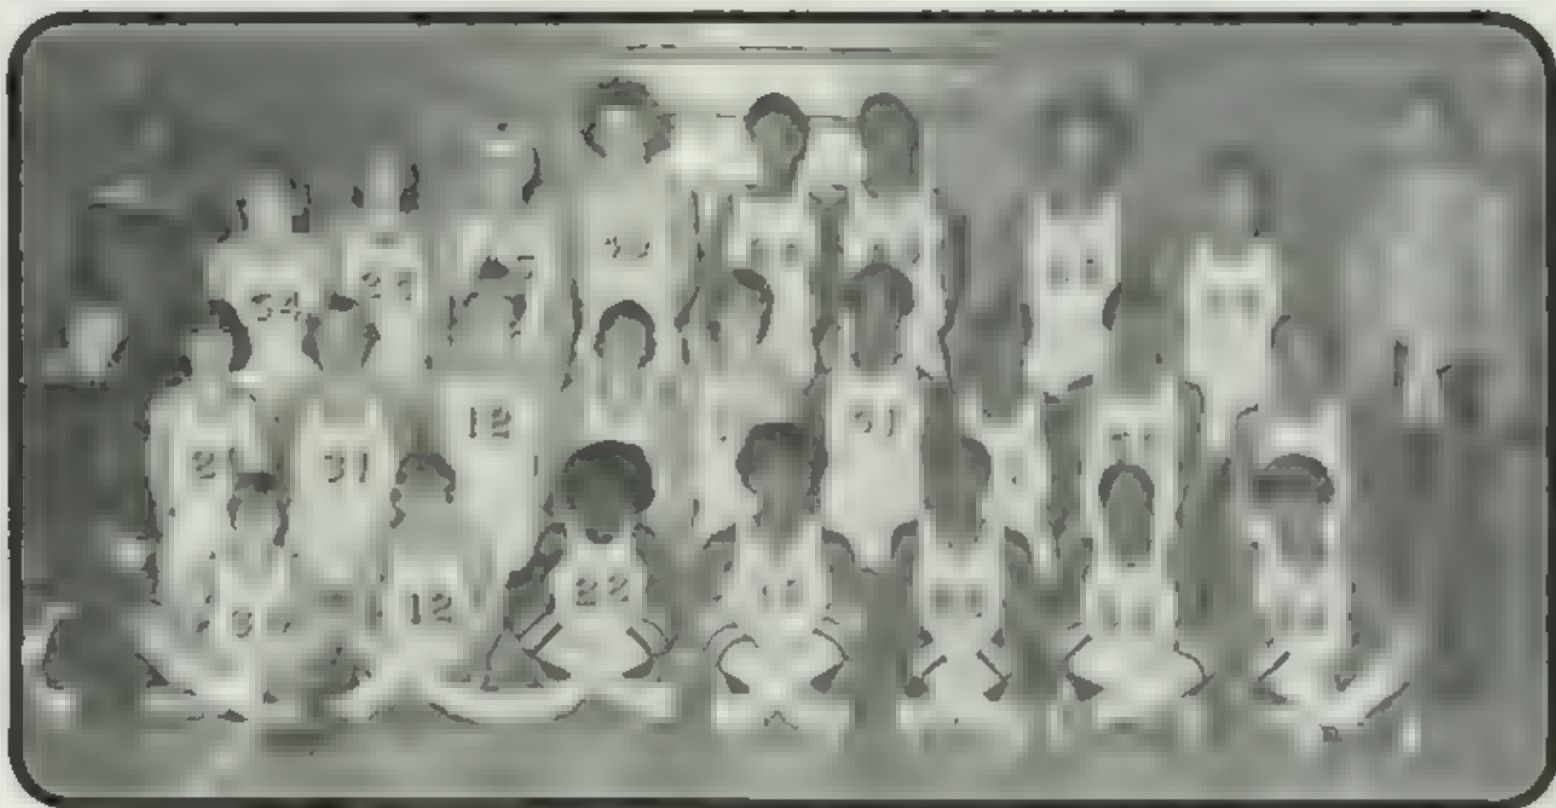

# 8th Grade Boys' Basketball

The 1975-1976 8th grade boys' basketball team was coached by a new teacher at L.H.S., Mr. DeWitt Walker. Coach Walker stated that throughout the season, the young men showed a desire to learn, high spirit, and great potential. They had practice everyday from 4:30 to 5:40. The team did exercises such as rebounding, figure eights, and lay-ups. The eighth graders were victorious by showing a good team effort. These eighth graders will be our future stars at L.H.S.

# Girls' 8th Grade Basketball

The eighth grade girls had an exciting season this year. Under the coaching of Mrs. Sue Ledford they were led to many victories. Mrs. Ledford described the team as being full of spirit and potential with a desire for team growth. The girls practiced every week day from 3:30 until 4:30.

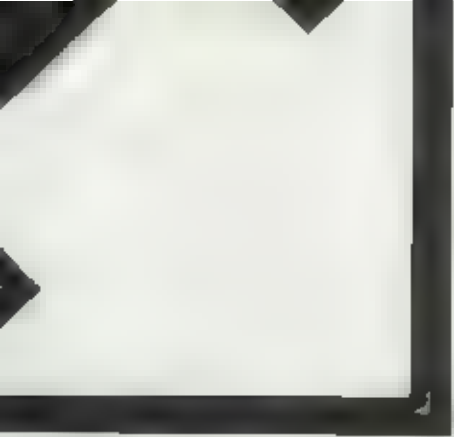

Their daily practices consisted of running laps to stay in shape. In addition they also ran lay-ups, practiced rebounding, one on one defense, and other various fundamentals. This season was one for learning, and Mrs. Ledford believes that each girl has excelled in the fundamentals of the game and deserves equal recognition.

FRONT TO BACK, LEFT TO RIGHT: G. Tuggle, P. Freeman, G. Maye, S. Usher, B. Sangster, S. Harris, G. Sanders, A. Green, B. Brown, B. Echols, K. Graville, L. Swenok, S. Woodall, B. Morris, G. Henderson, C. Kelly, L. Webb.

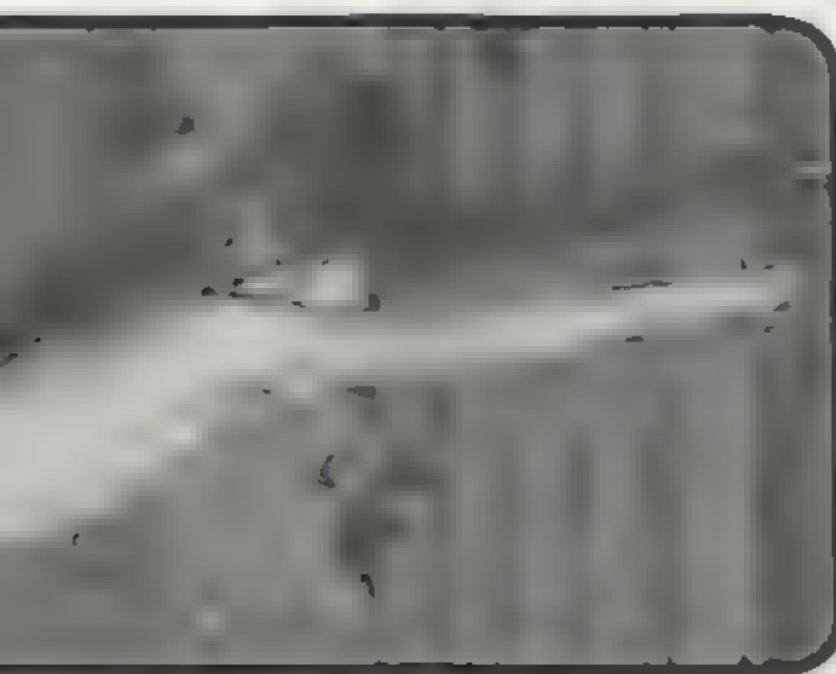

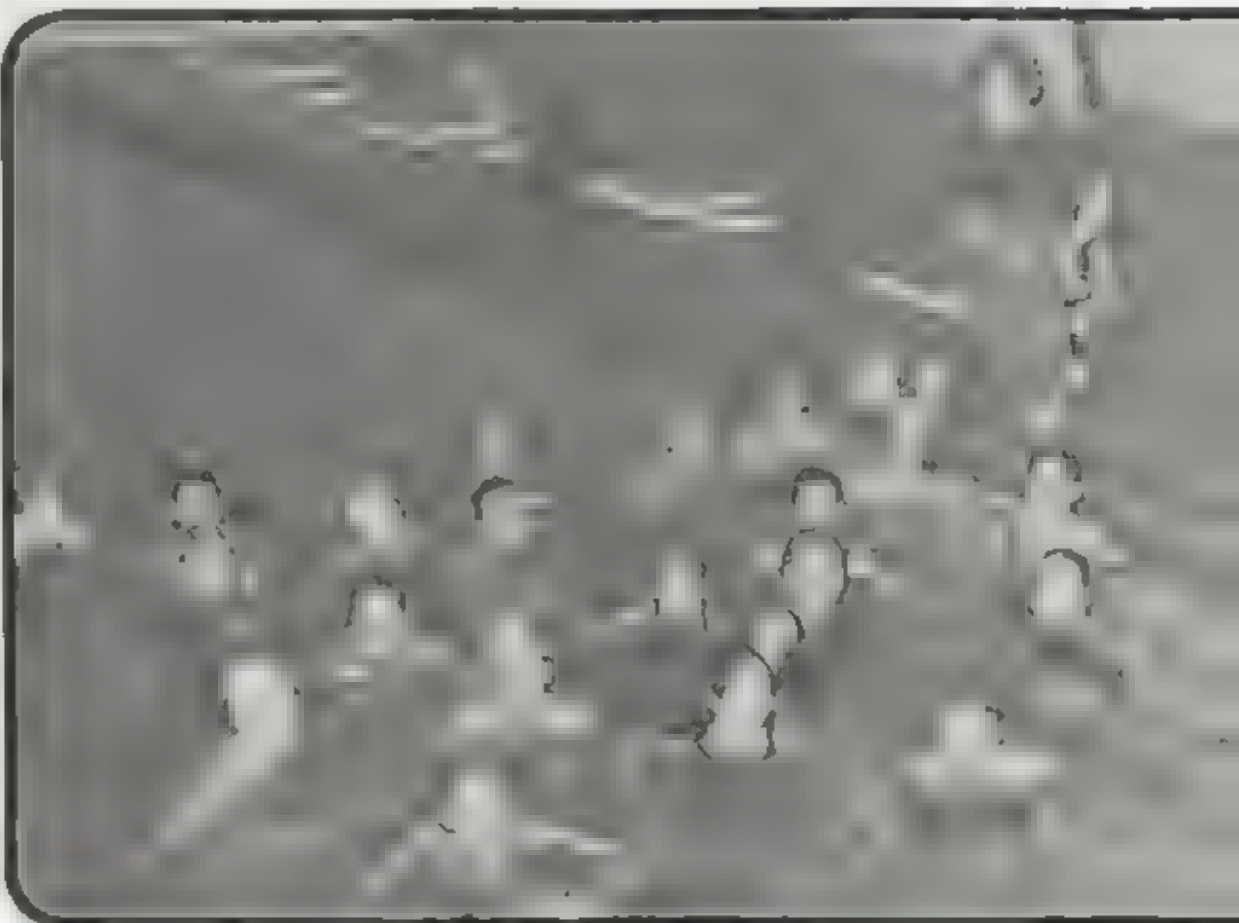

## The Bullfrogs

Swimming is a new sport at LHS. The 1975-1976 school year brought this sport back after being introduced for the first time last year. Coached by Mrs. Diana Woodruff, participants practiced at the Columbia High School pool and put many hours of under-water activity into their schedules.

Members of the 1975-1976 Lithonia High School Swim Team were as follows:

M. Ballard, G. Benquist, K. Brantley, B. Byron, R. Careri, B. Caraway, E. Caraway, P. Crawford, T. Gardley, R. Garner, J. Gentry, S. Hallock, J. Hendricks, G. Heninger, B. Luxemburger, N. Mays, B. Mays, D. Miller, M. Miller, R. Newman, J. Oglesby, K. Replegle, W. Runyan, C. Southern, H. Southern, E. St. Aubin, K. Trichel, L. Hart, J. Bryan, K. Cockrum, K. Gardley, K. Luxemburger, P. Park, J. Schubach. Coach: Diana Woodruff.

## Wrestling

is an individual sport that requires physical and mental capability. Lithonia has always been on top in Wrestling because we have the athletes that fulfill these requirements. Our wrestlers are very dedicated. Anyone who has seen them compete could verify this statement. Wrestling is a sport which requires much concentration and maturity. While teaching these young men self-defense, wrestling has also taught Lithonia wrestlers to never give up the fight. Under the leadership of Coach Barbee and Coach Inglis, the wrestling team has excelled quality wise, and record wise. The latter was by finishing second in State Competition for the 1976-1975 season. Thank you L.H.S. Wrestling team.

Also, we would like to commend Arty McGuire, a senior at our school for taking first place in State Wrestling Tournaments for four consecutive years. A special "thank you" goes to this outstanding athlete.

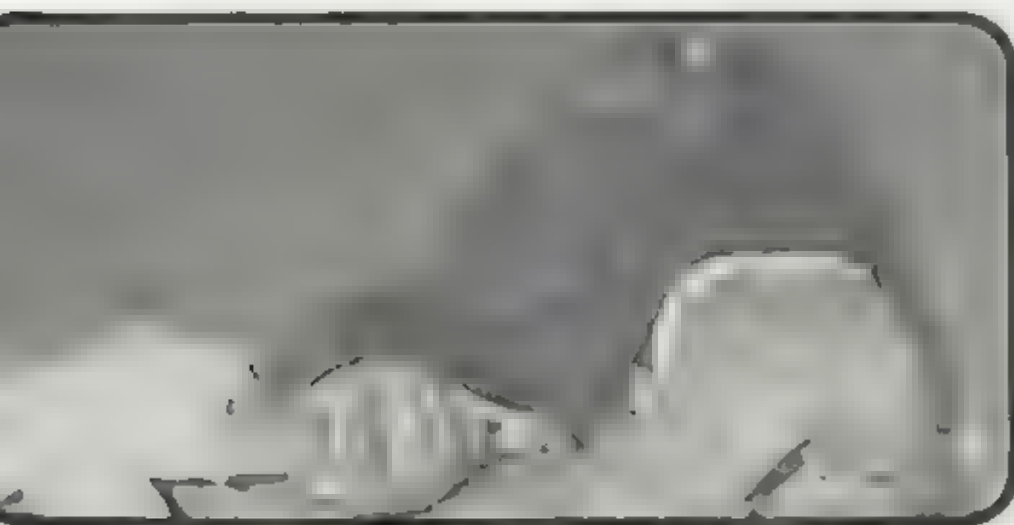

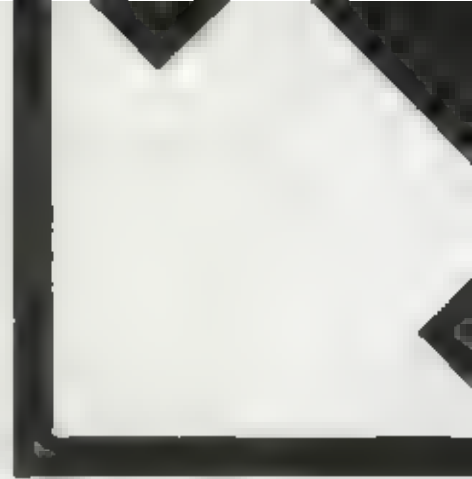

FRONT TO BACK, LEFT TO RIGHT, J. Sanders, R. Johnson, D. Conner, R. Gunn, M. Reagin, A. Mcquire, M. Sanders, T. Thompson, C. Banks, Coach Barbee, R. Allen, A. Roberts, D. Binks, J. Shaw.

FRONT TO BACK, LEFT TO RIGHT, J. Cameron, J. Wood, T. Pierce, B. Davis, J. Roberts, R. Means, D. Brantley, L. Bridgeman, T. Whitehead, D. Hughes, M. Heninger, W. Davis, R. Presley, D. Cobb, S. Sangster, D. Jackson, R. Jackson, B. Fallen, D. Ingram, Coach Barbee

Hutto, Coach Wade.

This year's Soccer program at LHS was bigger and better than ever. With the guidance of Coach Woods and Coach Wade, the Varsity and B-Team Soccer teams brought a new interest in the game to Lithonia.

## 1976 Boys' Gymnastic Team

Gymnastics is a different kind of sport. There are no laps to run, no rowdy yells or pats on the back. The atmosphere is more subtle. Concentration fills the air as the routine of the young gymnast is performed. As a spectator, one would enthusiastically commend him for a good job. To the gymnast, however, satisfaction has not been achieved. His form wasn't good enough. His dismount, a little unsteady. With quiet determination he tries again.

FRONT TO BACK, LEFT TO RIGHT. Coach Crawford, B. Clary, B. Moore, D. Findley, N. Collins, B. Walker, T. Savage, K. Walker, R. Newman

## B-Team Gymnastics

This year's B-Team gymnasts were under the direction of Ms. Gwen Mullins. This was Ms. Mullins' first year at LHS. Previously Ms. Mullins taught at Lake Side High School and was also a girls' gymnastic judge.

Gymnastics can be called a form of self-expression. Routines demand precision and grace. These young girls practiced diligently throughout the season. Gymnastics is a difficult sport and frustration often goes hand in hand with learning. The 1976 B-Team gymnastic team gained much experience from this past season. Hopefully this experience will benefit them as they move up to Varsity.

FRONT TO BACK, LEFT TO RIGHT: C. Jones, C. Turner, C. Riser, S. King, K. Repple, K. Bradley, K. George, D. Harper, M. Ball, K. Elliott, C. Swanson, K. Schilleci, C. Kaker, F. Harris

Bailey, L. Cameron

Ripped hands, shin splints, pulled muscles, and Phyllis Amholt are all a big part of **Varsity Girls' Gymnastics**. Practice for the girls isn't like just any other practice. There's morning practice which means: "I'm not alive yet!!" "But Ms. Amholt it's morning!" Then there's afternoon practice which lasts several hours.

All of this hard work and the success it has brought has been achieved through the efforts of the girls' gymnastics coach. With much appreciation, the yearbook recognizes Ms. Phyllis Amholt and the **1976 Varsity Girls' Gymnastics Team**.

# ACTIVITIES

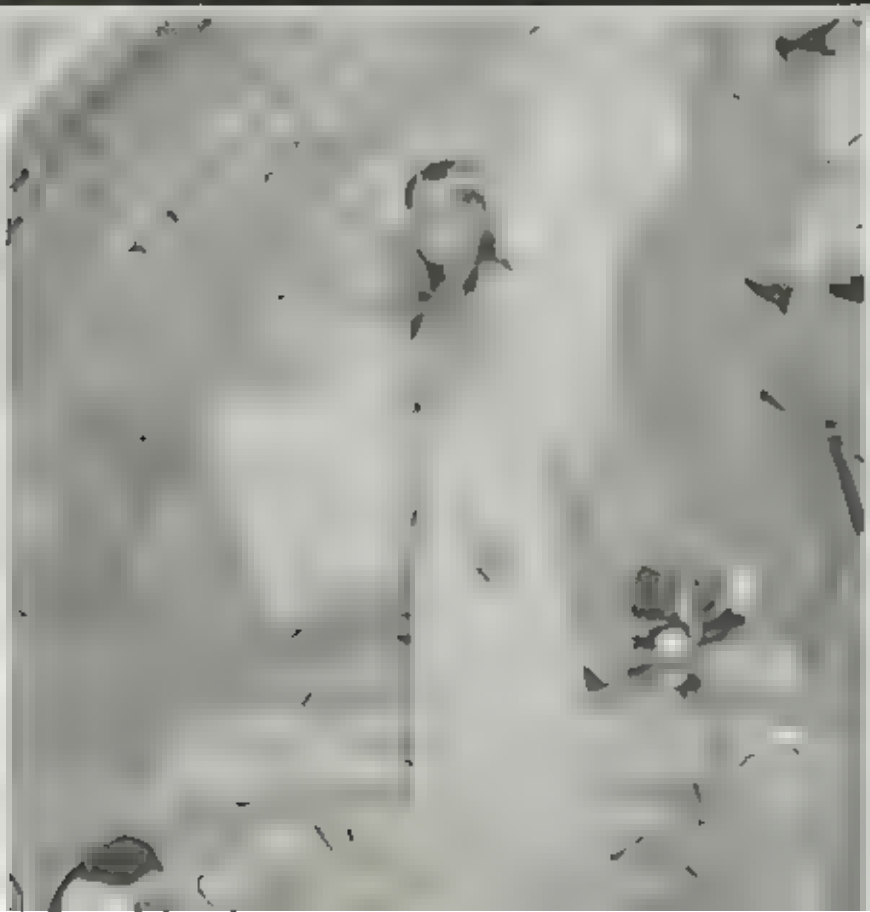

Homecoming, Student Council, International Club, V.I.C.A., V.O.C.A., Cheerleaders, Majorettes, Drill Team, Band, N.H.S., N.J.H.S., Beta, Kappa, F.B.L.A., F.T.A., Drama Club, Debate Team, Flag Corps, L Club, Pep Club, Chorus, Industrial Arts, Science Club, Literary Magazine, Newspaper, Yearbook . . . Without all these clubs students would not have the opportunity to learn or benefit from extracurricular activities at L.H.S. All students have a choice to join or try out for any club or activity that appeals to them. Many thanks to all the sponsors for their help in making Lithonia an interesting school with lots of things for students to take part in.

## RETURN TO FANTASY

The 1975-76 Homecoming Dance took us back to our childhood fantasies on the Yellow Brick Road. Student Council members created a three dimensional backdrop for the homecoming pictures taken by Hewett Studios. On the backdrop, there were cartoon characters including Mickey Mouse, Pinnochio, and Donald Duck which helped to portray the theme of the dance "Return To Fantasy". The Jerome Olds Band which played for the dance had a special lighting effect that added to their performance. Everyone attending the homecoming dance had one of the best evenings of entertainment ever.

## HOMEcoming QUEEN

Judy Hensley was chosen the 1975-76 homecoming queen by the Lithonia High School student body. She was a representative from the Senior class. Her many activities at Lithonia include cheerleading, Kappa Club, annual staff, newspaper staff, and Student Council. Judy's hobbies are horseback-riding, swimming, and reading. When she finishes at L. H. S., Judy wants to go to college and major in education.

Runners-up:

1st Wendy Norris

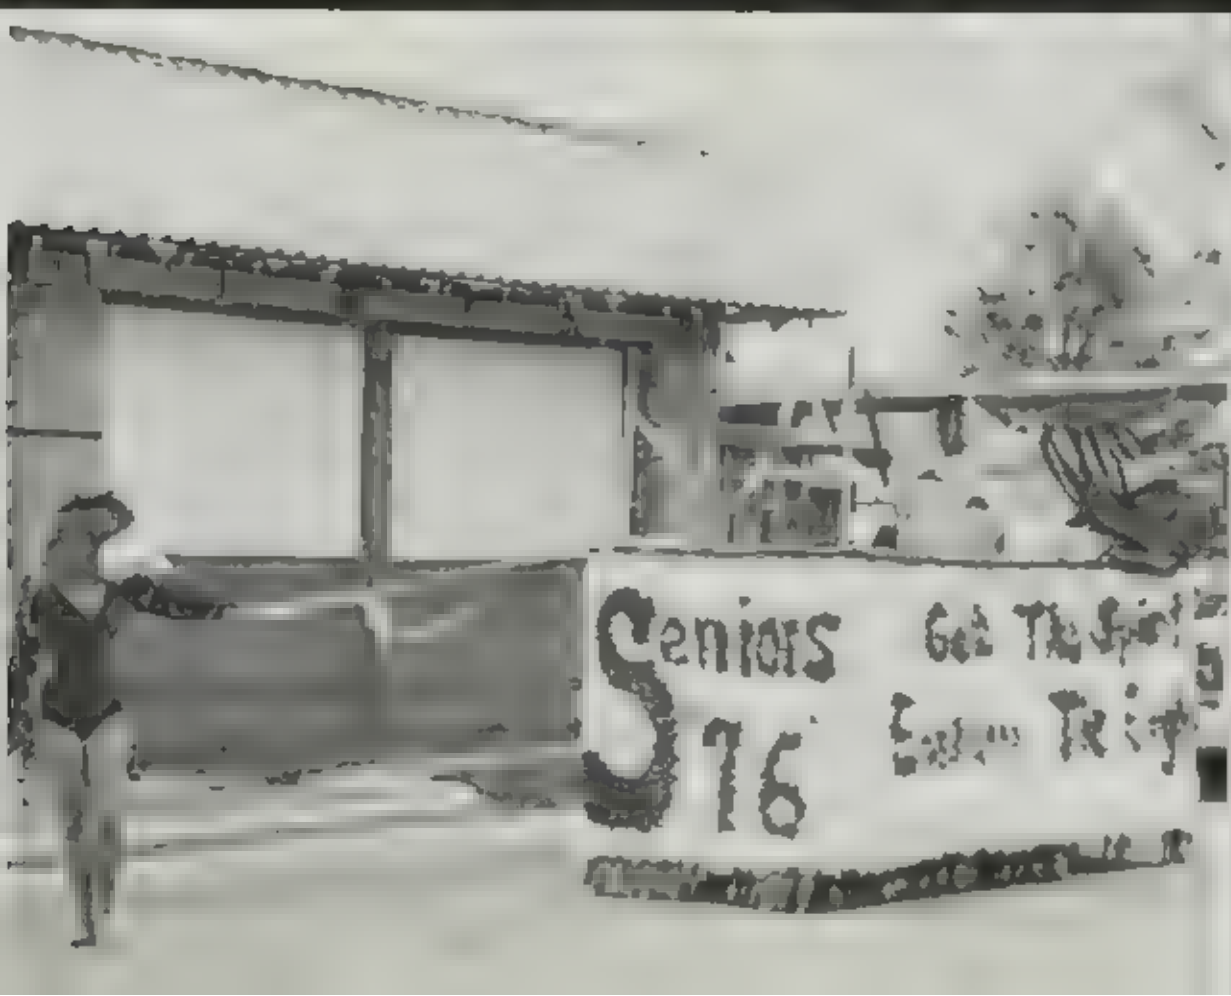

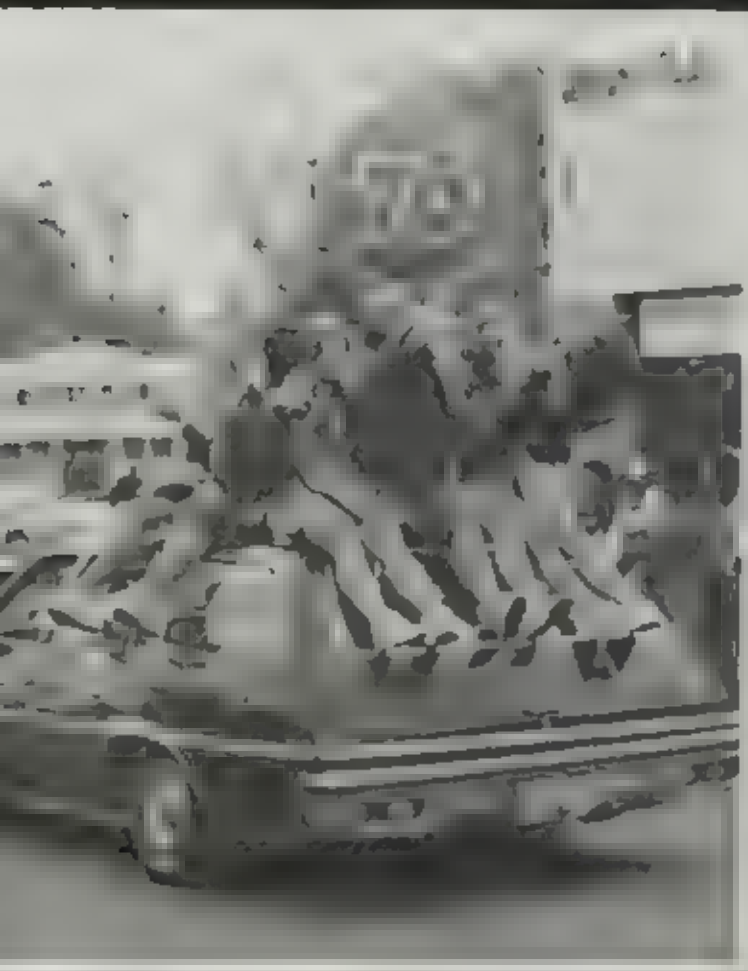

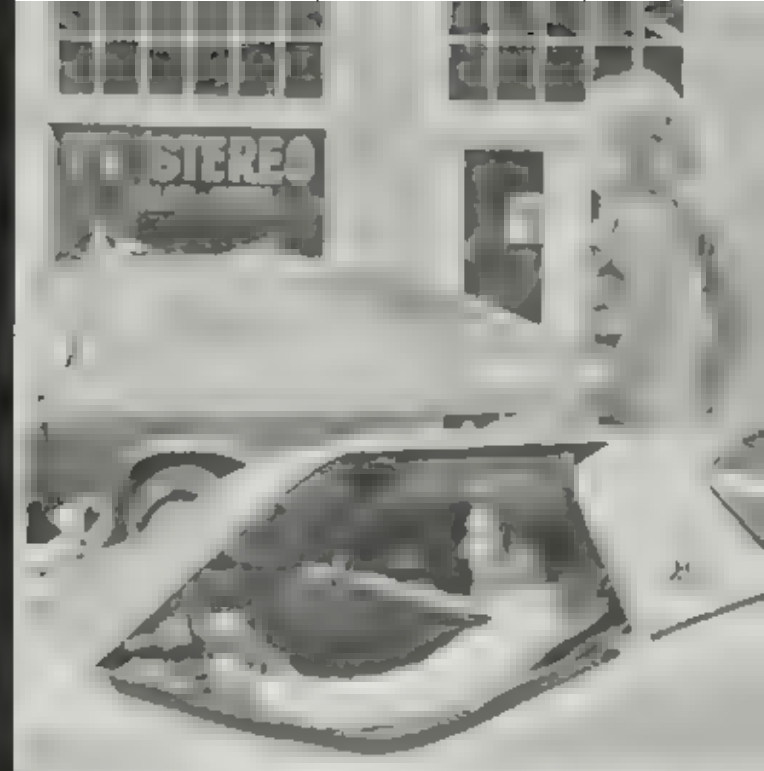

2nd-Lisa Manos

3rd-De De Miller

# SHAVE THE EAGLES

The 1975 Homecoming Parade took us to Main Street, Lithonia where the L.H.S. Marching Band stopped and played various tunes. As the band played, the drill team and majorettes performed for the onlooking audience. There were many sights to be seen such as clowns, homecoming court, cheerleaders, football players, and floats. The theme of the winning float, created by the Junior Class, was "Shave the Eagles". Runners-up were: 1st runner up-Sub-Freshman, 2nd runner up-Seniors, and 3rd runner up-Sophomores.

## Varsity Cheerleaders

Most girls at Lithonia High would cringe at the thought of wearing the same outfit on the same day. But believe it or not, there is a group of girls at L.H.S. who would be upset if they weren't wearing the same outfit. THE LITHONIA HIGH SCHOOL VARSITY CHEERLEADERS are noted for decorating halls, organizing pep rallies, and boosting school spirit. This year their captain, Wendy Norris, was chosen Georgia All-Star Cheerleader. The cheerleaders attended camp during the summer at Auburn University. There, they received a first place trophy for their superior performance. These girls are all-stars at Lithonia High all year long. We salute our 1975-76 Varsity Cheerleaders.

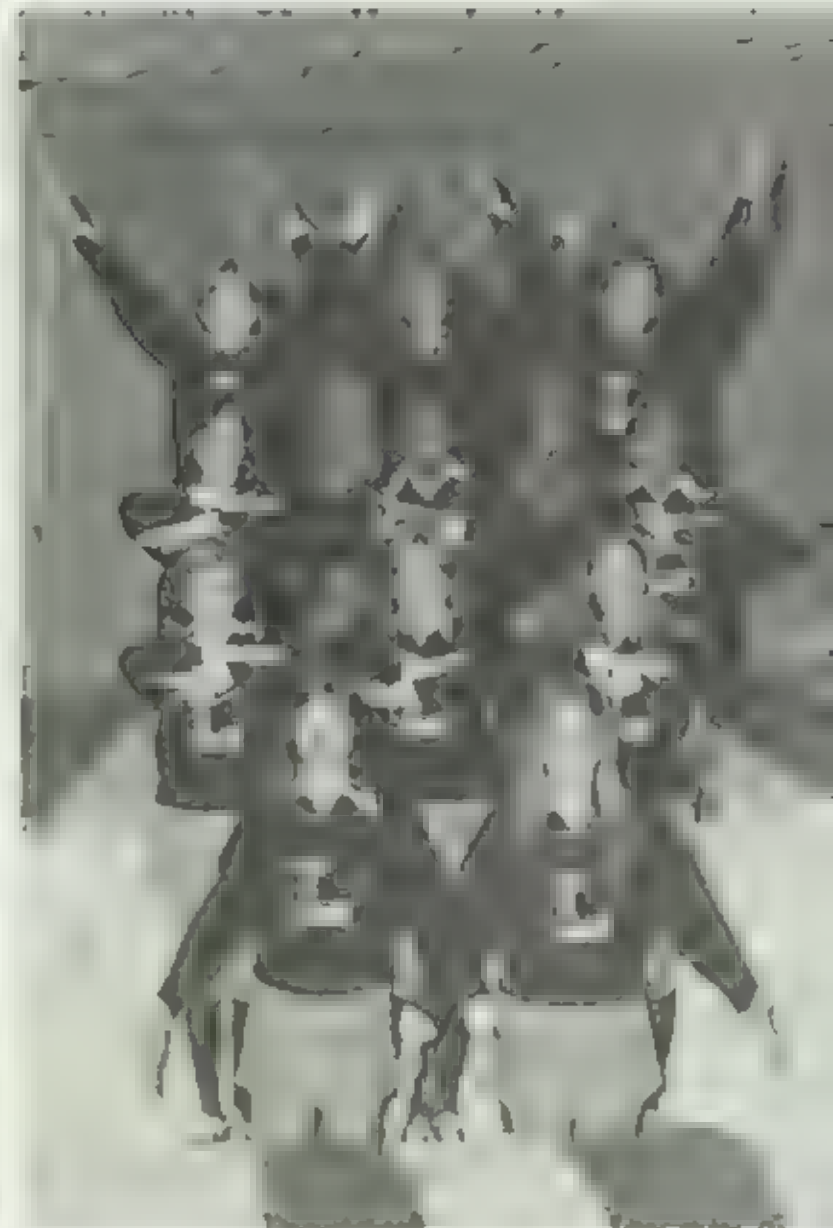

## B-Team Cheerleaders

The L.H.S. B-Team Cheerleaders have had a very successful year. They went with the Varsity Cheerleaders to camp this summer at Auburn University. While at camp, our B-Team Cheerleaders received two excellent ribbons and one superior ribbon for their performance in competition. Also, with the help of the Varsity Cheerleaders, they won two spirit sticks. On November 15th, they went to state competition and placed first. Congratulations to our fine B-Team Cheerleaders.

## 8th Grade Cheerleaders

Cheerleaders devote themselves to one task--promoting school spirit. This is no simple task. The eighth grade cheerleaders at Lithonia High School have spent a busy year learning the fundamentals of leadership and sportsmanship. They have learned to back their team win or lose. But most of all, they have learned there is a great deal more to cheerleading than just yelling.

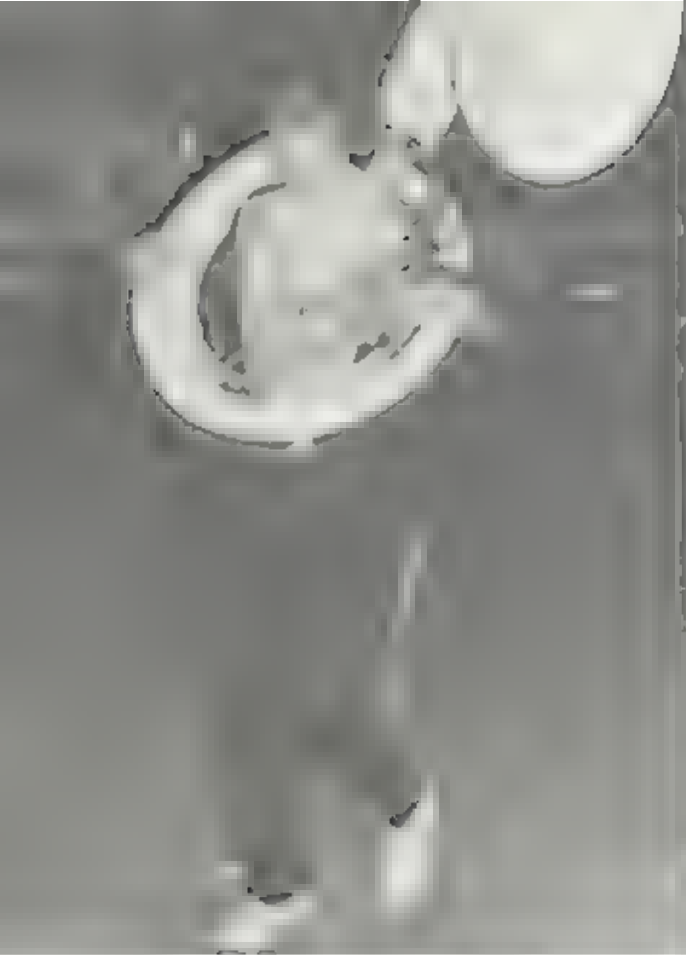

## Band

band <sup>1</sup> (band) n. 2. a group of musicians playing various instruments together, especially one that plays wind and percussion instruments only and performs chiefly out of doors.

The 1975-76 Lithonia High School Marching Band ended its season on a good note. Under the direction of Ken Walker, the band performed better than ever. Mr. Marse, the band director, instructed his musicians in class. After school, Ken Walker took over and had practice every afternoon until 6:00. Their half-time shows provided the best entertainment ever.

## You Know It's the Band When . . .

- . . . They request the Budweiser Song at the Christmas assembly.
- . . . They tell you they have to get home from Festival in time to watch the news.
- . . . You see a boy pulling a tuba out of the backseat of a Volkswagon.
- . . . You see a guy in a black and gold silk costume doing handsprings down the football field.
- . . . Someone tells you that you're on the "Lover's Bus."

# Flag Corps

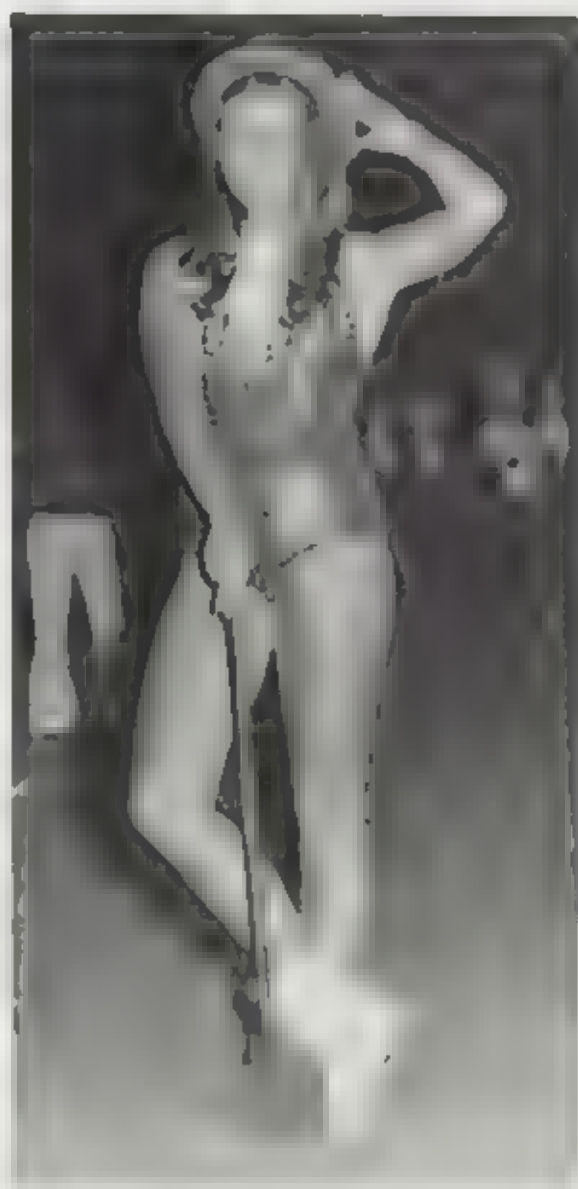

This year's Flag Corps brought color to the halftime at football games. Those interesting routines were made up by the captain, Tammy Key, and the co-captain, Allison Thomas. Mrs. Eberhard, the corps' sponsor, helped them organize and put on a good show. Also, at this year's band festival, the girls participated in the pre-game show with close to two hundred flags and Southwest DeKalb's Band. Definitely all that hard practice in the summer and after school paid off. Good work, girls!

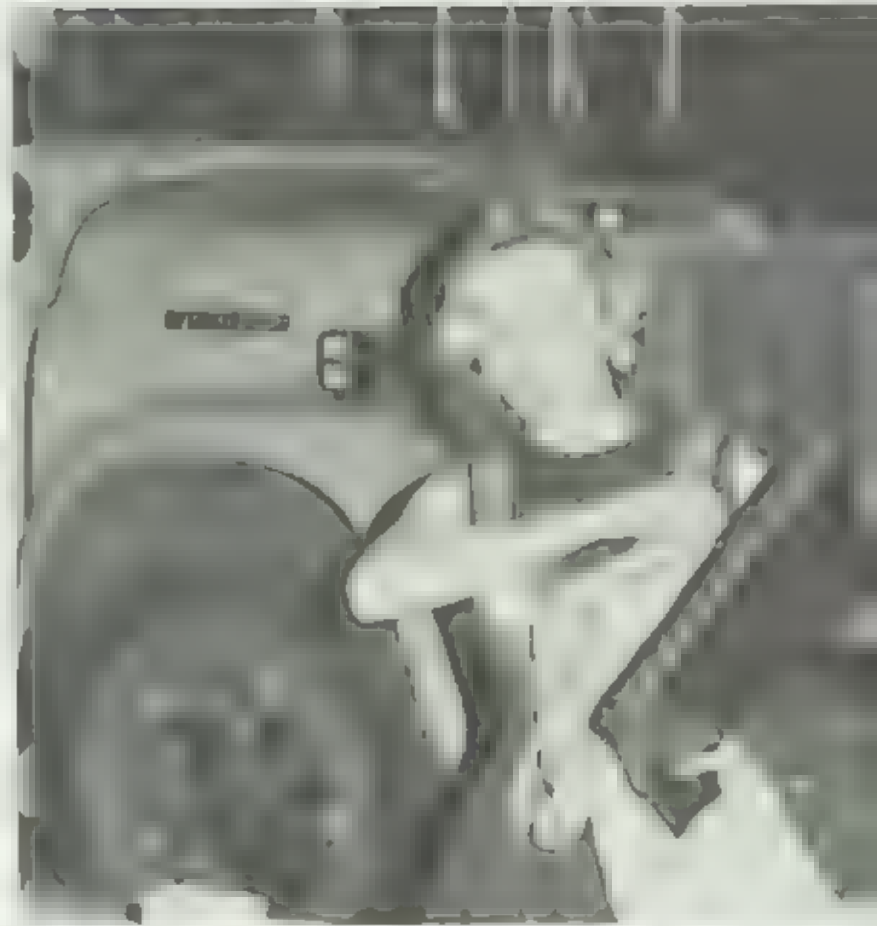

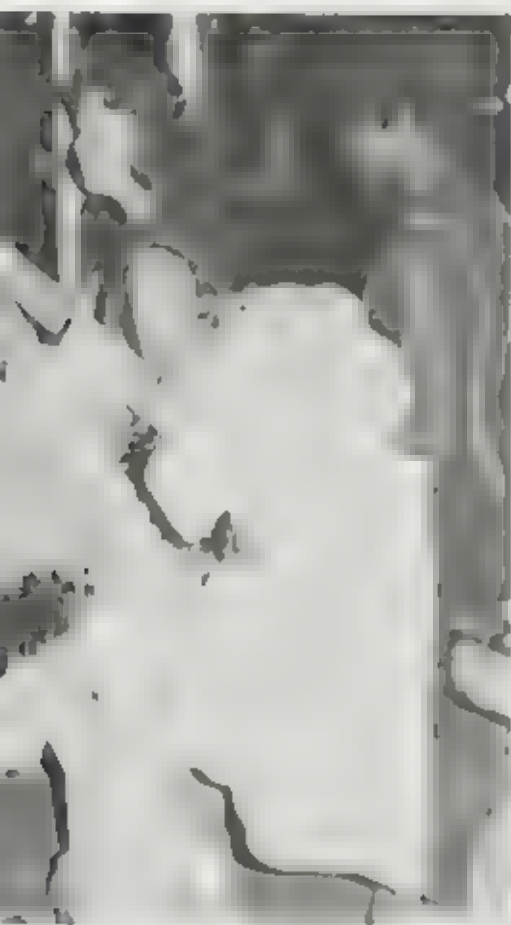

# Majorettes

The 1975-76 Lithonia High Majorettes consisted of ten hard-working girls. They attended the Dixie-Twirl-O-Rama Camp which was held at Woodward Academy in early August. Many hours of hard work were put in by the girls in order to do their best for the squad. Practice was then held every day until school started and also every day after it began. To make the half-time more enjoyable, props such as streamers, hats and canes, and clown outfits were used in place of batons. Because of the leadership of Captain Nancy Mays and the hard work of the entire corps, the majorettes presented exceptional half-time performances this year. Special thanks goes to Mrs. Fell, sponsor.

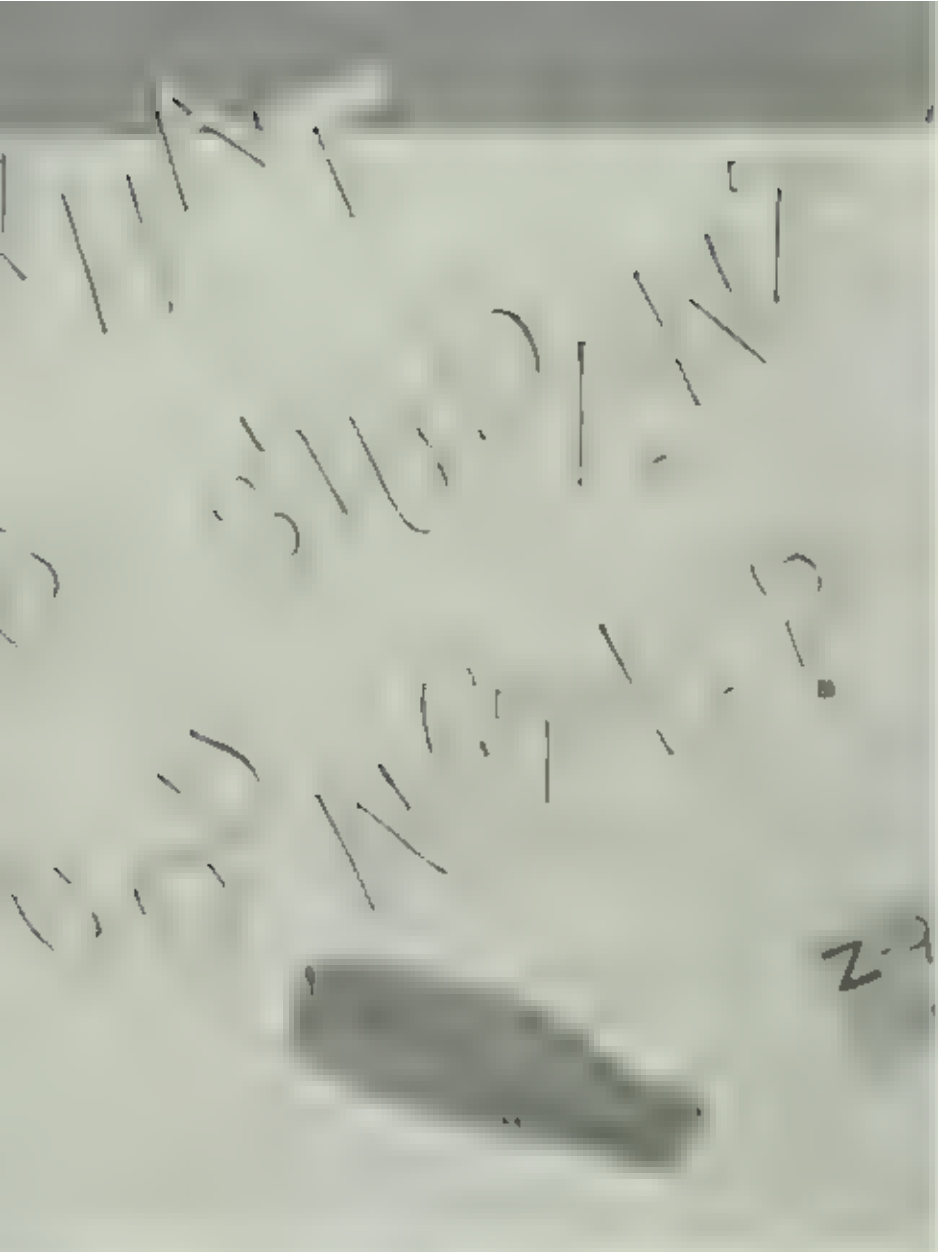

## Drill Team

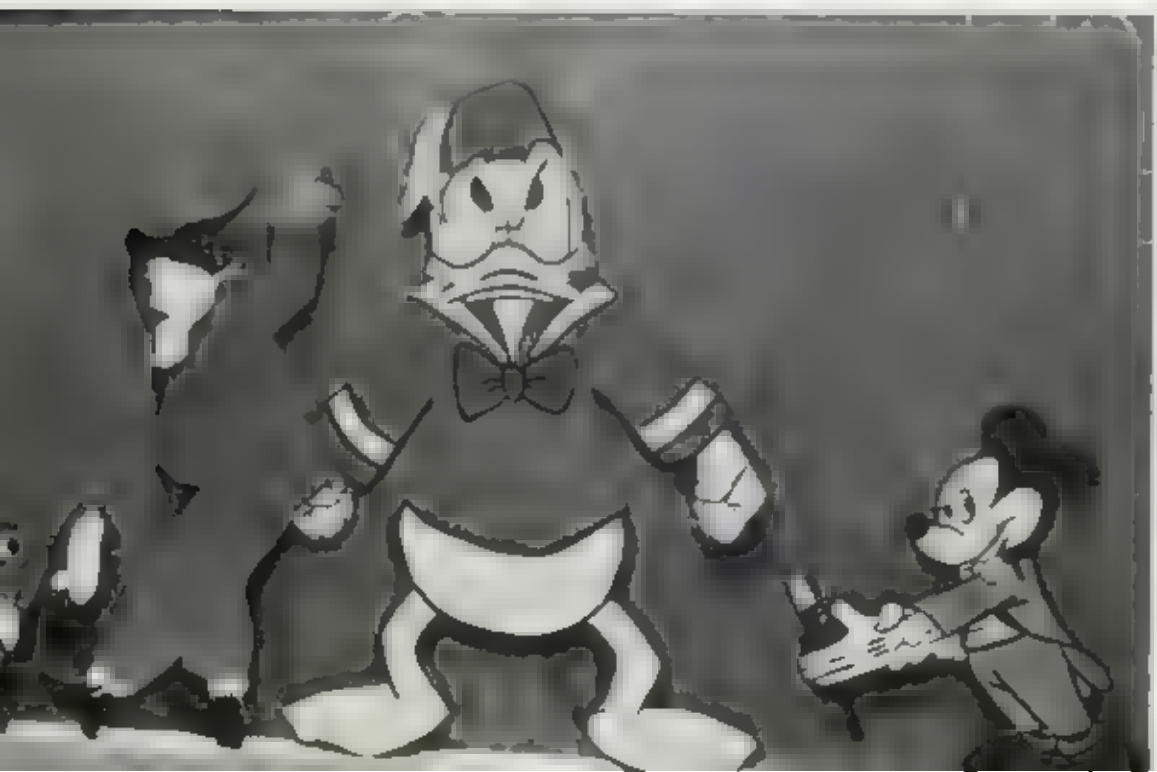

The performance of the 75-76 Drill Team was quite outstanding this year. The drill team, consisting of 4 officers, 36 members, and 4 alternates, worked extremely hard. Practice began this summer when the drill team attended camp on the Georgia Tech campus. The camp lasted one week and was sponsored by the National Drill Team Association. The drill team was complimented on becoming the most improved team throughout the week.

When school began in August, practice was held everyday after school until as late as 6:00. The girls worked hard during the week in order to prepare the routines for the half-time show. The routines consisted of a variety of props such as flags, pompoms, and stools.

Much appreciation should be given to Captain, Pat Hightower, Co-captain, Laura Thomas, and Lieutenants, Cecilia Sawyer and Carol Waites. Thanks to the drill team for their fine performances this year. Special thanks goes to Mrs. Sue Ledford, sponsor, for her time and dedication.

## Student Council

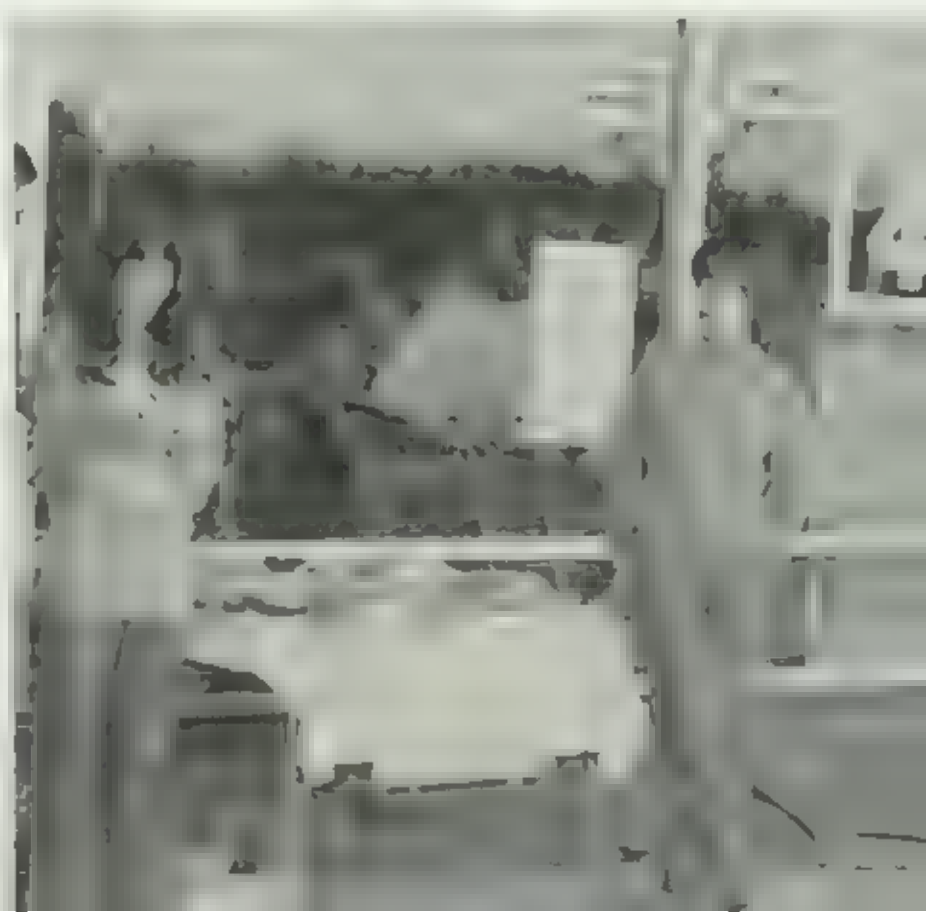

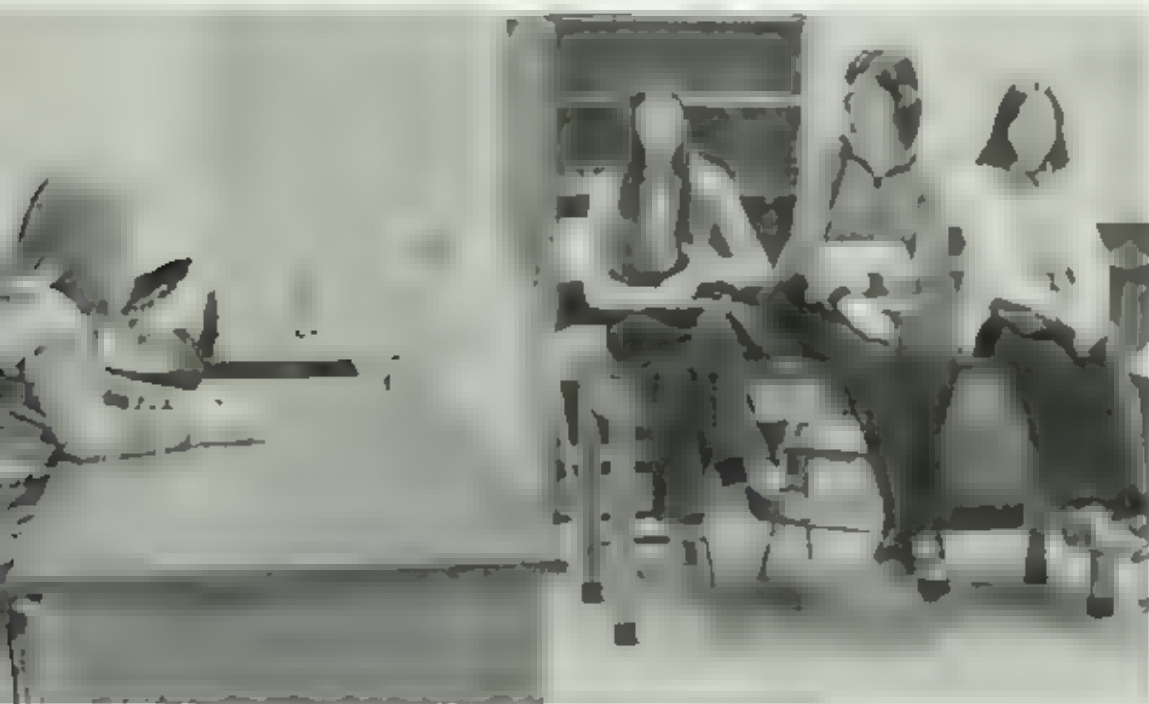

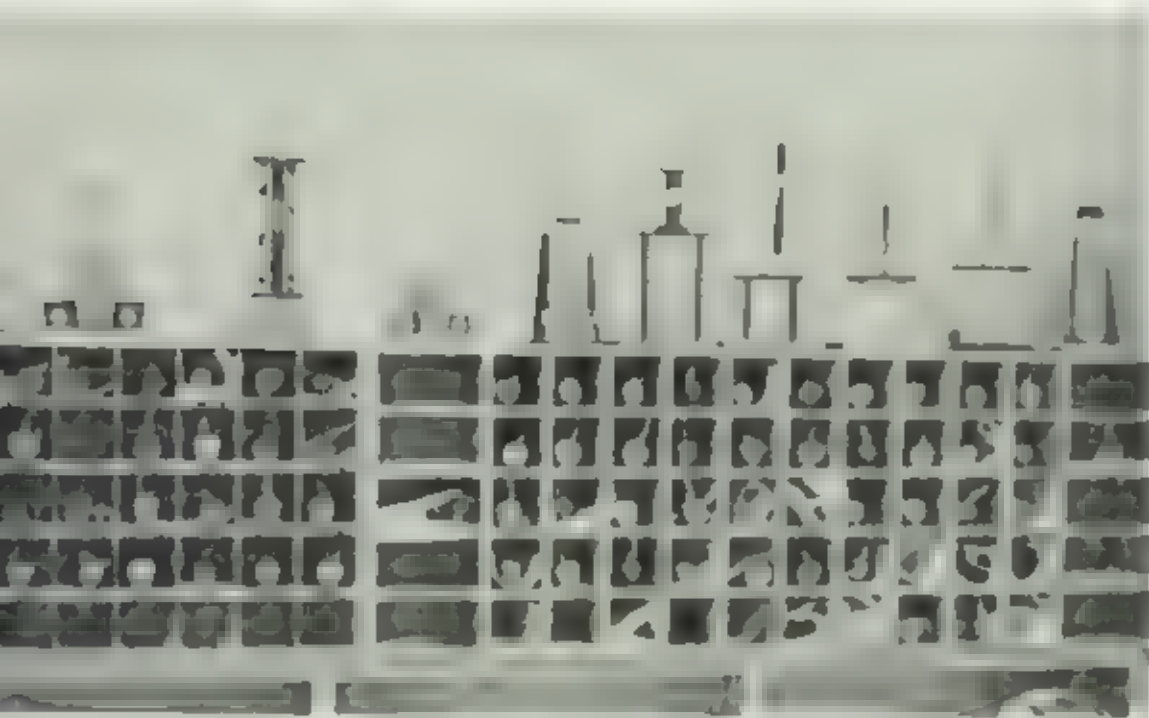

Foremost among clubs at Lithonia is the Lithonia High Student Council. It is designed as a cohesive force between Lithonia's faculty and the student body. The organization has been led this year by President Judy Evans. Her fellow officers were Vice-President-Lisa Manos, Secretary-Cecilia Sawyer, and Treasurer-Mark Daniel.

The council began the 1975-76 school term by showing the eighth graders around school on orientation night. Some other activities sponsored by the student government during the year were the Z-93 Spirit Contest, Toys for Tots, the Empty Stocking Fund, and the Walk for Mankind. The biggest event sponsored by the council was the homecoming festivities. Homecoming Week included dress-up days to show school spirit, the Junior-Senior athletic events, the Return to Fantasy Homecoming Court, and the crowning of the queen at the football game.

Lithonia's student government has been very active this year. Thank-you Student Council for all the hard work and effort.

# Kappa Club

The 1975-76 Kappa Club is made up of girls that show a concern for the people and the community. This year they fixed fruit baskets for the senior citizens of Lithonia and sponsored the Christmas door decoration contest in the school. By giving the teachers apples and by providing snacks for the teachers' lounge, the girls showed their appreciation of Lithonia teachers. These girls are very much a part of Lithonia as they show care and concern for others.

# International Club

"Habla Ud. español" or "Parlez-vous français?" If so, you should be a member of the Lithonia High International Club. Their unique meetings consist of patronizing foreign restaurants and seeing the latest movies. The objective of the International Club is to increase the understanding and knowledge of the customs in foreign countries. Mrs. Georgia Geis is the International Club sponsor.

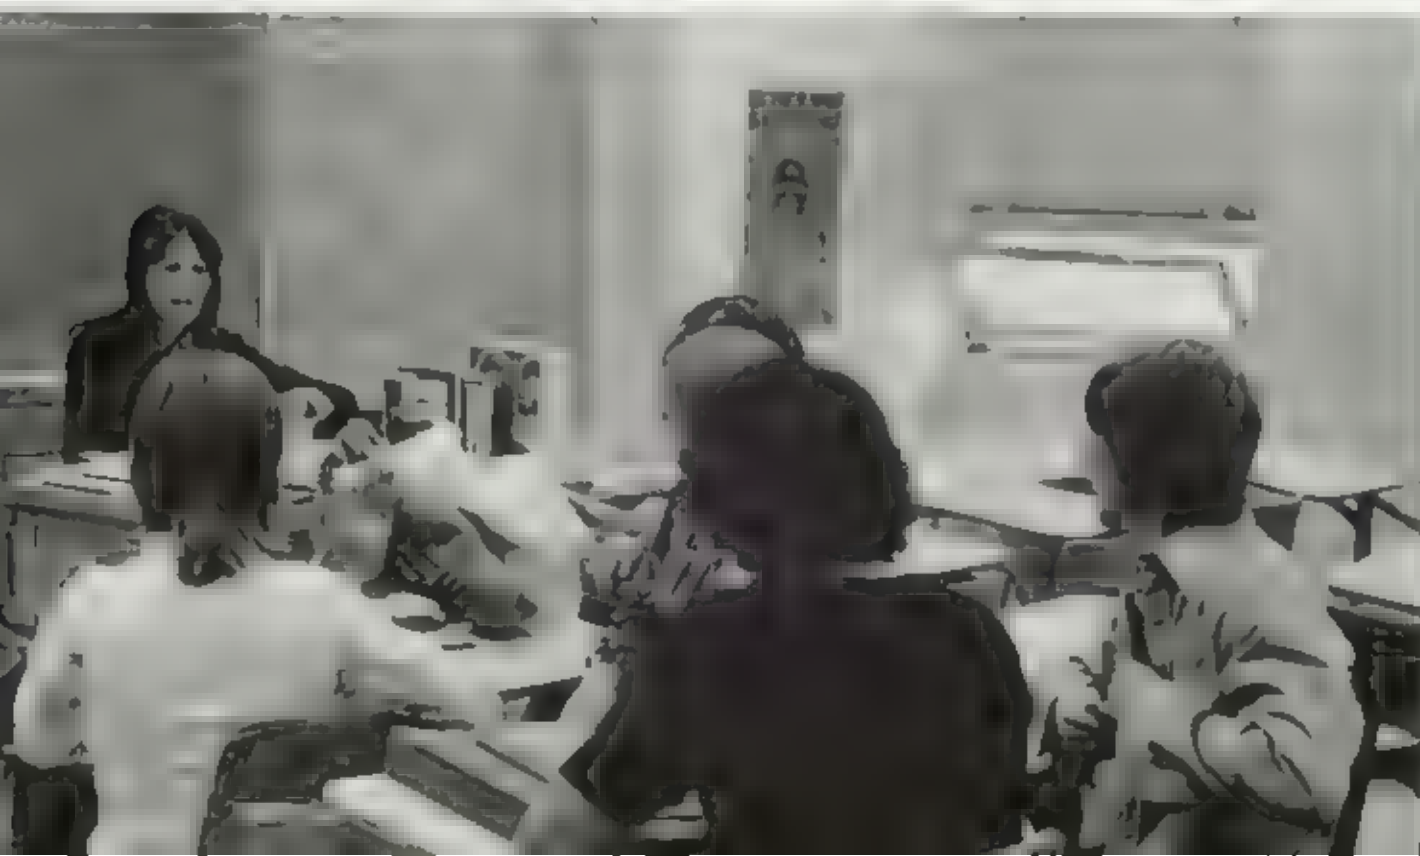

# Honor Societies

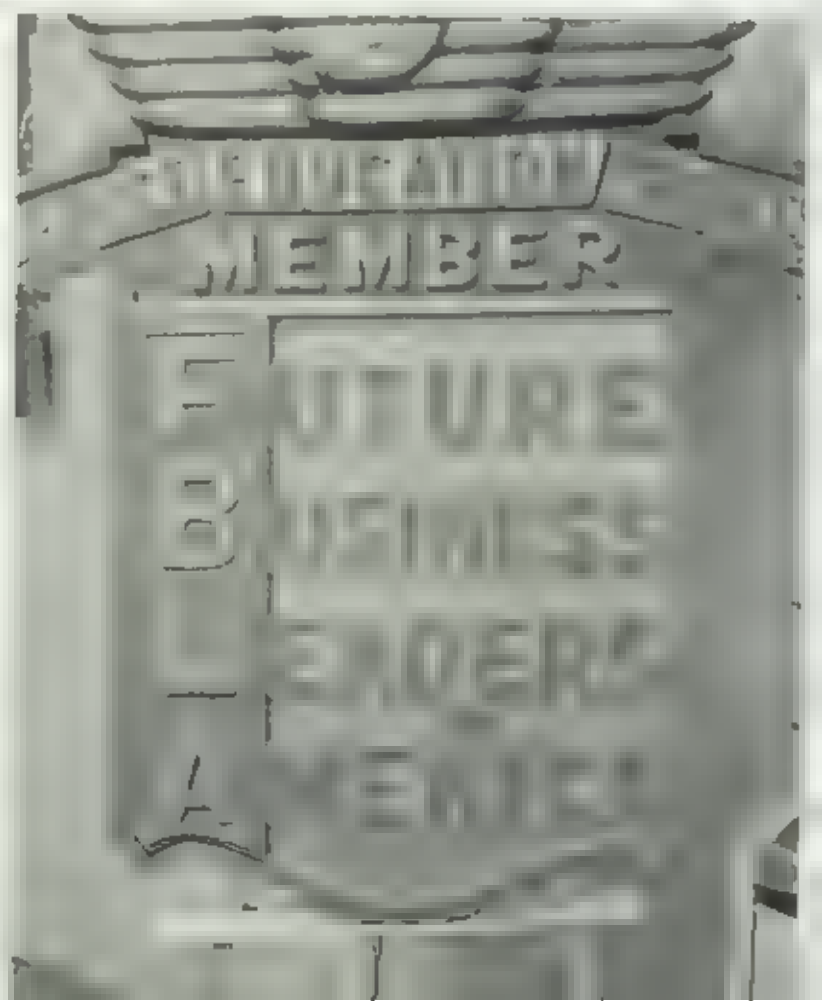

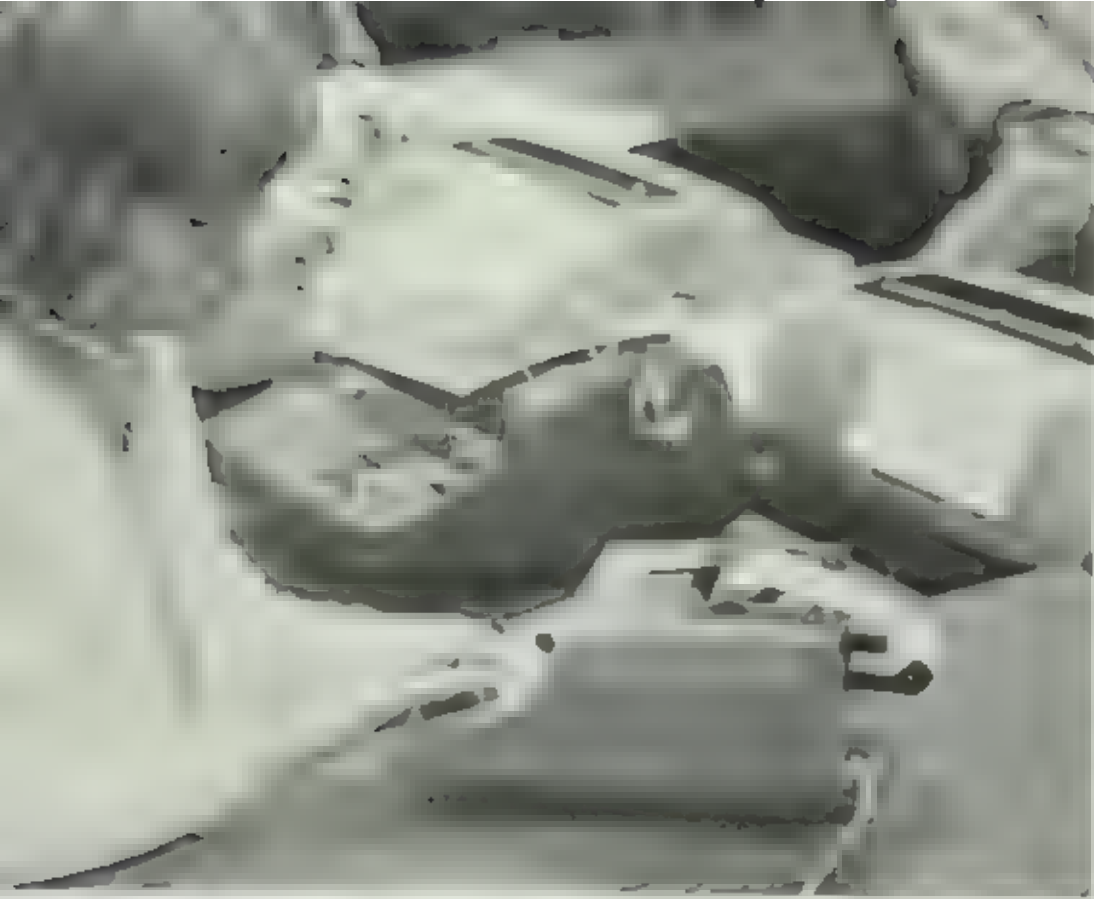

The purpose of the Honor Societies--Beta Club, National Honor Society, and National Junior Honor Society--is to recognize academic achievement at school. Requirements for membership are grades of a B average or better in academic subjects. To be a member of an Honor Society is an honor well earned.

This year the clubs sought to be recognized as service clubs and not just as scholastic clubs. The sponsors of the Honor Societies are as follows: Miss Barbara Blake-National Honor Society, Mrs. Joyce Furlong-Beta Club, and Mrs. Nina Chafin-National Junior Honor Society.

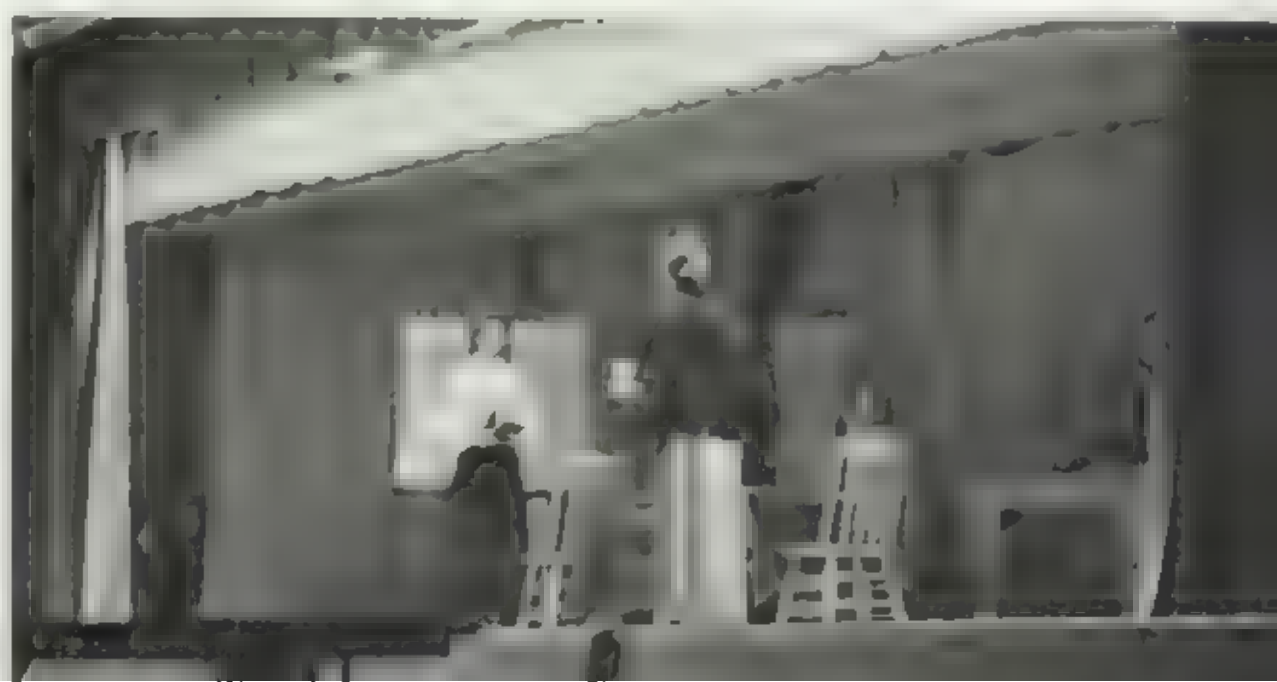

## The Vocational Clubs

The Vocational Clubs in L.H.S. are Vocational Opportunity Clubs of America, Vocational Industrial Clubs of America, and Future Business Leaders of America. These clubs are designed for students planning to enter the business world. Some activities they have helped with are the Red Cross Blood Drive, the Diabetes and Blood Pressure Check with the DeKalb Health Department, and the county Christmas Party at Georgia State. In school, V.O.C.A. redecorated the cafeteria. F.B.L.A. maintained the school calendar, and had a float in the Homecoming Parade. All these clubs have taken part in county and region contests.

## Drama Club

This year's Drama Club consisted of students from a senior drama class and of those who are just interested in the dramatic arts. Betsy White, Dianne Reed, Wendy Norris, and Lisa Manos starred in the drama club production of GOODBYE MISS LIZZIE BORDEN which was presented to English classes and to the P.T.A. In commemoration of America's 200th birthday, Stephen Carder portrayed Benjamin Franklin telling humorous events that happened 200 years ago today. The other play performed during the fall quarter was TAKE A LETTER. Pictured below are as follows: 1ST ROW: Laura Thomas, Stephen Carder, Dianne Reed. 2ND ROW: Wendy Garcia, Renee Cooper, Lee Hunter, Vanessa Stanford, Mr. Cowan-sponsor. 3RD ROW: Lisa Manos, Beth Scott, Betsy White.

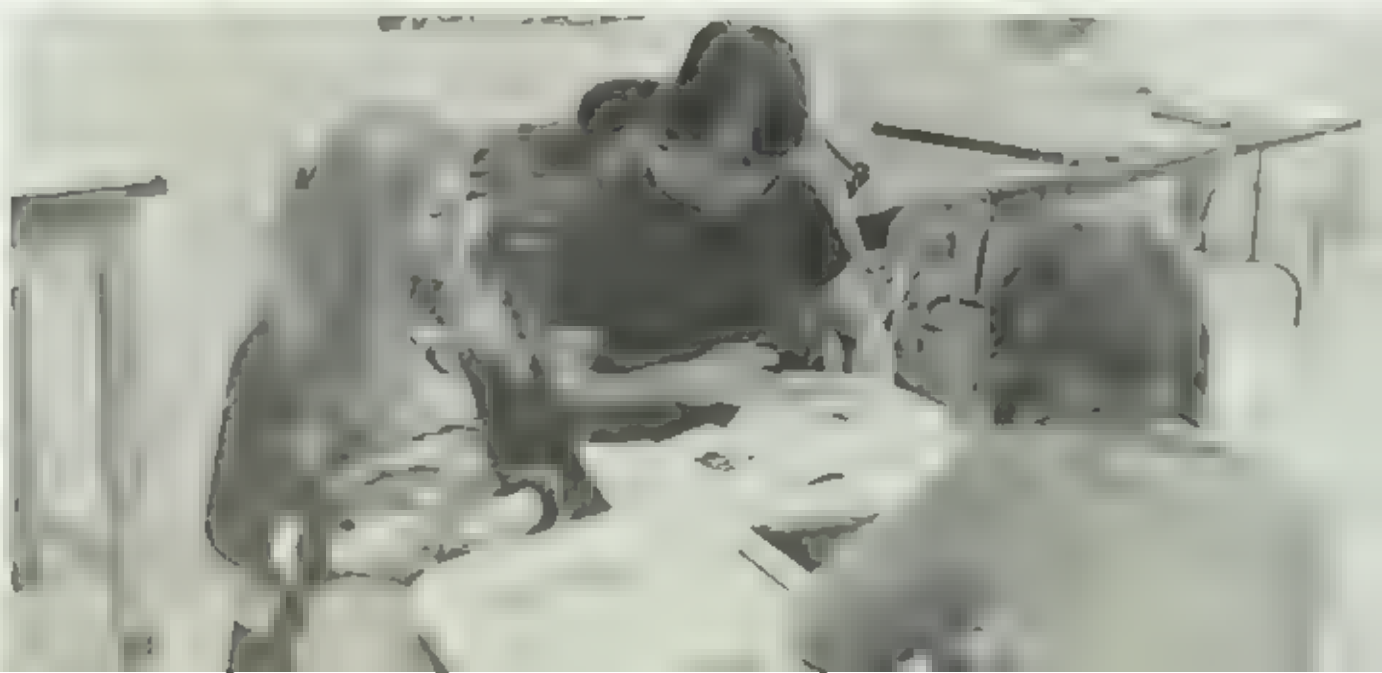

# Literary Magazine

EDIT is the name of the Lithonia High School Literary Magazine which comes out every spring quarter. This year the editor, Cecilia Sawyer, got her staff to work harder than ever selling subscriptions to the magazine. Students in art classes or those gifted with art talent supplied the magazine with photographs, sketches, and drawings. Mostly upperclassmen with creative writing ability contributed the poems, short stories, and essays for EDIT. The sponsor of the Literary Magazine is Miss Laura Aderhold.

## Newspaper Staff

Published by students, the BULLDOG'S BARK is the most popular reading material at Lithonia High School. Local news of school activities, club projects, and sports is found in its pages. Feature stories on outstanding persons at school and editorials by which students may express their opinions are also provided by the newspaper. Billy Davis is the editor of this monthly publication and Mrs. Patterson is the sponsor.

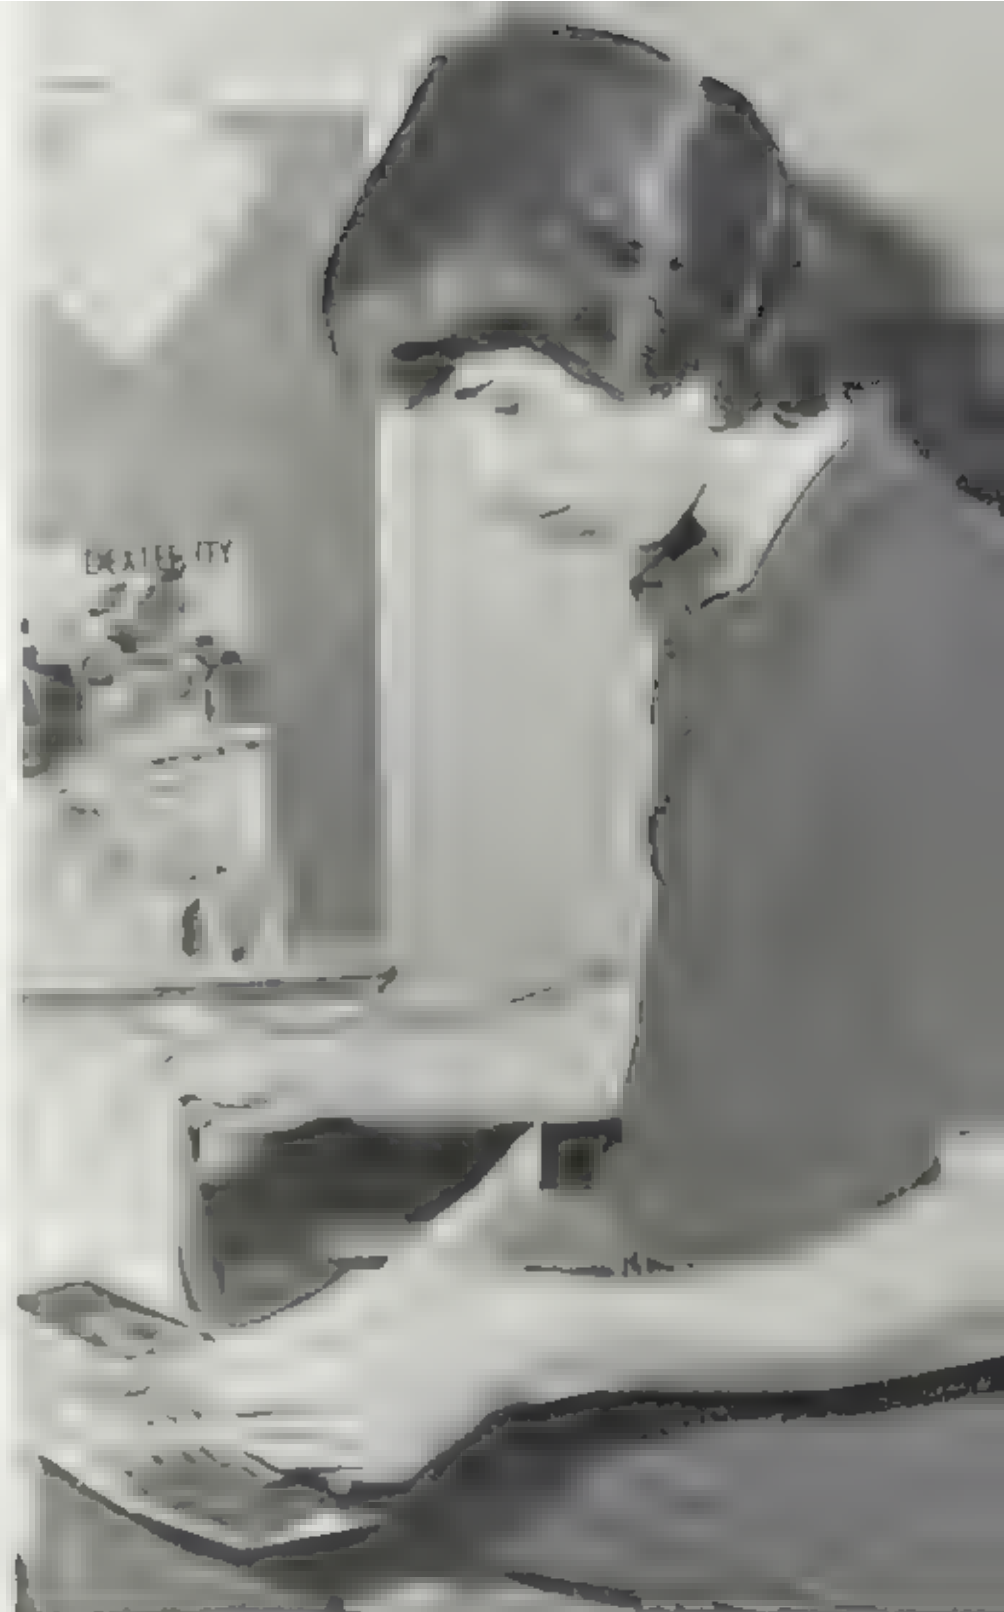

## BULLDOG'S BARK STAFF

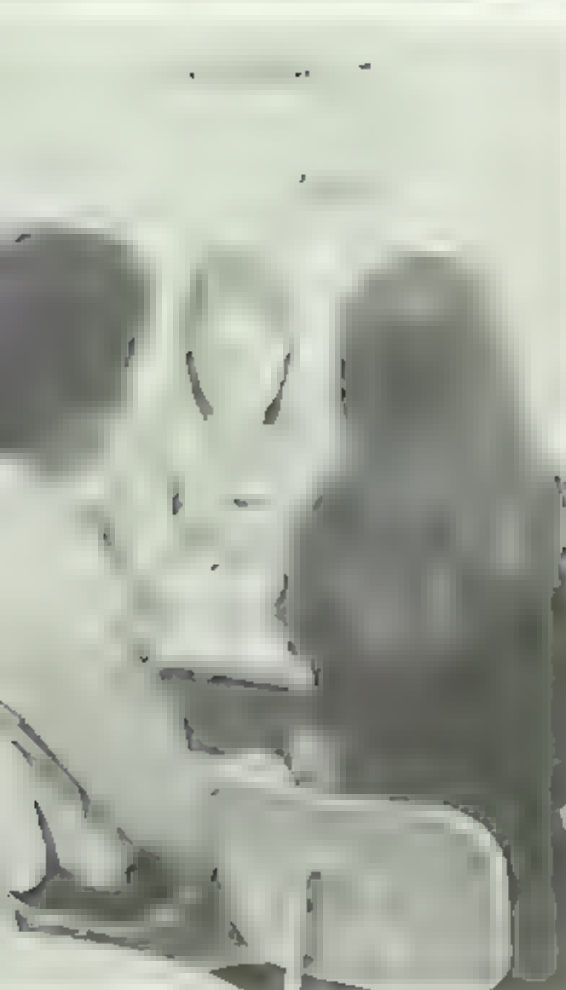

EDITOR: Billy Davis

Asst. Editor: Stacy Swenck, News Editor: Laurie Cameron, Sports Editor: Robert Stodghill, Feature Editor: Mary Plunkett, Business Manager: Mary Hovis, Asst. Business Manager: Susan Shellhouse, Photographer: David Stott, Copy Editor: Donna Bailey, Reporters: Phyllis Churney, Sam Elliott, Gloria Mizutani, Diane Shaner, Kevin Venable, Judy Evans, Judy Hensley, Billy Bechtler. Portrait Artist: Greg Littleton, Sponsor: Mrs. Patterson.

## Yearbook Staff

The 1976 LITHONIA BULLDOG covers all the roads at Lithonia High including activities, sports, academics, and students. With the editor, Nancy Mays, and the assistant editor, Roslyn Johnson, the staff has tried hard to portray the life at Lithonia High. Part of putting the annual together involved laying-out pages, cropping pictures, writing copy, meeting deadlines, and many, many hours of hard work.

Mrs. Patricia Patterson, sponsor, has helped out by offering advice, and explaining the art of putting a yearbook together. The effort of all the staff has led to what we believe is the best yearbook Lithonia has ever had. This '76 Yearbook Staff would like to wish the '77 Staff "Good Luck!"

Throughout this past year here at L.H.S. activities played an important part in the school program. Much time, concern, work and skill went into making the activities of this year the best ever. Clubs ranging from the International Club to the Student Council gave every student the opportunity to participate in any activity in which he was interested. Sponsors of the activities also spent their time aiding in the various programs of each club.

Thanks to everyone for making the activities of this year a great success.

Remember . . . . .

# SENIORS OF '76

Life for us is not ending; it is just beginning. We've travelled roads,  
but the roads we will travel now will be broader and longer.

They will have more detours and exits than we've ever  
had before. Troubles are going to continue, but

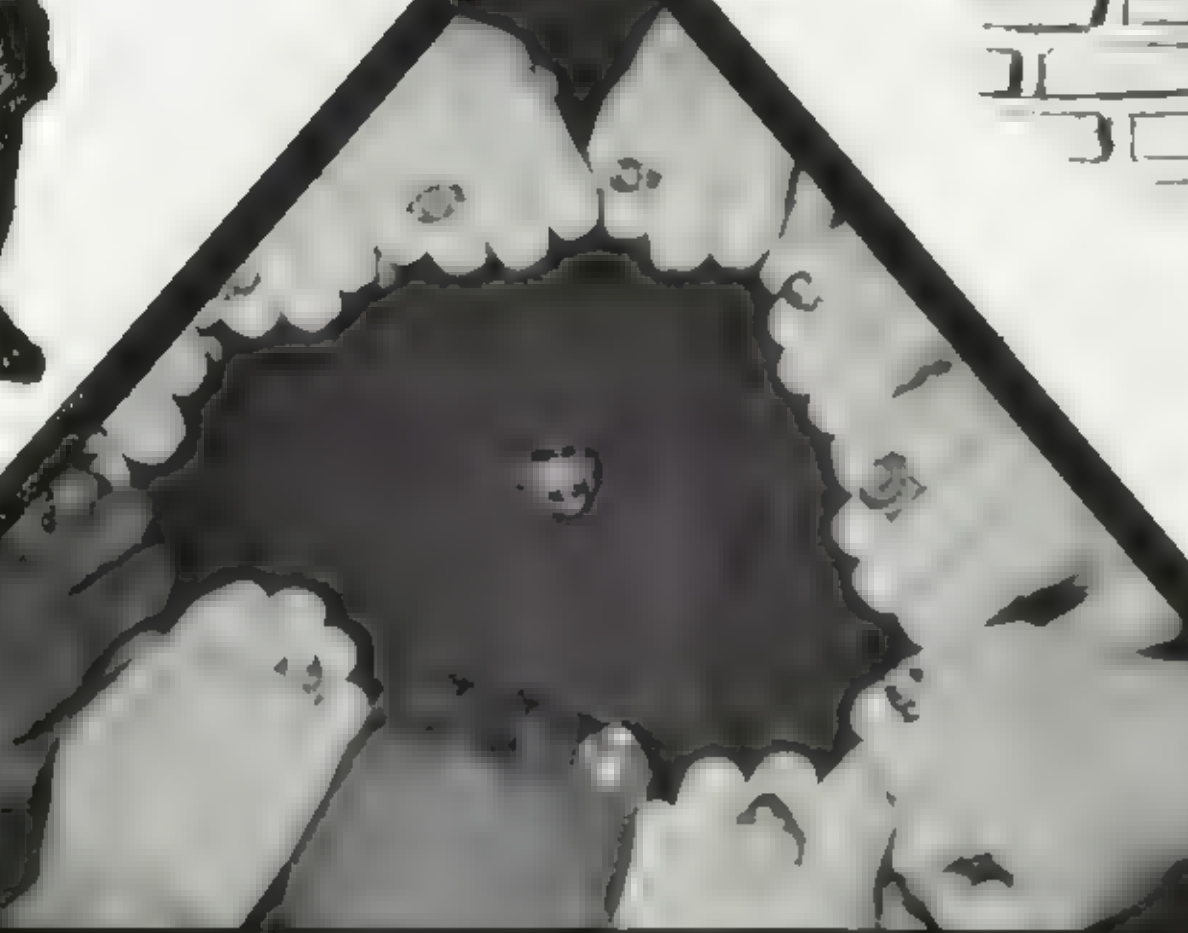

the joys of life and living will bless us  
every minute of the day. As we leave

L.H.S., happiness should fill our  
eyes, and our minds should

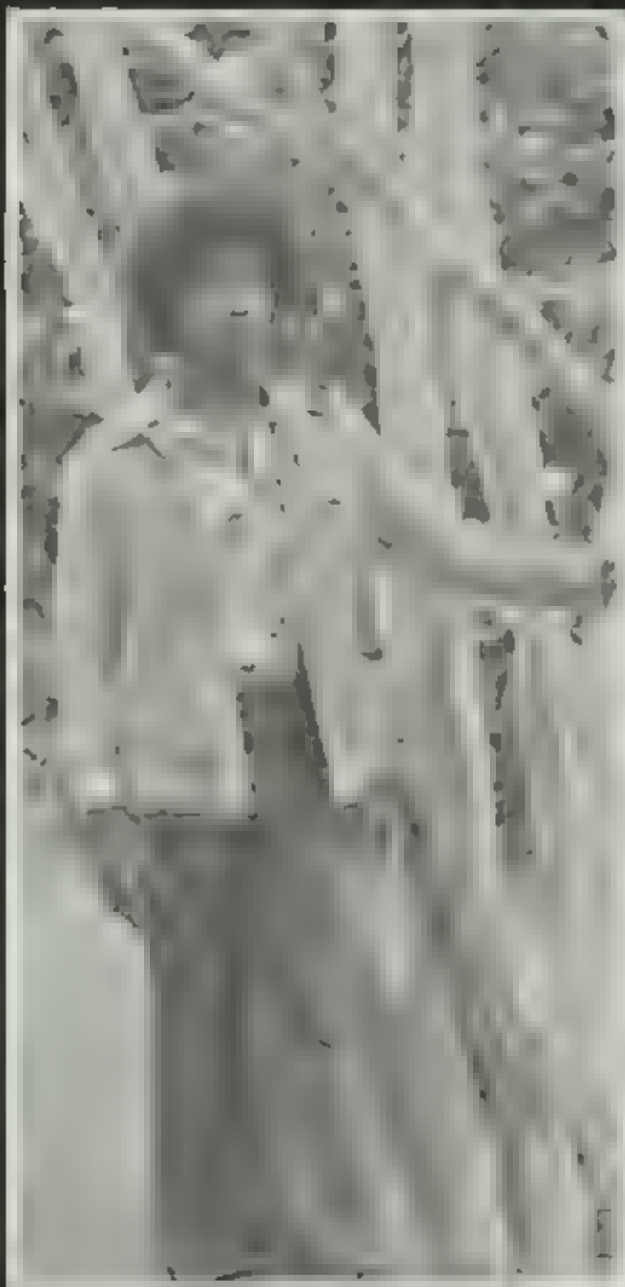

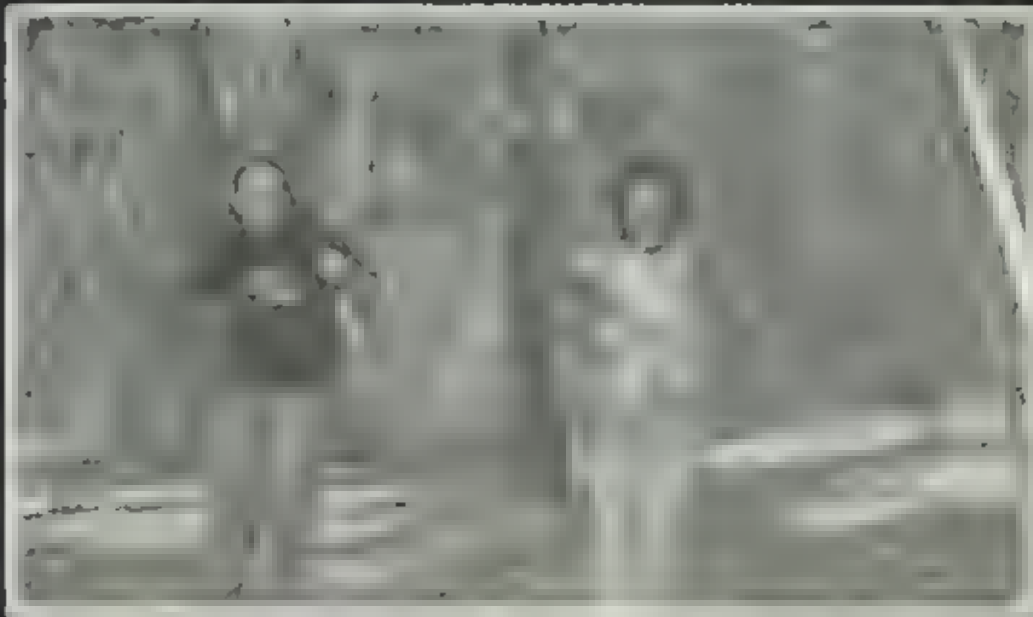

broaden to newer

and bigger

horizons.

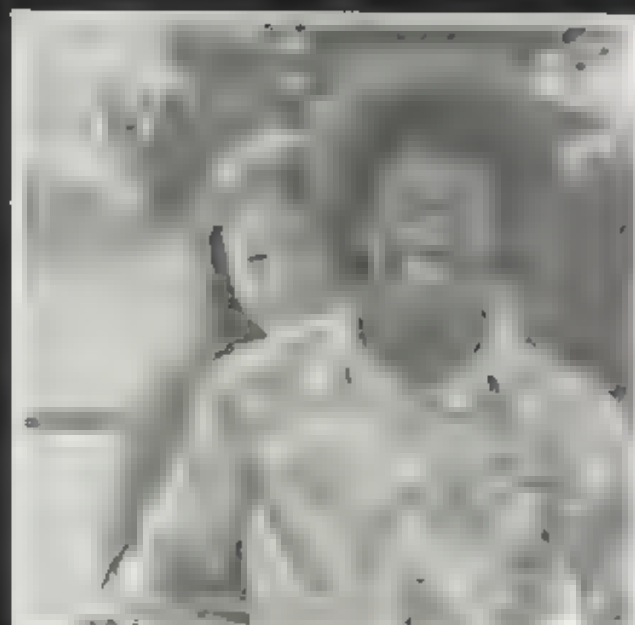

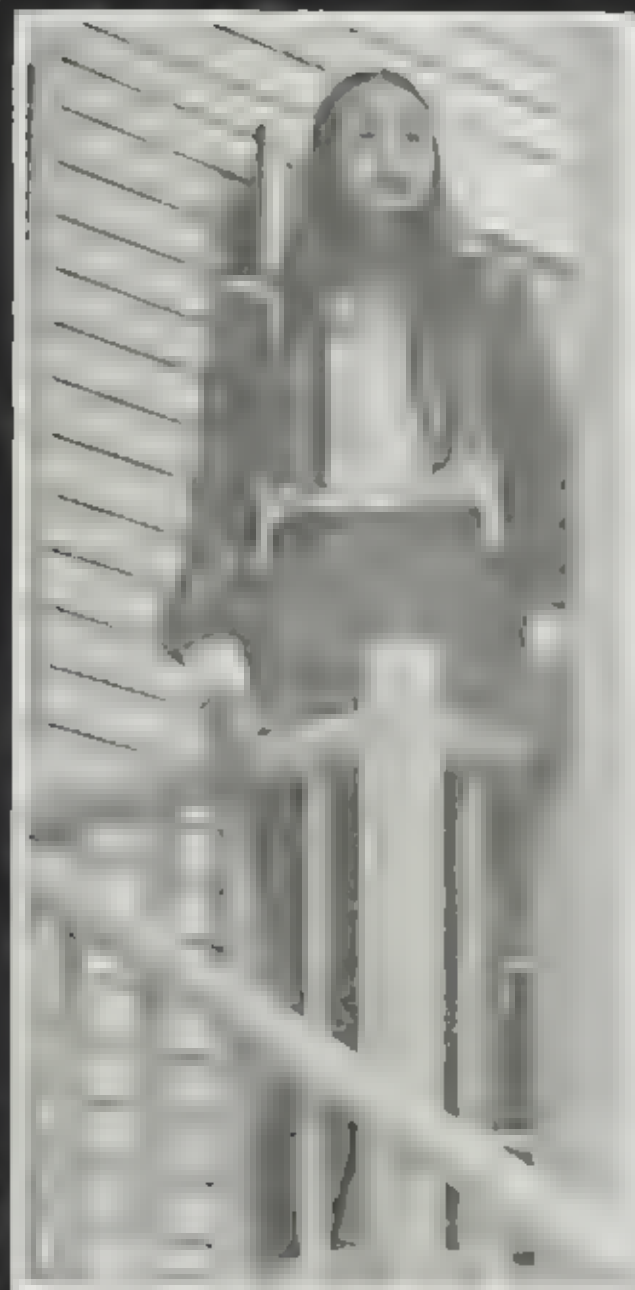

This year's Senior class voted Rondone Shaw as MR. L. H. S. Rondone has been active in Student Council for 5 years. He has also been on the Student Advisory Council. Rondone has played football and soccer, and has participated in gymnastics. A true asset to L. H. S. Rondone was also voted Most Dependable in the Senior Class.

This year's MISS L.H.S. is Lisa Manos. Lisa is V.-Pres. of the Student Council and has been on the Homecoming Court for 3 years and has been awarded 2nd runner-up 2 consecutive years. As well as voting her Miss L.H.S., the Senior class voted Lisa as the girl with the best personality!

# **MOST PHOTOGENIC**

**Sharon Purgason**  
**Maurice Sanders**

**BARBIZON  
SCHOOLS**

100 COLONY SQ BLDG., SUITE 300  
1175 PEACHTREE STREET  
ATLANTA, GA 30361

**This year the Most Photogenic Senior girl and Senior boy were judged by the Barbizon School of Modeling. All senior pictures were sent in and judged on smiles and facial expressions.**

**Sharon is on the Student Council and Maurice is on the L.H.S. wrestling team.**

**We would like to thank the Barbizon School of Modeling for taking time out to help us. Congratulations to these Seniors!!**

## STAR STUDENT

## STAR TEACHER

Benny Masdon, who has been chosen as the Star Student of Lithonia High School, received this honor because of his outstanding performance on the Fall Quarter 1975 Scholastic Aptitude Test. This honor also entitles Benny to choose that teacher, whom he thinks contributed greatly to his high school education. The teacher attributed with this honor is Mr. Ron Marse.

Congratulations to these two fine people on their outstanding leadership and academic performance.

# SENIOR FAVORITES

**Most Intelligent-** Dottie Emlew, Ken Walker

**Most Involved-** Judy Evans, David Gilbert

**Most Likely to Succeed-** Nancy Mays, Donald Brantley

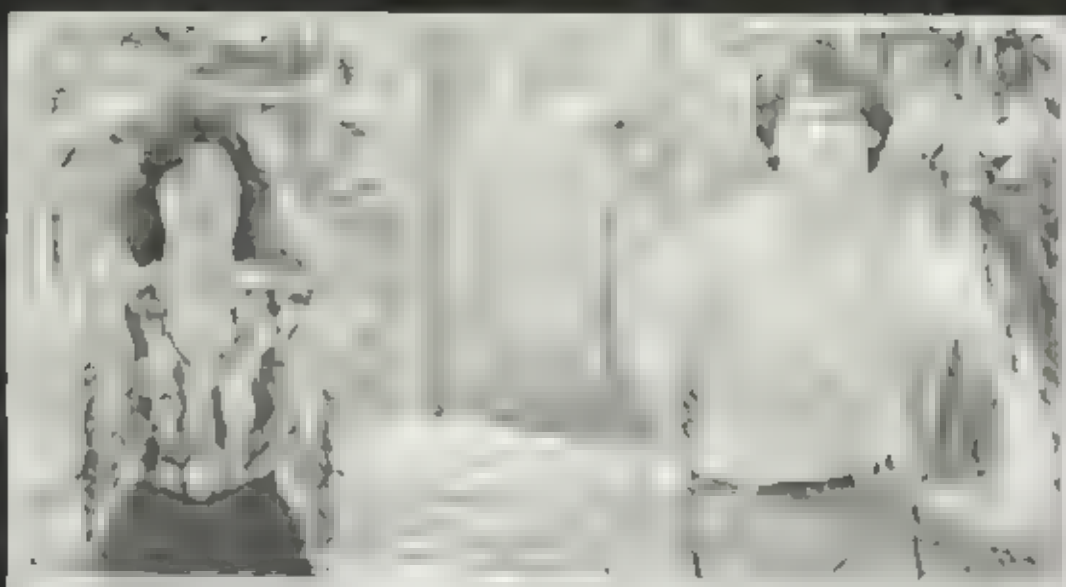

These seniors represent each and every one of us. In them, we see reflections of each aspect of our lives. We have come to recognize these seniors, whether they be athletic or intelligent, talented or friendly, as representatives of us. And so, we, the Senior class chose them to display these images of ourselves. Congratulations to these special seniors.

Most Dependable- Janet Reynolds, Rendene Shaw

Most Athletic- Ann Collins, Al Roberts

Best Personality- Lisa Manos, Denny Feld

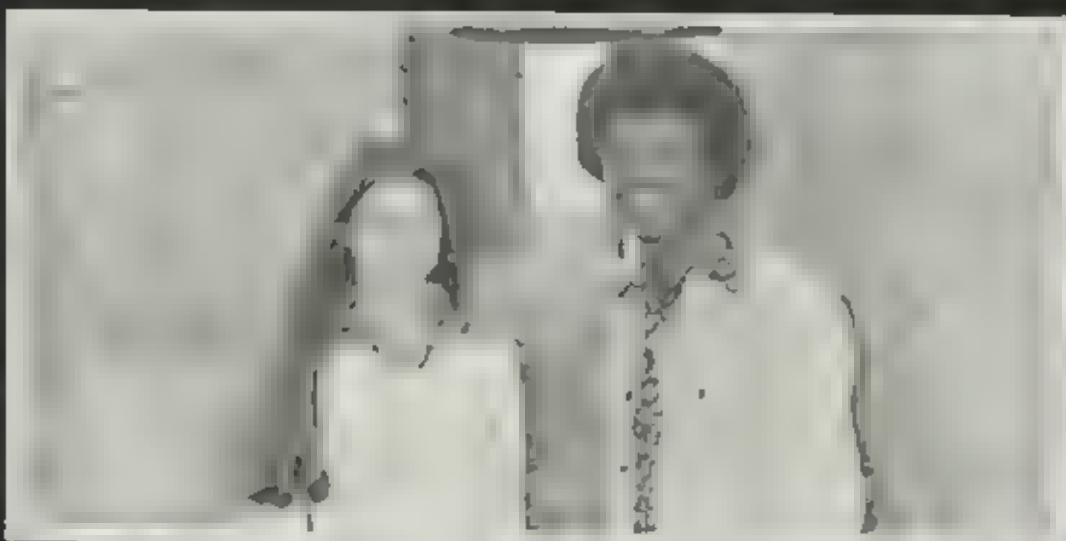

Best All-Around- Wendy Norris, James Norris

Most Talented- Chris Rogers, Ralph Gunn

Best Looking- Judy Hensley, Ellis Woodall

Withest- Karen Salmon, Billy Davis

Don't let  
what you  
can't do  
interfere  
with what  
you can.

The first  
step in  
gaining a  
friend is  
to be

# **JUNIORS**

# **SOPHOMORES**

# **FRESHMEN**

# **SUB-FRESHMEN**

The students of L.H.S. are of many different sizes and shapes, yet we all hold something in common. We are students of L.H.S., a place where we learn and grow — each at our own pace, each striving in our own direction. Though we may be heading in different directions, we will never be traveling alone. We are individuals often experiencing the same feelings of pride and determination. Perhaps our greatest pride lies in the fact that we are each part of a class — a class that makes us proud.

## How Do You Express Yourself?

"By talking to other people and helping them with their problems."

(Pam Kuhn)

"Mostly with my sense of humor, using my hands and facial expressions, and drawing."

(Randy Keith)

"Being myself."

(Tim Reynolds)

"Singing, playing my flute, getting out my make-up and painting myself whatever I feel like -- a clown (white powder, dark lipstick, mascara, etc.)"

(Lynn Davis)

## Do You Believe in God? How Much of a Role Does He Play in Your Life?

"Yes, my whole life because without him there wouldn't be life."

(Joyce Waites)

"Yes, I put God first in my life because without God you are lost."

(Vanessa Harper)

"Yes!!!! Total committment."

## How Do You Compare High School With Grammar School?

"It is a little harder than grammar school."

(Sheree Collier)

"High school is much better, there is more freedom here."

(Steve Bullard)

"You have more liberties but it's harder with homework and school sports."

(Chuck Benson)

"It's bigger, a lot more fun, and interesting. The teachers are better."

(Deena Allen)

"Grammar school now would be a holiday."

(Dave Sipsy)

"You do about the same kind of word, just a little harder."

(Donna McCall)

"It's very different because you are much freer and it makes a person like high school."

(Pamela Lyons)

"High school has a lot more responsibilities."

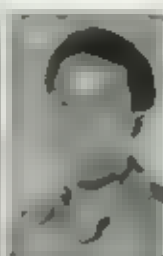

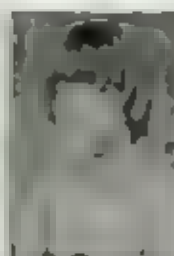

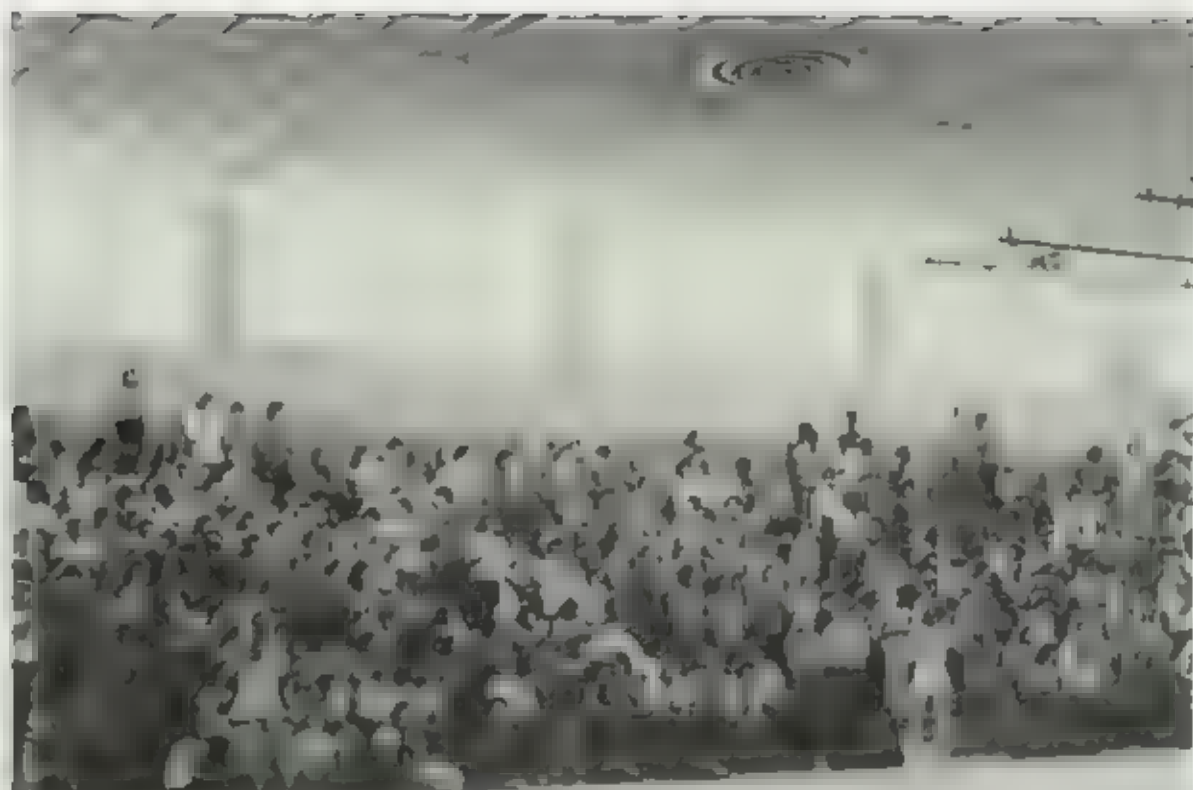

(Patti Whitaker)

"It's better, you're more independent."

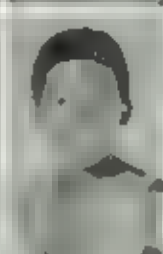

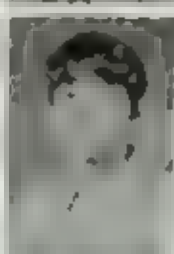

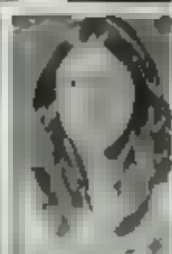

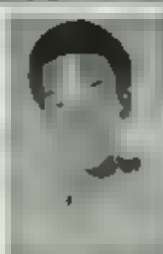

(Rusty Keith)

"Starting high school is just like starting grammar school all over again."

## On the First Day of School, Did You Have Problems Finding Your Class?

"Yes" - 70

"No" - 83

"Sometimes" - 39

## Do You Like Blind Dates?

"Yes" - 16

"No" - 97

## What Does School Spirit Mean to You?

"Being proud of your school."  
(Dave Sipsy)

"A ghost that jumps in people  
and makes them say, Yeah."  
(Chico Venable)

"A good bit."  
(Chip Kelly)

"Believing in L.H.S."  
(Ron Rice)

"A whole lot, shows that you  
are not afraid to do something."  
(Christine Henderson)

## Are You Proud of L.H.S. and Why?

"Yes, it's the school I go to."  
(Andy Carter)

"Yes, because it has very good qualities."  
(Jeff Waites)

"Yes, just because I like it."  
(Kevin Cartee)

"Yes, they have a good faculty."  
(Teresa Singleton)

"Yes, 'cause we are the best."  
(Rita Berry)

## How Do You Rate Life at L.H.S. on a Scale of 1 to 5 (5 Being Lowest)?

"1" - 20

"2" - 58

"3" - 40

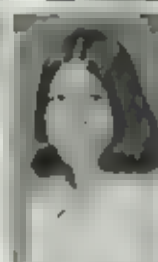

"4" - 9

"5" - 5

### What is the hardest thing to adjust to in high school and why?

" 'D' lunch, I'm too hungry to wait."

(Larry Clement)

"We are no longer the oldest, we are the youngest."

(John Bradley)

"The busy schedule."

(Ray Hill)

"Walking, you have to make it to the room before the bell."

(Brucilla Echols)

"Changing classes with so many people in the hall."

(Kim Studdard)

"Getting up so early in the morning."

(Ronnie Presley)

"Getting used to older people bossing you around."

(Brenda Sangster)

"Homework, it is more than I am used to."

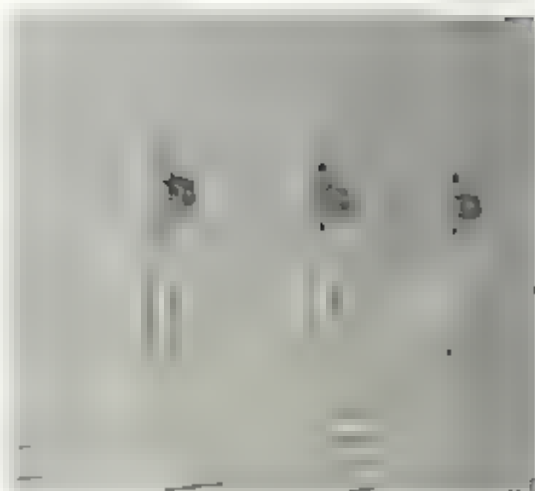

(Barbara Ciminera)

### Are you interested in the opposite sex?

"Yes" - 131

"No" - 16

"Maybe" - 2

**Our road is made up of many events which help mold our future. The year 1976 brings about the bi-centennial celebration and the presidential election. It has been a time in which fashion has made a turn about from head to toe. Music has become an important part of our everyday lives. Movies, such as JAWS, have made a change from the sweet and simple scenes of the past. Changes have also occurred here at L.H.S.: Mr. O'Rourke, our new principal; Judy Hensley, Homecoming Queen; the smoking area; and "the fire." These events all join together to make our path even more memorable.**

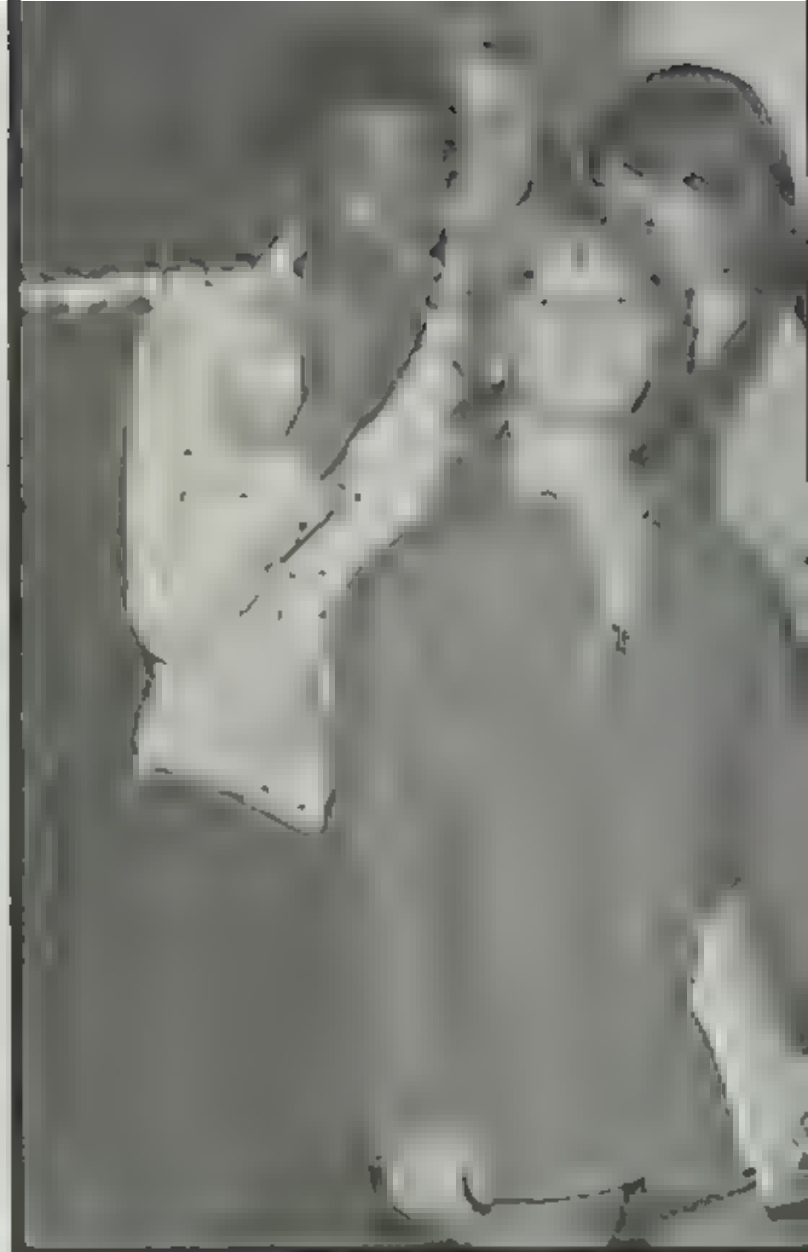

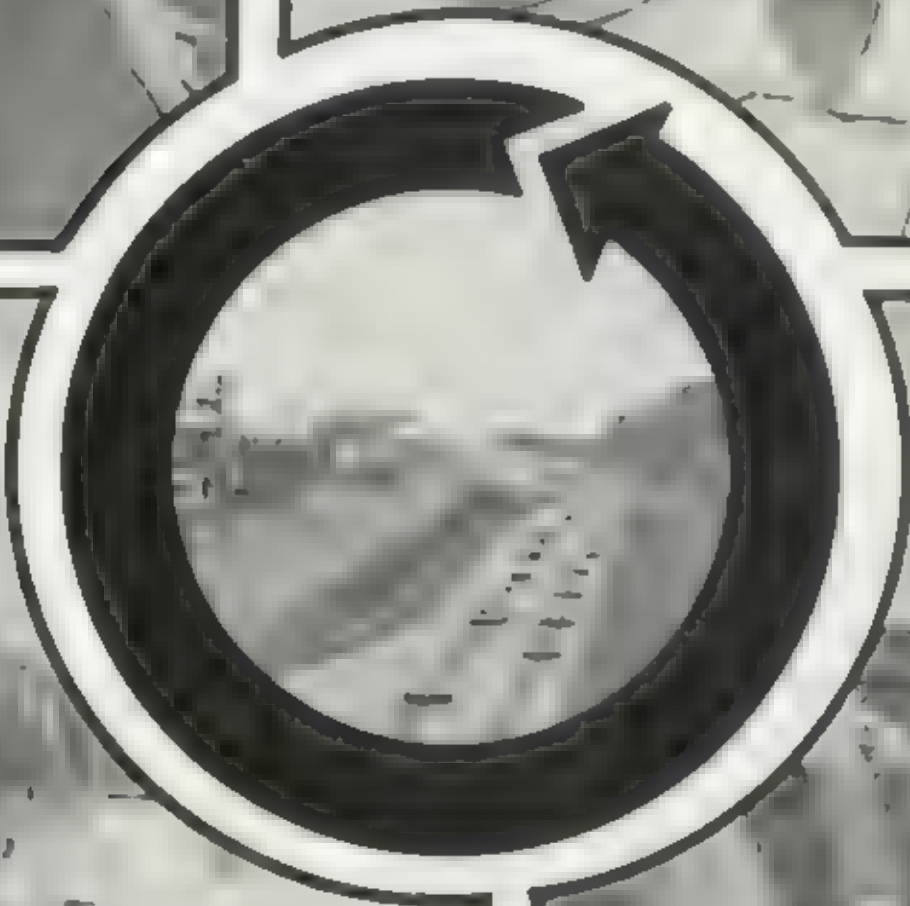

**She started as a land untouched and free. Only the sound of peace and tranquillity could be heard. Trees and mountains became her children which she nestled in her hands. A welcoming heart and a loving smile made her become the proud nation she is today. She has endured a long yet prosperous journey. She has encountered hardships which have helped her to grow stronger. She has been stepped on, but only to fight back. She has never been too busy or too tired to listen. We call her Liberty, Freedom, Mother, and Home. We call her America. To her on her 200th birthday we say thank you.**

On this road called life,  
we learn and grow through  
its many experiences. As  
we travel its highways and  
byways, our knowledge be-  
comes a part of tomorrow.  
The past cannot be chang-  
ed, for it's ours to keep for-  
ever. We must cope with  
problems, but not be over-  
come by them. For no  
mountain is ever too high  
and no valley is ever too  
deep. The pebbles can be  
tossed aside and the dust  
can be brushed away. We  
experience the challenge of  
life and accept its responsi-  
bilities. We make time step  
by step until our pathway is  
complete. It's a long, long  
road . . .

I find it hard to express how much BULLDOG '76 means to me. It is more than just an annual with pictures and words. Many hours of hardwork, frustration and even tears are represented on these pages. We have tried to recapture L.H.S. 1975-1976 as it really was. But even more, we have tried to give BULLDOG '76 a meaning to each individual that reads it. We all are on a journey that L.H.S. has become a proud part of. The Seniors of '76 will remember their years here with satisfaction. It has not always been easy, but we managed. To the other students - just make the most of each day because they will all pass so quickly. I would like to extend a special "thank-you" to the staff. I am sure thoughts of our 5th period class will always bring many unforgettable memories. To the students, parents and businesses I want to say thank you for your support. Without the help of them, many blank pages would appear in this book. Just remember to keep stepping forward and if your road should cross someone else's, make the most of it, for there is always room for our fellow man.

Sincerely,

*Nancy J. Mays*
